RE: LICENSE/REGISTRATION RENEWAL WINDOW

In our continued effort to achieve uniformity with other regulatory jurisdictions, the Alaska Division of Insurance will be extending license and registration renewal windows. Effective February 9, 2018, the renewal window for licensees and registrants will be extended from 60 to 90 days. After the effective date, any licensed or registered entity may renew their credentials up to 90 days prior to the respective expiration date. This change will not affect any expiration dates. The Division will continue to send out renewal notices as we have in the past. Please contact the Alaska Division of Insurance at insurance@alaska.gov or 907-465-2515 with any questions.
