

## BULLETIN B 06-04

**TO: ALL INSURERS AUTHORIZED TO TRANSACT HEALTH INSURANCE  
BUSINESS IN THE STATE OF ALASKA AND OTHER INTERESTED PARTIES**

**RE: ANNUAL SURVEY ON HEALTH INSURANCE**

AS 21.06.110 requires the director to report on an annual basis “statistical information regarding health insurance, including the number of individual and group policies sold or terminated in the state” and “the annual percentage of health claims paid in the state that meets the requirements of AS 21.54.020(a) and (d).” In order to comply with this statutory requirement, all insurers licensed to transact health insurance business in Alaska must complete the survey and **return it to the division by May 31, 2006**. Your completed survey or your response stating that none has been written in Alaska must be e-mailed to [insinfo@commerce.state.ak.us](mailto:insinfo@commerce.state.ak.us).

Please note that **stop loss insurance is considered health insurance in Alaska**. Therefore, stop loss insurance must be reported on this survey. **If no health insurance is written in Alaska, simply respond to this survey by sending an e-mail to the division that states “No health insurance written in Alaska” and provides the name of the company, its NAIC number, and contact information.**

In completing the survey, please take care to review and follow the survey instructions. The information provided in this survey is used in analyzing the health insurance market in Alaska, and summary data from the survey is reported to the Alaska legislature and to the public. It is critical that you provide accurate information. Before sending the completed form to the division, please verify that the premium and claim data balance to the premium and claim data reported in the National Association of Insurance Commissioners Annual Statement State Page for Alaska, as described in the survey instructions.
