## Notice of Public Scoping: Division of Insurance Seeks Input on Regulations that Need to be Changed or Repealed

The Alaska Division of Insurance (division) is holding a public hearing to seek input about what changes are needed in 3 AAC, the regulations of the Division of Insurance, and what regulations can be repealed altogether.

The division is in the information gathering stage and seeks comments and recommendations from members of the public for proposed changes before a decision is made on what changes to make to 3 AAC. The division is not proposing any changes to the regulations for the hearing. There are no draft regulations to review. Please note that this is for all of 3AAC, and not specifically focused on the 80<sup>th</sup> Percentile Regulation. The division has held multiple hearings on that particular regulation, and will not be discussing it during this hearing.

The division invites you to attend the public hearing to be held on **November 6, 2019** from 1:00 p.m. to 3:00 p.m. to share your oral or written comments on proposed changes to the regulations of the Division of Insurance. The hearing will be held in Conference Room 1560, at the Atwood Building, 550 West Seventh Avenue, Anchorage, Alaska and in Conference Room C on the ninth floor of the State Office Building, located at 333 Willoughby Ave., Juneau, Alaska.

The hearings may be extended to accommodate those present before 3:00 p.m. who did not have an opportunity to comment. If you are unable to attend a hearing in person and would like to participate by teleconference, please call 1 (800) 315-6338 and enter access code 42070 followed by the # (pound sign).

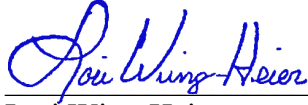

To submit a comment or proposal through the mail, via email, or the Alaska Online Public Notice System, parties submitting suggestions for rule changes should send a clear and concise statement with the following information:

- The citation for the specific rule on which you are commenting.
- Why the rule should be reviewed, revised, or repealed.
- The issue the rule causes and why changing it should be a priority for the division.
- A brief description of your idea for improving the rule.

You are also invited to submit written comments to the Alaska Division of insurance, Attention **Jackson Willard**; P.O. Box 1 10805, Juneau, AK 99811-0805 or by e-mail to [jackson.willard@alaska.gov](mailto:jackson.willard@alaska.gov); or by fax to (907) 465-3422. All comments must be received no later than 5:00 p.m., November 6, 2019.
