

20 AAC 25.280(g) is amended to read:

(g) **Unless otherwise approved by the commission,** if workover operations are not commenced within 12 months **and completed within 13 months** after the commission approves an Application for Sundry Approvals, the Application for Sundry Approvals expires. **If an Application for Sundry Approvals expires after work has commenced but before work is completed, the operator shall submit a Report of Sundry Well Operations (Form 10-404) detailing the work completed to date. Before resuming work on the well the operator must submit, and the commission must approve, a new Application for Sundry Approvals (Form 10-403).**
