

Connecting to the new AOGCC FTPS Site

1. Download [FileZilla](#) and install on your computer.
(Note: For other FTP software, download and installation should be similar.)
2. Open FileZilla.
3. Type the following information:

Host: [ftps.state.ak.us](#)

Username: [puboil](#)

Password: [aogcc.201](#)

Then, click Quickconnect.

4. If prompted to *Remember passwords*, click OK. (or set it to your own preference)
5. If prompted about *Unknown Certificate*, make sure both checkboxes below are checked, then click OK.
