

State Board of Examiners in Optometry

Disciplinary Actions

2011

The Board of Examiners in Optometry at their January 21, 2011 board meeting denied licensure by credentials to Dr. Gary Kitzrow. This decision is based on prior license violations and disciplinary actions in the jurisdictions of Washington and Oregon.

2002

Memorandum of Agreement Case # 2500-02-001. Failure to verify compliance with licensing period 1999-2000 during 2001-2001 license renewal period. Civil fine \$3500; suspended, reprimand, mandatory audit for two licensing periods. Failure to meet all requirements would be a violation of agreement and the suspended portion of the civil fine will be reinstated and automatic suspension of license and endorsement.

1996

Memorandum of Agreement Case # 2500-95-04. History of polysubstance abuse. License to practice placed on probation for three years. Participation in drug rehabilitative counseling and other items as stated in the proposed decision and order. Failure to meet all requirements would be a violation of agreement and Failure to comply would result in suspension of license.
