Industry Guidance Bulletin 20-005 Notarized Documents

Due to the ongoing disruption to normal operations caused by the COVID-19 pandemic the Alaska Oil and Gas Conservation Commission (AOGCC) is following the lead of the Alaska Court System and relaxing the requirements for submitting notarized documents. Until further notice, and unless otherwise directed by the AOGCC, applicants can submit unnotarized affidavits with electronic signatures with their applications that require them and submit notarized versions of these affidavits at a later time.

Please share this Guidance Bulletin with all appropriate members of your organization. Questions regarding this guidance should be addressed to Dave Roby at dave.robby@alaska.gov or (907) 793-1232.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeremy M. Price".
