*On May 4, 2021, Alaska submitted a request for modification of normal post-award forum procedures during the public health emergency pursuant to 45 CFR § 155.1320(c)(2) to the Centers for Medicare and Medicaid Services to mitigate the potential risk associated with COVID-19 by holding the 2021 1332 waiver public forum telephonically without an option for the public to attend in-person.

On June 3, 2021, the U.S. Department of Health and Human Services and the U.S. Department of the Treasury determined that Alaska's proposed modified post-award forum procedures met the requirements set forth in 45 CFR § 155.1320(c)(2).
