Nationstar chose to work cooperatively with the MMC without conceding the findings were correct

or amounted to the violations asserted.

WHEREAS, Nationstar has assured the Participating States that it has resolved its issues related to the failure to timely fund mortgages and on a going-forward basis will fund all loans in compliance with state laws.

WHEREAS, in order to assess Nationstar's progress in addressing violations and safety and soundness concerns identified in the Reports of Examination, the State Mortgage Regulators, as coordinated by the MMC, commenced a targeted follow-up visitation of Nationstar in October 2016 ("2016 Visitation"). The 2016 Visitation was conducted by the State Mortgage Regulators from the states of Connecticut, North Carolina, and Washington, pursuant to their respective statutory authorities, and in accordance with the protocols established by the CSBS/AARMR Protocol and Agreement. The scope of this visitation encompassed evaluating the following action items: Improving financial condition; establishing an enterprise-wide risk management program; establishing adequate policies and procedures; establishing a tracking system to assure that examination and audit issues are resolved; making improvements to the information systems, assuring adequate knowledgeable staffing; establishing an effective third-party vendor oversight program; establishing an adequate internal controls and audit program; establishing systems for timely production of customer files; establishing effective consumer communication systems; establishing effective processes for on-boarding loans to be serviced; establishing an effective methodology for problem resolution with consumers; and establishing a system to assure that policies and procedures are approved annually by the Board.

WHEREAS, the 2016 Visitation demonstrated that the Board and senior management had taken positive steps towards responding to the violations and safety and soundness concerns noted in the Reports of Examination and to address the operational and governance issues described therein.

WHEREAS, in late 2018/early 2019 an independent third party consultant evaluated, in part, Nationstar's enterprise risk management program and determined that the company had made significant governance and operational improvements and changes designed to address weaknesses identified in the Reports of Examination. The consultant determined that the updates made by Nationstar sufficiently account for the

growth of the company and now include the internal infrastructure and systems to control for major risks given the size and scope of Nationstar's business and operations. This Agreement provides monitoring and reporting features focused on these operational and governance enhancements.

WHEREAS, additional issues were examined by the State Mortgage Regulators through ongoing work as part of the examination resolution process, including the identification of increases in monthly payments as trial modifications became permanent and vendor management resulting in potentially unnecessary property preservation fees.

WHEREAS, the State Mortgage Regulators and Nationstar enter into this Agreement with the understanding that the State Attorneys Generals, as plaintiffs, have entered a Consent Judgment with Nationstar in the United States District Court for the District of Columbia (the "AG Consent Judgment") in coordination with this Agreement.

WHEREAS, the State Mortgage Regulators and Nationstar also enter into this Agreement with the understanding that the Consumer Financial Protection Bureau ("CFPB") has entered into a Stipulated Final Judgment and Order with Nationstar in the United States District Court for the District of Columbia (the "CFPB Consent Judgment") in coordination with this Agreement.

WHEREAS, through this Agreement, the AG Consent Judgment and the CFPB Consent Judgment, as further explained below and in those other settlements, Nationstar has paid or provided (or will pay or provide) the collective total amount of \$91,255,843 consisting of: (i) payment to the Participating States under this Agreement (paragraph VII.5) and under the AG Consent Judgment (paragraph 8) of \$6,434,100 for consumer remediation as provided in the referenced paragraphs; (ii) payment to the Participating States under this Agreement (paragraph VII.3) and under the CFPB Consent Judgment (paragraph 22) of \$15,623,305, for consumer remediation as provided in the referenced paragraphs; (iii) remediation to consumer borrowers of \$62,632,538 completed prior to this Agreement (as set forth in paragraphs VII.1 and VII.2 of this Agreement); (iv) payments to the Participating States under this Agreement (paragraphs VIII.1 -VIII.3) of \$1,205,000 as Administrative Costs and an Administrative Penalty; (v) payments under the AG Consent Judgment (paragraph 10) of \$3,860,900 for attorney's fees, investigative costs and fees, and other purposes as set forth therein; and (vi) payments under the CFPB Consent

Judgment (paragraph 28) of \$1,500,000 for a civil monetary penalty. In addition, over the next four years Nationstar shall pay or provide additional amounts to certain consumers with active loan modifications, under this Agreement (paragraph VII.4) and under the CFPB Consent Judgment.

WHEREAS, certain terms and conditions are contained in the AG Consent Judgment and/or the CFPB Consent Judgment and in this Agreement, including, as set forth immediately above, with respect to some aspects of consumer remediation. Notwithstanding the coordinated nature of the three settlements, to the extent that the terms and conditions contained in this Agreement conflict with any provisions of the AG Consent Judgment and/or the CFPB Consent Judgment, the terms and conditions of this Agreement shall control.

WHEREAS, by reciting in this Order information about the AG Consent Judgment and the CFPB Consent Judgment, the State Mortgage Regulators are not asserting independent jurisdiction or authority to enforce either the AG Consent Judgment or the CFPB Consent Judgment, unless otherwise authorized to do so under any applicable state or federal law, rule, or regulation.

WHEREAS, Nationstar enters into this Agreement solely for the purpose of resolving disputes with the State Mortgage Regulators, including concerning the conduct described in the Reports of Examination, and does not admit any wrongdoing, allegations or implications of fact and does not admit any violations of applicable laws, regulations or rules governing the conduct and operation of its servicing or origination business, as well as with respect to any conduct related to persons identified for redress or remediation in connection with this Agreement. Nationstar acknowledges that the State Mortgage Regulators have and maintain jurisdiction over the underlying dispute, including all matters referred to in these recitals, and therefore have the authority to fully resolve the matter.

WHEREAS, Nationstar acknowledges that the State Mortgage Regulators are relying, in part, upon Nationstar's representations and warranties stated herein in making their determinations in this matter. Nationstar further acknowledges that this Agreement may be revoked and the State Mortgage Regulators may pursue any and all remedies available under the law against Nationstar, if the State Mortgage Regulators later find that Nationstar knowingly or willfully withheld information from the State Mortgage

Regulators.

WHEREAS, Nationstar represents that it has implemented, and will continue to maintain, procedures designed to ensure that Nationstar has complied with all regulatory requirements and recommendations identified in Reports of Examination.

WHEREAS, the State Mortgage Regulators have legal authority to initiate administrative actions based on the conduct described in the Reports of Examination.

WHEREAS, the intention of the State Mortgage Regulators in effecting this settlement is to resolve its operational concerns and violations, including those described in the Reports of Examination and in these recitals, and to close the Reports of Examination. To that end, the State Mortgage Regulators have agreed to the release of certain claims and remedies, as provided in the State Release, attached hereto as Exhibit C. The State Mortgage Regulators reserve all of their rights, duties, and authority to enforce all statutes, rules and regulations under their respective jurisdictions against Nationstar regarding any mortgage loan activities and/or servicing activities outside the scope of this Agreement. Additionally, a State Mortgage Regulator may consider this Agreement and the facts set forth herein in connection with, and in deciding, any examination, action, or proceeding under the jurisdiction of that State Mortgage Regulator, if the basis of such examination, action, or proceeding is not a direct result of the specific activity identified in the Reports of Examination; and that this Agreement may, if relevant to such examination, action or proceeding, be admitted into evidence in any matter before a State Mortgage Regulator.

WHEREAS, Nationstar agrees that certain claims and remedies are not released, as provided in Part III of Exhibit C attached hereto.

WHEREAS, Nationstar hereby knowingly, willingly, voluntarily, and irrevocably consents to the entry of this Order, which is being entered pursuant to the authority vested in each State Mortgage Regulator and agrees that it understands all of the terms and conditions contained herein. Nationstar acknowledges that it has full knowledge of its rights to notice and a hearing pursuant to the laws of the respective Participating States. By voluntarily entering into this Agreement, Nationstar waives any right to notice and a hearing, and review of such hearing, and also herein waives all rights to any other judicial appeal concerning the terms, conditions, and related obligations set forth in this Agreement.

Nationstar further acknowledges that it has had an opportunity to consult with independent legal counsel in connection with its waiver of rights and with the negotiation and execution of this Agreement, and that Nationstar has either consulted with independent legal counsel or has knowingly elected not to do so.

WHEREAS, Nationstar represents that the person signing below is authorized to execute this Agreement and to legally bind Nationstar.

WHEREAS, in that the Parties have had the opportunity to draft, review and edit the language of this Agreement, the Parties agree that no presumption for or against any party arising out of drafting all or any part of this Agreement will be applied in any action relating to, connected to, or involving this Agreement. Accordingly, the Parties agree to waive the benefit of any State statute, providing that in cases of uncertainty, language of a contract should be interpreted most strongly against the party who caused the uncertainty to exist.

NOW, THEREFORE, this Agreement having been negotiated by the Parties in order to resolve the issues identified herein and in the Reports of Examination, without incurring the costs, inconvenience and delays associated with protracted administrative and judicial proceedings, it is by the State Mortgage Regulators listed below hereby **ORDERED**:

V. AGREEMENT MONITORING

The testing shall be conducted in the ordinary course of Nationstar's business consistent with industry standards and Nationstar's internal testing schedule, which shall be based on an assessment of high-risk areas and emerging trends.
 - a. All internal testing of compliance with the Servicing Standards will be conducted via three separate "lines of defense." Second, the Risk and Compliance department will conduct tests of both random and targeted loan populations. Third, the IAD will conduct risk-based testing.
 - b. As part of its compliance testing, Nationstar shall conduct monthly tests for loans from all fifty states. Each test will be comprised of a review of an appropriate and representative sample to assess compliance.  - b. Nationstar shall provide the annual audit plan for the Servicing Standards to the Executive Committee at least 30 days prior to the Implementation Date. The audit plan shall include the proposed schedule by which Nationstar will test each Servicing Standard.  - e. The confidentiality provisions of this Paragraph 6 are binding on the Parties only to the extent that it does not violate any court order, constitutional provision, or statute prohibiting such confidentiality.

4. Additionally, for Mortgage Modification Payment Increase Borrowers in active servicing at the start of an annual period, Nationstar will conduct an annual audit of its mortgage servicing portfolio designed to identify Modification Payment Increase

Borrowers whose modified monthly principal and interest payment amounts continue to exceed their trial modification plan's monthly principal and interest payment amount and for whom additional redress is required (hereinafter, the "Annual Lookback"). Nationstar shall conduct the Annual Lookback each year for the next four years to identify Modification Payment Increase Borrowers who continued to make a modified monthly principal and interest payment that exceeds their monthly trial modification plan's principal and interest payment amount in that year. Nationstar will provide redress to identified Modification Payment Increase Borrowers in accordance with the applicable provisions of the Redress Plan referenced in paragraph 3.a. above in the form of: (1) an account credit for those Modification Payment Increase Borrowers whose loans are actively being serviced by Nationstar at the time of the Annual Lookback; or (2) a check for those Modification Payment Increase Borrowers whose loans are not actively being serviced by Nationstar at the time of the Annual Lookback. Within 30 days after each Annual Lookback, Nationstar must submit to the State Mortgage Regulators on the Executive Committee a comprehensive report of additional redress provided to Modification Payment Increase Borrowers consistent with this paragraph of the Agreement.

5. *Payments to Borrowers Affected by Service Transfers and Property Preservation Practices.* Within twenty-five (25) calendar days of the Effective Date of this Order, consistent with this Agreement, Exhibit B and instructions provided by the Executive Committee, Nationstar shall deposit Six Million, Four Hundred and Thirty-Four Thousand, and One Hundred Dollars (\$6,434,100.00) (the "Borrower Payment Amount") by electronic funds transfer into the Qualified Settlement Fund Distribution Account. The Borrower Payment Amount and any other funds provided to the Settlement Administrator for these purposes under paragraph 6 of this Section shall be administered in accordance with the terms set forth in Exhibit B. The Borrower Payment Amount shall be used: (1) for payments to borrowers who submit claims and are in either or both of the Service Transfer and Property Preservation Populations set forth below; and (2) for reasonable costs and expenses of the Settlement Administrator, including taxes and fees for tax counsel. The Populations eligible to receive payments are defined as follows:

- a. *Service Transfer Population.* The Service Transfer Population shall mean borrowers whose loans (i) were transferred in bulk to Nationstar for servicing between and

including February 1, 2011 and December 18, 2017, and (ii) which became 30 days delinquent within 90 days of the service transfer, and (iii) which delinquency subsequently resulted in dispossession of the property in foreclosure, and (iv) which otherwise meet any additional criteria set by the Executive Committee; or

b. *Property Preservation Population.* The Property Preservation Population shall mean borrowers whose property was (i) subject to a property inspection by Nationstar, or its agent, and (ii) was determined to be vacant, and (iii) as a result of that determination Nationstar or its agent changed the lock on the property between and including June 24, 2011 and December 29, 2017, and (iv) either within 30 days of the initial lock change the borrower requested access to the property, or within 90 days of the initial lock change the property was reported as occupied through a subsequent inspection, and (v) which otherwise meet any additional criteria set by the Executive Committee.

6. Only if the circumstances addressed in this Paragraph arise, Nationstar shall also pay or cause to be paid any additional amounts necessary to pay claims of borrowers in either or both of the Service Transfer and Property Preservation Populations, if any, whose data is provided to the Settlement Administrator by Nationstar after Nationstar warranted (pursuant to Paragraph 3 of Exhibit B) that the data provided for those Populations is complete and accurate (“Subsequent Population”). Borrowers in any applicable Subsequent Population will be eligible to receive the same per-loan check payment amount actually paid to eligible borrowers in the initial data population, after receiving a notice and making a valid claim under the process identical to that used for borrowers in the initial data population. If this Paragraph becomes applicable, the Parties will work with the Settlement Administrator to determine both the amount of additional funding required to make payments to eligible borrowers in the any Subsequent Population, and the additional settlement administration costs and expense involved in administering potential claims of any Subsequent Population.

7. After Nationstar has made any required deposits into the Fund Account and the Qualified Settlement Fund Distribution Account, Nationstar shall no longer have any property rights, title, interest or other legal claims in those funds.

8. Nationstar’s full and timely deposits into the Fund Account and the Qualified

Settlement Fund Distribution Account, as provided for in Paragraphs 3 and 5 of this Section respectively, shall satisfy the requirements under those paragraphs for the payments to borrowers.

VIII. ADMINISTRATIVE COSTS AND PENALTY

1. *Administrative Penalty.* That Nationstar shall pay an Administrative Penalty of Seven Hundred And Fifty Thousand Dollars (\$750,000) to be distributed equally among each Participating State (each Participating State will receive payment of \$14,705.88) (the “per-state payment”). Nationstar shall pay the total Administrative Penalty amount within ten (10) calendar days following the Effective Date of this Agreement, by paying each Participating State the per-state payment by the means designated by each State. To the extent that Nationstar does not pay out the total Administrative Penalty within ten (10) calendar days of the Effective Date of this Agreement, then Nationstar shall deposit into the Qualified Settlement Fund Distribution Account within five (5) calendar days thereafter, for the benefit of each Participating State that has not been paid, that state’s portion of the Administrative Penalty, which amounts shall be for further administration by the Settlement Administrator.

2. *Administrative Costs.* That Nationstar shall pay Administrative Costs of Four Hundred and Fifty-Five Thousand Dollars (\$455,000). Each Participating State that also took part in the examination or settlement shall receive an additional payment to cover administrative costs associated with the examination resolution process, with such costs allocated as follows: Arkansas, Fifty Thousand Dollars (\$50,000); Maryland, Two Hundred and Forty-Five Thousand Dollars (\$245,000); Massachusetts, Ninety Thousand Dollars (\$90,000); New Hampshire, Twenty Thousand Dollars (\$20,000); and Washington, Fifty Thousand Dollars (\$50,000).

3. Nationstar shall pay the Administrative Costs within ten (10) calendar days following the Effective Date of this Agreement by the means designated by each Participating State receiving such payment. To the extent that Nationstar does not pay out the total Administrative Costs within ten (10) calendar days of the Effective Date of this Agreement, then Nationstar shall deposit into the Qualified Settlement Fund Distribution Account within five (5) calendar days thereafter, for the benefit of each Participating State that has

not been paid, that state's portion of the Administrative Costs, which amounts shall be for further administration by the Settlement Administrator.

4. That in the event that Nationstar fails to submit any Administrative Penalty or Administrative Costs set forth in this Agreement, in the amounts specified herein and in accordance with the applicable deadlines, or if any transfer of any monetary amount required under this Agreement is voided by a Court Order, including a Bankruptcy Court Order, Nationstar agrees not to object to a Participating State submitting a claim, nor attempt to defend or defeat such authorized claim, for any unpaid amounts against any surety bond that Nationstar may maintain in such Participating State as a condition of maintaining a license under the jurisdiction of that State Mortgage Regulator.

5. That a State Mortgage Regulator may elect to have its allocation of the Administrative Penalty set forth in Paragraph 1 of this section to be applied towards the respective Participating State's consumer relief, and/or other such alternatives authorized under the respective Participating State's law. Should a State Mortgage Regulator elect to apply its allocation of administrative penalties in such an alternative manner, solely for the purpose of ensuring the effective administration of payments pursuant to the terms of this Agreement, that State Mortgage Regulator shall notify the MMC in writing of such election on or before the Effective Date of this Agreement.

6. Nationstar's full and timely payment of the Administrative Penalty and Administrative Costs, by direct payment to the Participating States or by deposit into the Qualified Settlement Fund Distribution Account, shall satisfy the requirements under Paragraphs 1, 2, and 3 of this Section for the payments of Administrative Penalty and Administrative Costs.

IX. ENFORCEMENT

1. *General Enforcement Authority and Enforcement Relative to the Monitoring Standards, Consumer Relief, and Administrative Penalty:* That the terms of this Agreement including all Exhibits attached and incorporated herein shall be enforced in accordance with the provisions, terms and authorities provided in this Agreement and under the respective laws and regulations of each Participating State.

2. *No Restriction on Existing Examination and Investigative Authority.* That this

Agreement shall in no way preclude any State Mortgage Regulator from exercising its examination or investigative authority authorized under the laws of the corresponding Participating State in the instance a determination is made wherein Nationstar is found not to be adhering to the requirements of the Agreement, other than inadvertent and isolated errors that are promptly corrected by Nationstar, or involving any unrelated matter not subject to the terms of this Agreement. The Parties agree that the failure of Nationstar to comply with any term or condition of this Agreement with respect to a particular State shall be treated as a violation of an Order of the State and may be enforced as such. Moreover, Nationstar acknowledges and agrees that this Agreement is only binding on the State Mortgage Regulators and not any other Local, State or Federal Agency, Department or Office.

3. *Notice.* Prior to initiating an action to enforce the terms and conditions of this Agreement, a Participating State shall: (1) provide written notice to the Executive Committee and Nationstar of the basis for the potential action and a description of its allegations; (2) meet and confer with Nationstar, if so requested, within the first 30 days of issuing the written notice; and (3) allow Nationstar 30 days to respond to such notice in writing.

4. *Sharing of Information and Cooperation.* That the State Mortgage Regulators may collectively or individually request and receive any information or documents in the possession of the Compliance Committee or the MMC. This Agreement shall not limit Nationstar's obligations, as a licensee of the State Mortgage Regulators, to cooperate with any examination or investigation, including but not limited to, any obligation to timely provide requested information or documents to any State Mortgage Regulator.

IX. RELEASE

1. The Participating States release claims and remedies as provided in the Release, attached hereto as Exhibit C and incorporated herein as the release provided to Nationstar. Certain claims and remedies are not affected, as provided in Part III of Exhibit C. The releases contained in Exhibit C shall become effective immediately upon the occurrence of (a) the Effective Date, and (b) deposit of the Borrower Payment Amount into the Qualified Settlement Fund Distribution Account as required under Section VII, and (c) payments of

the Administrative Penalty and Administrative Costs as required under Section VIII.

X. GENERAL PROVISIONS

1. *Effective Date.* That this Agreement shall become effective upon execution by all of the State Mortgage Regulators for the Participating States and when posted on the NMLS (the “Effective Date”).
2. *Public Record.* That this Agreement shall become public upon the Effective Date.
3. *Binding Nature.* That the terms of this Agreement shall be legally binding upon Nationstar’s officers, owners, directors, employees, heirs, successors and assigns. The provisions of this Agreement shall remain effective and enforceable except to the extent that, and until such time as, any provisions of this Agreement shall have been modified, terminated, suspended, or set aside, in writing by mutual agreement of the State Mortgage Regulators collectively and Nationstar.
4. *Standing and Choice of Law.* That each State Mortgage Regulator has standing to enforce this Agreement in the judicial or administrative process otherwise authorized under the laws and regulations of the corresponding Participating State. Upon entry, this Agreement shall be deemed a final order of each respective State Mortgage Regulator unless adoption of a subsequent order is necessary under the laws of the corresponding Participating State. In the event of any disagreement between any State Mortgage Regulator and Nationstar regarding the enforceability or interpretation of this Agreement and compliance therewith, the courts or administrative agency authorized under the laws of the corresponding Participating State shall have exclusive jurisdiction over the dispute, and the laws of the Participating State shall govern the interpretation, construction, and enforceability of this Agreement.
5. *Adoption of Subsequent Orders to Incorporate Terms.* That a State Mortgage Regulator, if deemed necessary under the laws and regulations of the corresponding Participating State, may issue a separate administrative order to adopt and incorporate the terms and conditions of this Agreement. A State Mortgage Regulator may *sua sponte* issue such subsequent order without the review and approval of Nationstar provided the subsequent order does not amend, alter, or otherwise change the terms of the Agreement. In the event a subsequent order amends, alters, or otherwise changes the terms of the

Agreement, the terms of the Agreement, as set forth herein, will control.

6. *Privilege.* That this Agreement shall not constitute a waiver of any applicable attorney-client or work product privilege, confidentiality, or any other protection applicable to any negotiations relative to this Agreement.

7. *Titles.* That the titles used to identify the paragraphs of this Agreement are for the convenience of reference only and do not control the interpretation of this Agreement.

8. *Final Agreement.* That this Agreement is the final written expression and the complete and exclusive statement of all the agreements, conditions, promises, representations, and covenants between the Parties with respect to the subject matter hereof, and supersedes all prior or contemporaneous agreements, negotiations, representations, understandings, and discussions between and among the Parties, their respective representatives, and any other person or entity, with respect to the subject matter covered herein, excepting therefrom any proceeding or action if such proceeding or action is based upon facts not presently known to a State Mortgage Regulator. The Parties further acknowledge and agree that nothing contained in this Agreement shall operate to limit a State Mortgage Regulator's ability to assist any other Local, State or Federal Agency, Department or Office with any investigation or prosecution, whether administrative, civil or criminal, initiated by any such Agency, Department or Office against Nationstar or any other person based upon any of the activities alleged in these matters or otherwise.

9. *Waiver.* That the waiver of any provision of this Agreement shall not operate to waive any other provision set forth herein, and any waiver, amendment and/or change to the terms of this Agreement must be in writing signed by the Parties.

10. *No Private Right of Action Created.* That this Agreement does not create any private rights or remedies against Nationstar (or any of its affiliates or subsidiaries), create any liability for Nationstar (or any of its affiliates or subsidiaries) or limit defenses of Nationstar (or any of its affiliates or subsidiaries) for any person or entity not a party to this Agreement. An enforcement action under this Settlement Agreement and Consent Order may be brought solely by a party or the Executive Committee.

11. *Costs.* That except as otherwise agreed to in this Agreement, each party to this Agreement will bear its own costs and attorneys' fees associated with this enforcement action.

12. *Notices.* That any notice to Nationstar and/or the State Mortgage Regulators required or contemplated by this Agreement shall be delivered, if not otherwise described herein, by electronic copy to Nationstar through the “Primary Company Contact” for Nationstar listed in the Nationwide Multistate Licensing System (NMLS), or similar contact system, and to the State Mortgage Regulators by direct written notification.

13. *Counterparts.* That this Agreement may be executed in separate counterparts, by facsimile or by PDF. A copy of the signed Agreement will be given the same effect as the originally signed Agreement.

14. That nothing in this Agreement shall relieve Nationstar of its obligation to comply with applicable State and Federal law.

It is so **ORDERED**.

IN WITNESS WHEREOF, in consideration of the foregoing, including the recital paragraphs, and with the Parties intending to be legally bound, do hereby execute this Agreement this 7th of December, 2020.

EXHIBIT A

Servicing Standards

The provisions outlined below are intended to apply to loans secured by a forward mortgage on owner-occupied properties that serve as the primary residence of the borrower unless otherwise noted herein.

I. ACCOUNT AND BANKRUPTCY INFORMATION AND DOCUMENTATION.

Unless otherwise specified, these provisions shall apply to bankruptcy and foreclosures in all jurisdictions regardless of whether the jurisdiction has a judicial, non-judicial, or quasi-judicial process for foreclosures and regardless of whether a statement is submitted during the foreclosure or bankruptcy process in the form of an affidavit, sworn statement, or declaration(s) under penalty of perjury (to the extent stated to be based on personal knowledge) (“Declaration”).

A. Standards for Documents Used in Foreclosure and Bankruptcy Proceedings.

1. Servicer shall ensure that factual assertions made in pleadings (complaint, counterclaim, cross-claim, answer, or similar pleadings) and bankruptcy proofs of claim (including any facts provided by Servicer or based on information provided by Servicer that are included in any attachment and submitted to establish the truth of such facts) (“POC”) are accurate and complete and are supported by competent and reliable evidence. As it relates solely to foreclosure proceedings, Servicer shall continue to ensure that Declarations, affidavits, and sworn statements filed by or on behalf of Servicer in judicial foreclosure proceedings and notices of default, notices of sale, and similar notices submitted by or on behalf of Servicer in non-judicial foreclosures are accurate and complete and are supported by competent and reliable evidence. This provision does not apply to Declarations signed by counsel based solely on counsel’s knowledge (such as affidavits of counsel relating to service of process, extensions of time, or fee petitions) that are not based on a review of Servicer’s books and records.
2. Before a loan is referred to non-judicial foreclosure, Servicer shall ensure that documents and records pertaining to the borrower’s loan status and loan information have been reviewed to substantiate the borrower’s default and the right to foreclose. Servicer shall retain a copy of documents and records that substantiate any initiation of a foreclosure.
3. As it relates solely to foreclosure proceedings, Servicer shall continue to ensure that affidavits, sworn statements, and Declarations are based on personal knowledge, which may be based on the affiant’s review of Servicer’s books and records, in accordance with the evidentiary requirements of applicable state or federal law.
4. Servicer shall continue to review and approve standardized forms of affidavits, standardized forms of sworn statements, and standardized forms of Declarations prepared by or signed by an employee or officer of Servicer, or executed by a third party using a power of attorney on behalf of Servicer, to ensure compliance with applicable law, rules, court procedure, and the terms of this Agreement (“this Agreement”).

5. As it relates solely to foreclosure proceedings, affidavits, sworn statements, and Declarations shall continue to accurately identify the name of the individual declarant/affiant (“affiant”), the entity of which the affiant is an employee, and the affiant’s title. Affiants shall continue to date their signatures on affidavits, sworn statements, or Declarations.
6. As it relates solely to foreclosure proceedings, Servicer shall continue not to pay volume-based or other incentives to employees or third-party providers or trustees that encourage undue haste or lack of due diligence over quality in the foreclosure process.
7. As it relates solely to foreclosure proceedings, Servicer shall continue to maintain records in accordance with applicable state or federal record retention requirements that identify all notarizations of Servicer documents executed by each notary employed by Servicer.
8. Prior to making the first notice or filing required by applicable law for any judicial or non-judicial foreclosure process, Servicer shall validate the note or, if necessary, create a lost note affidavit, and Servicer shall conduct a legal entity review, which will include a chain of title review, as well as verification of the identity of the investor. Within 5 business days after referral to foreclosure, or at a later date if necessary to comply with applicable law, Servicer or Servicer’s counsel shall send borrowers a letter containing the information required in paragraphs I.B.6, III.D.4, and IX.A.2 of this Agreement.

B. Requirements for Accuracy and Verification of Borrower’s Account Information.

1. Servicer shall maintain procedures to ensure accuracy and timely updating of borrower’s account information, including posting of payments and imposition of fees. Servicer shall also maintain adequate documentation of borrower account information, which may be in either electronic or paper format.
2. Unless a contrary payment application is required by the mortgage, note, or court order, Servicer must apply payments in accordance with the borrower’s instructions. Servicer’s payment coupons and online payment submission screen must include a payment instruction line for any payment or payment portion that exceeds the current amount due. If Servicer cannot apply a payment in accordance with the borrower’s instructions, Servicer must maintain information sufficient to explain why the payment was not posted in accordance with instructions and must engage in efforts to resolve disputes brought to Servicer’s attention concerning the borrower’s instructions.
3. For any loan on which interest is calculated based on a daily accrual or daily interest method and as to which any obligor is not a debtor in a bankruptcy proceeding without reaffirmation, Servicer shall promptly accept and apply all borrower payments, including cure payments (where authorized by law or contract), trial modification payments, as well as non-conforming

payments, unless such application conflicts with contract provisions or prevailing law. Servicer shall ensure that properly identified payments shall be posted no more than two business days after receipt at the address specified by Servicer and credited as of the date received to borrower's account (unless applicable law requires a shorter period for posting).

4. For any loan on which interest is not calculated based on a daily accrual or daily interest method and as to which any obligor is not a debtor in a bankruptcy proceeding without reaffirmation, Servicer shall promptly accept and apply all borrower conforming payments, including cure payments (where authorized by law or contract), unless such application conflicts with contract provisions or prevailing law. Servicer shall continue to accept trial modification payments consistent with existing payment application practices. Servicer shall ensure that properly identified payments shall be posted no more than two business days after receipt at the address specified by Servicer (unless applicable law requires a shorter period for posting).
 - a. Servicer shall accept and apply at least two non-conforming payments from the borrower, in accordance with this subparagraph, when the payment, whether on its own or when combined with a payment made by another source, comes within \$50.00 of the scheduled payment, including principal and interest and, where applicable, taxes and insurance.
 - b. Except for payments described in paragraph I.B.4.a, Servicer may post partial payments to a suspense or unapplied funds account, provided that Servicer (1) discloses to the borrower the existence of a suspense or unapplied funds account and any activity in the suspense or unapplied funds account; (2) credits the borrower's account with a full payment as of the date that the funds in the suspense or unapplied funds account are sufficient to cover such full payment; and (3) applies payments as required by the terms of the loan documents. Servicer shall not take funds from suspense or unapplied funds accounts to pay fees until all unpaid contractual interest, principal, and escrow amounts are paid and brought current or other final disposition of the loan.
5. Notwithstanding the provisions above, Servicer shall not be required to accept payments which are insufficient to pay the full balance due after the borrower has been provided written notice that the contract has been declared in default and the remaining payments due under the contract have been accelerated. If a borrower files for bankruptcy after the contractual payments have been accelerated, Servicer may reject payments that are insufficient to pay the full balance, so long as rejection of the payments is not prohibited by an order of the bankruptcy court.
6. In the statement described in paragraph I.A.8, Servicer shall notify borrowers that they may receive, upon written request:

- a. A copy of the borrower's payment history since the borrower was last less than 60 days past due;
 - b. A copy of the borrower's note;
 - c. If Servicer has commenced foreclosure or filed a POC, copies of any assignments of mortgage or deed of trust required to demonstrate the right to foreclose on the borrower's note under applicable state law; and
 - d. The name of the trust or owner that holds the borrower's loan.
7. As described in paragraph I.B.6 above, Servicer shall respond to a borrower's written request in writing, no later than 30 days after receipt of a borrower's written request.
8. Servicer shall adopt enhanced billing dispute procedures, including for disputes regarding fees. These procedures will include:
 - a. Establishing readily available methods for customers to lodge complaints and pose questions, such as by providing toll-free telephone numbers and accepting disputes by e-mail;
 - b. Assessing and ensuring adequate and competent staff to answer and respond to consumer disputes promptly;
 - c. Establishing a process for dispute escalation;
 - d. Tracking the resolution of complaints; and
 - e. Providing a toll-free telephone number on monthly billing statements.
 - f. Servicer shall comply with all other requirements of Section VIII of this Agreement in responding to billing disputes.
9. Servicer shall take appropriate action to promptly remediate any inaccuracies in borrowers' account information, including:
 - a. Correcting the account information;
 - b. Providing refunds directly to borrower or account credits;
 - c. Correcting inaccurate reports to consumer credit reporting agencies;
 - d. Communicating whatever corrective action was taken to the borrower and any authorized third party working on behalf of the borrower; and
 - e. Documenting within the Servicer's records whatever corrective action was taken and communicated to the borrower or the borrower's representative.
10. Servicer's primary system to record account information shall be periodically independently reviewed for accuracy and completeness by an independent reviewer.

11. Delinquent borrowers currently receiving regular periodic statements will receive periodic statements setting forth each of the following items, to the extent applicable. For delinquent borrowers currently using a coupon book, a delinquency notice compliant with applicable law will be provided.
 - a. The total amount needed to reinstate or bring the account current, and the amount of the principal obligation under the mortgage;
 - b. The date through which the borrower's obligation is paid;
 - c. The date of the last full payment;
 - d. The current interest rate in effect for the loan (if the rate is effective for at least 30 days);
 - e. The date on which the interest rate may next reset or adjust (unless the rate changes more frequently than once every 30 days);
 - f. The amount of any prepayment fee to be charged, if any;
 - g. A description of any late payment fees;
 - h. A telephone number and electronic mail address that may be used by the obligor to obtain information regarding the mortgage; and
 - i. The Web site to access either the Bureau list or the HUD list of homeownership counselors and counseling organizations and the HUD toll-free telephone number to access contact information for homeownership counselors or counseling organizations.

C. Documentation of Note, Holder Status and Chain of Assignment.

1. If the original note is lost or otherwise unavailable, Servicer shall continue to comply with applicable law in an attempt to establish ownership of the note and the right to enforcement. Servicer shall continue to ensure good faith efforts to obtain or locate a note lost while in the possession of Servicer or Servicer's agent and shall ensure that Servicer and Servicer's agents who are expected to have possession of notes or assignments of mortgage on behalf of Servicer adopt procedures that are designed to provide assurance that Servicer or Servicer's agent would locate a note or assignment of mortgage if it is in the possession or control of Servicer or Servicer's agent, as the case may be. In the event that Servicer prepares or causes to be prepared a lost note or lost assignment affidavit with respect to an original note or assignment lost while in Servicer's control, Servicer shall continue to use good faith efforts to obtain or locate the note or assignment in accordance with its procedures. In the affidavit, sworn statement or other filing documenting the lost note or assignment, Servicer shall continue to recite that Servicer has made a good faith effort in accordance with its procedures for locating the lost note or assignment.
2. Servicer shall continue to retain original notes that are still in force.

II. Vendor Oversight.

A. Servicer's Compliance Obligation

1. Servicer will comply with all of the Servicing Standards for loans it services, regardless of whether it performs the relevant servicing or default functions itself, using employees or contractors, or relies on a subsidiary, affiliate, or any vendor to do so.

B. Definitions

1. "Third-Party Provider" or "Third-Party Providers" shall mean any foreclosure firms, law firms, foreclosure trustees, subservicers, subsidiaries, affiliates, and any other vendor, agent, independent contractor, or other representative hired by Servicer or Xome that provide Servicing Activities.
2. "Fourth-Party Provider" or "Fourth-Party Providers" shall mean any person or entity retained by a Third Party Provider to perform Servicing Activities for loans serviced by Servicer.
3. "Servicing Activities" shall mean actions with direct or potential customer impact, including but not limited to foreclosure, bankruptcy, eviction, payment processing, customer communications, collections, property inspections and preservation, homeowner's insurance, tax payments, escrow account maintenance, and loss mitigation for loans serviced by Servicer.

C. Oversight Duties Applicable to Third-Party Providers.

1. Servicer shall adopt appropriate policies and processes to oversee and manage Third-Party Providers.
2. Servicer shall perform appropriate due diligence of Third-Party Providers' qualifications, expertise, capacity, reputation, complaints, information security, document custody practices, business continuity, and financial viability. Servicer shall require each Third-Party Provider to perform an appropriate due diligence inquiry on any Fourth-Party Providers retained by the Third-Party Provider.
3. Servicer shall ensure that all information provided by Servicer to Third-Party Providers in connection with providing Servicing Activities is accurate and complete, and Servicer shall require that Third-Party Providers provide accurate and complete information to any Fourth-Party Providers.
4. Servicer shall ensure that foreclosure and bankruptcy counsel and foreclosure trustees have appropriate access to information from Servicer's books and records necessary to perform their duties in preparing pleadings and other documents submitted in foreclosure and bankruptcy proceedings.
5. Servicer shall require Third-Party Providers to disclose to Servicer any imposition of sanctions or professional disciplinary action taken against them for misconduct related to the performance of Servicing Activities. Servicer shall also ensure that Third-Party Providers require any Fourth-

Party Provider to disclose to the Third-Party Provider any imposition of sanctions or professional disciplinary action taken against the Fourth-Party Provider for misconduct related to the performance of Servicing Activities, and Servicer must require Third-Party Providers to disclose any such sanctions or disciplinary actions to Servicer.

6. Servicer shall require its Third-Party Providers to provide to Servicer routine reports, no less than quarterly, of written consumer complaints received by the Third-Party Provider, along with any response, that relate to Servicing Activities. Servicer shall be able to review and obtain the underlying documents surrounding consumer complaints received by the Third-Party Providers, as well as the action taken by the Third-Party Provider, including their response to the complaint. Servicer shall ensure that Third-Party Providers require Fourth-Party Providers to disclose written consumer complaints relating to Servicing Activities to the Third-Party Provider, along with any response.
7. Servicer shall adopt processes for reviewing and appropriately addressing written consumer complaints it receives from Third-Party Providers.
8. Servicer shall conduct periodic reviews of Third-Party Providers, which may be conducted remotely. These reviews shall include:
 - a. A review of a sample of the foreclosure and bankruptcy documents prepared by the Third-Party Provider, to provide for compliance with applicable state and federal law and this Agreement in connection with the preparation of the documents, and the accuracy of the facts contained therein;
 - b. A review of an appropriate sample of the fees and costs assessed by the Third Party Provider to ensure that only fees and costs that are lawful, reasonable, and actually incurred are charged to borrowers and that no portion of any fees or charges incurred by any Third Party Provider for technology usage, connectivity, or electronic invoice submission is charged as a cost to the borrower;
 - c. Any evidence of the imposition of sanctions or professional disciplinary action taken against a Third-Party Provider or Fourth-Party Provider shall be considered by Servicer as part of its periodic review.
 - d. Consumer complaints (including responses) received by Servicer relating to the performance of Servicing Activities by a Third-Party Provider or Fourth-Party Provider shall be considered by Servicer as part of its periodic review.
 - e. A review of all regulatory actions relating to the Third-Party Provider's performance of Servicing Activities.
9. The periodic written review set forth in paragraph II.C.8, above, shall be conducted by a Servicer group independent of the business area to which the Third-Party Provider provides its services. The findings, methodology,

and conclusions of the periodic review shall be documented and maintained in accordance with paragraph X.A.3 of this Agreement. Servicer must make these records available to the Executive Committee upon request. Servicer shall take appropriate remedial steps if problems are identified through this review or otherwise, including, when appropriate, terminating its relationship with the Third-Party Provider.

10. The periodic written review set forth in paragraph II.A.8, above, must occur at least every 12 months for foreclosure, bankruptcy, and eviction counsel, as well as other Tier One Third Party Providers. All other Third-Party Providers shall be reviewed as required by Servicer's established risk-based review governance and third-party risk ranking framework, unless Servicer or the Executive Committee discover a material violation that reasonably warrants more frequent reviews to remediate violations and ensure future compliance.

D. Oversight Duties Applicable to Tier One Third-Party Providers.

Servicer shall adopt additional policies and processes to oversee and manage Third-Party Providers that have significant customer contact, hold material quantities of customer non-public information, or operate in consumer-protection regulated areas, including but not limited to foreclosure and bankruptcy counsel and foreclosure trustees ("Tier One Third-Party Providers"), including:

1. Servicer shall ensure that agreements, contracts, or oversight policies provide for adequate oversight, including measures to ensure timely action with respect to Tier One Third-Party Provider performance failures.
2. Servicer shall ensure that Tier One Third-Party Providers' processes provide for compliance with Servicer's policies and procedures concerning Servicing Activities, including compliance with the applicable servicing standards contained in this Agreement.
3. In addition to items described in II.C.8 above, Servicer's periodic reviews of Tier One Third-Party Providers, which may be conducted remotely, shall include:
 - a. A review of the security of original loan documents maintained by the Third Party Provider;
 - b. A review and evaluation of Tier One Third-Party Providers' policies and procedures regarding the identification and investigation into root causes of any material deficiencies or issues relating to its performance of Servicing Activities, the remediation of any deficiencies or issues, and the disclosure of such information to Servicer.
 - c. A review of an appropriate sample of remediation provided by Tier One Third-Party Providers to ensure that consumer complaints have been adequately addressed.
4. Servicer shall require Tier One Third-Party Providers to notify Servicer of material deficiencies or issues relating to the performance of Servicing

Activities, and Servicer shall require Tier One Third-Party Providers to adequately address or correct any deficiencies or issues identified.

E. Restrictions and Oversight Duties Related to Affiliated Third-Party Providers.

Servicer shall not enter into a contractual relationship for Servicing Activities with a Third-Party Provider unless it is the result of an arm's-length transaction among unrelated entities or the associated fees do not exceed the lesser of (a) any fee limitation or allowable amount for the service under applicable state law, or (b) the market rate for the service. To determine the market rate, Servicer shall obtain annual market reviews of its affiliated Third-Party Provider's pricing for such services. Such market reviews shall be performed by a qualified, objective, independent third-party professional using procedures and standards generally accepted in the industry to yield accurate and reliable results and shall be provided to the Executive Committee by request. The independent third-party professional shall determine in its market survey the price charged by affiliated Third-Party Providers and charged by independent third-party providers. Arm's-length transaction means a transaction in which both parties are acting independently and in their own self-interest.

F. Additional Oversight of Activities by Third-Party Providers.

1. Servicer shall require a certification process for law firms (and recertification of existing law firm providers) that provide residential mortgage foreclosure and bankruptcy services for Servicer, on a periodic basis, as qualified to serve as a Third-Party Provider to Servicer, including that attorneys have the experience and competence necessary to perform the services requested, that attorneys are licensed to practice in the relevant jurisdiction, have the experience and competence necessary to perform the services requested, and that their services comply with applicable rules, regulations and applicable law (including state law prohibitions on fee splitting).
2. Servicer shall ensure that foreclosure and bankruptcy counsel and foreclosure trustees have an appropriate Servicer contact to assist in legal proceedings and to facilitate loss mitigation questions on behalf of the borrower.
3. Servicer shall adopt policies requiring Third-Party Providers to maintain records in accordance with applicable federal and state record retention requirements that identify all notarizations of Servicer documents executed by each notary employed by the Third-Party Provider.

G. Oversight of Activities by Fourth-Party Providers. Servicer shall require Third-Party Providers to notify Servicer when they retain vendors ("Fourth-Party Providers") to conduct Servicing Activities on behalf of Servicer. Servicer shall require Third-Party Providers to notify Servicer of any material deficiencies in the Servicing Activities provided by Fourth-Party Providers, of which a Third-Party Provider becomes aware as a result of audits or otherwise.

H. Additional Property Preservation Oversight and Obligations.

1. In addition to the oversight obligations described in this Section (II), Servicer shall also comply with the additional oversight and obligations specific to property preservation contained in this paragraph (II.H). As used in this paragraph (II.H) and paragraph III.C.5.m, the terms “Servicer” and “inspector” shall include Servicer or any provider who performs property preservation services on behalf of Servicer.
2. Servicer shall only inspect or secure a property when authorized to do so by the loan documents, investor guidelines, or law, unless expressly prohibited by law.
3. Servicer shall not remove personal property, or cause or allow the removal of personal property, unless the removal of personal property from the property is authorized by the borrower, a court order or otherwise authorized by applicable law, except that Servicer may remove personal property that is directly causing a health or infestation risk, such as rotting food.
4. Servicer shall only take possession of abandoned real property pursuant to applicable state law.
5. Servicer shall not order the securing of a property if the occupant or mortgagor has informed Servicer that the property is occupied or is being regularly maintained, unless Servicer obtains information subsequent to being informed that the property is being occupied or regularly maintained, causing Servicer to reasonably believe the property is now vacant or not being maintained. Servicer must document information causing Servicer to reasonably believe the property is now vacant or not being maintained.
6. Servicer shall not order a secure where its records indicate recent consumer communication that is inconsistent with vacancy, unless Servicer obtains information causing Servicer to reasonably believe the property has been vacant. Servicer must document any information causing Servicer to reasonably believe the property has been vacant. If the borrower has indicated within the past 30 days that he or she intends to maintain the property, including during the period between inspections, then Servicer must promptly notify the inspector (defined in paragraph II.H.1) of such findings and direct the inspector that no further property preservation activity shall occur at the property until Servicer has determined that the property is vacant based on an understanding of the facts that would resolve the conflict and would reasonably support a finding of vacancy. Servicer shall document in its records or its vendor’s records its understanding of the facts that would resolve the conflict and reasonably supports a finding of vacancy.
7. Servicer must comply with the following obligations and must obligate third parties who perform property preservation services on its behalf to follow these obligations by including these obligations in its contracts for property preservation services. These obligations shall apply to pre-REO properties:

- a. Servicer shall only secure property that it reasonably believes is vacant or is in unsecure condition based on at least two independent external inspections of the property, and Servicer may only enter and secure the property if the second inspection confirms that the factors demonstrating the property is vacant persist, unless Servicer obtains information causing Servicer to reasonably believe that waiting for a second inspection is likely to result in substantial harm to the property. Servicer must document any information causing Servicer to reasonably believe that waiting for a second inspection is likely to result in substantial harm to the property.
- b. When Servicer determines that a property is vacant, Servicer must affix a notice on the front door of the property (1) advising the occupant that Servicer has determined that the property is vacant, (2) stating the date of the inspection(s), (3) advising the occupant to call a 24-hour toll-free telephone number if that determination is incorrect, and (4) advising that Servicer may secure the property in three days unless the occupant contacts Servicer, or if notice follows the second inspection, advise the occupant that the property has been secured and that the occupant should call the 24-hour telephone number if the occupant is still residing in the property or has personal property in the property. This notice must include a statement in Spanish directing the occupant to call the inspector's 24-hour toll-free telephone number to report that the property is not abandoned or for more information.
- c. A determination that the property is vacant must be based on the good faith judgment of the inspectors, supported by objective factors which are documented by each inspector with date and time-stamped photographs, and a declaration of each inspector attesting to the factors giving rise to the determination. A drive-by inspection where the inspector does not exit his or her vehicle shall not constitute good faith, except in circumstances requiring no physical contact for personal safety reasons that are documented in Servicer's records or Servicer's vendor's records.
- d. Servicer shall not consider a property vacant if:
 - i. The occupant or mortgagor tells Servicer that the property is occupied or is being regularly maintained; provided that an occupant's or mortgagor's prior assertion that a property is being maintained will not prevent a property from being deemed vacant if, after such assertion is made, Servicer observes factors consistent with vacancy, and Servicer follows the procedures set forth in this Agreement; or
 - ii. The property contains such personal belongings that a reasonable person could not have determined the property to

be vacant, unless the occupant or mortgagor has informed Servicer that the property is vacant.

- e. Servicer shall require its property inspectors to record calls made to the 24-hour toll-free telephone number (unless prohibited by law) and to retain the recordings for a period of at least three years, along with any notes or other documentation relating to those calls.
- f. Servicer must ensure that inspectors have access to or are otherwise informed of any recent communication from an occupant of the property that may be inconsistent with vacancy.
- g. If Servicer secures a vacant or abandoned property, Servicer must promptly comply with any applicable law requiring registration of vacant or abandoned property.
- h. Servicer shall not winterize a property unless winterizing is reasonably necessary at the time of the secure to protect the property or is required by GSE or FHA guidelines.
- i. If an occupant notifies Servicer that the occupant has been locked out of the property, Servicer must make reasonable efforts to restore the occupant to exclusive access to the property within 24 hours. Servicer shall document in its records or its vendor's records the reasonable efforts undertaken to restore the occupant with exclusive access to the property.
- j. If an occupant contacts Servicer about a utility shut-off caused by Servicer, Servicer must make reasonable efforts to cause utility service to be restored within 24 hours. Servicer shall document in its records or its vendor's records the reasonable efforts undertaken to restore the occupant's utility services within 24 hours.
- k. If Servicer has removed personal property and an occupant subsequently requests the return of the personal property, Servicer shall return the personal property within three days, if the property is in Servicer's or its inspector's possession. If Servicer no longer has the personal property, Servicer shall reimburse the occupant for the reasonable replacement value of the personal property within 30 days of receipt of evidence reasonable to substantiate the personal property claimed. Servicer may request, but shall not require the occupant to provide photographs or receipts for the missing personal property, though Servicer may request that the occupant provide a list itemizing and valuing the missing property, along with an affidavit. Nothing in this paragraph shall obligate Servicer to reimburse the occupant if Servicer was authorized to remove the personal property by a court order or other applicable law, or if Servicer removed the personal property because it was directly causing a health or infestation risk that Servicer has documented with photographs.

- l. Servicer shall not incentivize inspectors to deem a property vacant when, in fact, the property is occupied. Nor shall Servicer incentivize or prioritize speed over accuracy in making vacancy determinations or securing property.
- m. Servicer shall not penalize or disincentivize inspectors from determining that a property is not vacant. Determining that a property is not vacant shall be given the same score or weight as determining that a property is vacant for the purpose of evaluating performance and assigning priority for future work orders.
- n. Servicer shall provide inspectors with a unique lock box code for each property to be secured.
- o. Servicer shall implement written policies and procedures that prohibit inspectors from harassing occupants, threatening occupants with dispossession, or otherwise violating the applicable law relating to the property rights of occupants. Servicer must require that inspectors are trained in these policies and procedures, and Servicer must require that inspectors are trained in the applicable law relating to the property rights of occupants. Servicer shall or shall cause any property preservation vendor to take appropriate disciplinary action, including termination, if an inspector violates these policies or procedures. Servicer shall require that the training described in this paragraph shall occur upon hire of the inspector and shall be repeated no less than annually.
- p. Credible consumer complaints and the accuracy of vacancy determinations shall factor into Servicer's evaluation of inspectors and any other tool that determines the amount, frequency, or priority of future work orders. Servicer shall maintain in its records the score cards and other tools used to evaluate inspectors, including records relating to the consumer complaints and the accuracy of vacancy determinations that factored into each evaluation. Servicer shall evaluate inspectors in accordance with this paragraph on at least a monthly basis.
- q. Servicer shall implement written policies and procedures that prohibit inspectors from harassing tenants, threatening tenants with dispossession, or otherwise violating the applicable law relating to the property rights of tenants. Servicer must require that inspectors are trained in these policies and procedures, and Servicer must require that inspectors are trained in the applicable law relating to the property rights of tenants. Servicer shall take or cause its property preservation vendor to take appropriate disciplinary action, including termination, if an inspector violates these policies or procedures. Servicer shall not secure property that is occupied by tenants, and the obligations of Servicer with respect to "occupants" as described in this paragraph (II.H) shall apply to tenants. Servicer

shall require that the training described in this paragraph shall occur upon hire of the inspector and shall be repeated no less than annually.

8. For REO properties, Servicer must comply with the following obligations:
 - a. Once a property changes from a pre-REO status to a REO status, Servicer shall not remove any personal property except where permitted by law.
 - b. Servicer shall make reasonable efforts to determine whether the property is occupied by tenants. Servicer must document the reasonable efforts undertaken to make this determination. Servicer shall not secure or remove personal property from a property that is occupied by tenants unless and until Servicer has obtained an order of possession against the tenants, or the securing, eviction, or removal of personal property is otherwise authorized by law.
 - c. Servicer shall implement written policies and procedures that prohibit inspectors (including, but not limited to, real estate agents or any other representative used with respect to REO property) from harassing tenants, threatening tenants with dispossession, or otherwise violating the applicable law relating to the property rights of tenants. Servicer must ensure that inspectors are trained in these policies and procedures, and Servicer must ensure that inspectors are trained in the applicable law relating to the property rights of tenants. Servicer shall take or shall cause its property preservation vendor to take appropriate disciplinary action, including termination, if an inspector violates these policies or procedures. Servicer shall require that the training described in this paragraph shall occur upon hire of the inspector and shall be repeated no less than annually.

III. LOSS MITIGATION.

These requirements are intended to apply to both government-sponsored and proprietary loss mitigation programs and shall apply to subservicers performing loss mitigation services on Servicer's behalf. Loss mitigation application means an oral or written request for a loss mitigation option that is accompanied by any information required by the Servicer for evaluation for a loss mitigation option. Loss mitigation option means an alternative to foreclosure offered by the owner or assignee of a mortgage loan that is made available through the Servicer to the borrower.

- A. Loan Modification Requirements.
 1. Servicer shall offer and facilitate loan modifications for borrowers rather than initiate foreclosure when such loan modifications for which they are eligible meet investor, guarantor, insurer, and program requirements.
 2. Servicer shall, after receiving the final trial period payment, promptly send by written means a final modification agreement to borrowers who have enrolled in a trial period plan and who have made the required number of

timely trial period payments, where the modification is underwritten prior to the trial period and has received any necessary investor, guarantor, or insurer approvals. The borrower shall then be converted by Servicer to a permanent modification upon execution of the final modification documents, consistent with applicable program guidelines, absent evidence of fraud.

3. Servicer shall ensure that a borrower's permanent modification principal and interest payment is substantially the same as the borrower's trial period principal and interest payment, except in limited instances in which the payment change is reasonable and warranted to permit the permanent modification to proceed.

B. Dual Track Restricted.

1. If, after an eligible borrower has been referred to foreclosure, Servicer receives a complete loss mitigation application (as defined by paragraph III.F.1) from the borrower more than 37 days before a scheduled foreclosure sale, then while such loss mitigation application is pending, Servicer shall not move for foreclosure judgment or order of sale (or, if a motion has already been filed, shall take reasonable steps to avoid a ruling on such motion), or conduct a foreclosure sale. If Servicer offers the borrower a loan modification based on that application, Servicer shall not move for judgment or order of sale (or, if a motion has already been filed, shall take reasonable steps to avoid a ruling on such motion), or seek a foreclosure sale until the earlier of (a) 14 days after the date of the related offer of a loan modification; or (b) the date the borrower declines the loan modification offer. If the borrower accepts the loan modification offer within 14 days after the date of the related offer of loan modification, Servicer shall continue this delay until the borrower fails to perform under the loss mitigation agreement.
2. If the loan modification requested by a borrower described in paragraph III.B.1 is denied, then, except when otherwise required by federal or state law or investor directives, if borrower is entitled to an appeal under paragraph III.G, Servicer will not proceed to a foreclosure sale until the later of (if applicable):
 - a. Expiration of the 14-day appeal period; or
 - b. If the borrower appeals the denial, until the later of (if applicable) (i) if Servicer denies borrower's appeal, 15 days after the letter denying the appeal, (ii) if Servicer sends borrower a letter granting his or her appeal and offering a loan modification, 14 days after the date of such offer, (iii) if the borrower timely accepts the loan modification offer (verbally, in writing (including e-mail responses), or by making the first trial period payment), after the failure of Servicer timely to receive the first trial period payment, or (iv) if Servicer timely receives the first trial period payment, after the borrower breaches the trial plan.

3. If, after an eligible borrower has been referred to foreclosure, Servicer receives a complete loan modification application within 37 to 15 days before a scheduled foreclosure sale, then Servicer shall conduct an expedited review of the borrower's application and, if the borrower is extended a loan modification offer, Servicer shall postpone any foreclosure sale until the earlier of (a) 14 days after the date of the related evaluation notice; or (b) the date the borrower declines the loan modification offer. If the borrower timely accepts the loan modification offer based on that application, Servicer shall delay the foreclosure sale until the borrower fails to perform under the loss mitigation agreement.
4. If, after an eligible borrower has been referred to foreclosure, Servicer receives a complete loan modification application less than 15 days and more than 5 days before a scheduled foreclosure sale, Servicer must notify the borrower before the foreclosure sale date as to Servicer's determination (if its review was completed) or inability to complete its review of the loan modification application. If Servicer makes a loan modification offer to the borrower based on that application, then Servicer shall postpone any sale until the earlier of (a) 14 days after the date of the related evaluation notice; or (b) the date the borrower declines the loan modification offer. If the borrower timely accepts a loan modification offer based on that application, Servicer shall delay the foreclosure sale until the borrower fails to perform under the loss mitigation agreement.
5. For purposes of paragraph III.B.1, Servicer shall not be responsible for failing to obtain a delay in a ruling on a judgment, a motion for judgment, or a delay in foreclosure sale date, if Servicer made a request for such delay, pursuant to any state or local law, court rule, or customary practice, and such request was not approved. Notwithstanding the above, where Servicer or counsel retained by Servicer fails to make a request for a delay in ruling on a judgment or a motion for judgment pursuant to any state or local law, or customary practice, the Servicer must dismiss the foreclosure proceeding if necessary to avoid the sale.
6. Servicer shall not move to judgment or order of sale or proceed with a foreclosure sale under any of the following circumstances:
 - a. The borrower is in compliance with the terms of a trial loan modification, forbearance, or repayment plan;
 - b. The borrower has been approved by Servicer to participate in a short sale, the borrower has an offer, and the property is in an auction period; or
 - c. A short sale or deed-in-lieu of foreclosure has been approved by all parties (including, for example, first lien investor, junior lien holder and mortgage insurer, as applicable).
7. If Servicer offers the borrower a loan modification that is not based upon receipt of a complete loan modification application submitted by the

borrower, Servicer shall not proceed with foreclosure sale until the time for the borrower to accept or reject the loan modification offer has expired, which in no event shall be less than 14 days.

8. In non-judicial foreclosures, if a foreclosure or trustee's sale is continued (rather than cancelled) to provide time to evaluate loss mitigation options, Servicer or Servicer's counsel shall promptly notify borrower by written means of the new date of sale.
9. Servicer shall ensure timely and accurate communication of or access to relevant loss mitigation status and changes in status to its foreclosure attorneys, bankruptcy attorneys, and foreclosure trustees and, where applicable, to court-mandated mediators.

C. Single Point of Contact.

1. Servicer shall establish an easily accessible and reliable single point of contact for each potentially-eligible first lien mortgage borrower so that the borrower has access to an employee of Servicer to communicate through verbal means throughout the loss mitigation, loan modification, and foreclosure processes. For purposes of this Agreement, single point of contact ("SPOC") means an individual who has the ability and authority to perform the responsibilities described in this paragraph (III.C).
2. Servicer shall identify the SPOC to the borrower within five business days after a potentially eligible borrower requests loss mitigation assistance by written means. Servicer shall provide one or more direct means of communication with the SPOC on loss mitigation-related correspondence with the borrower. Servicer shall within five business days provide updated contact information to the borrower if the designated SPOC is reassigned or no longer employed by Servicer, or otherwise not able to act as the primary point of contact.
3. The SPOC shall have primary responsibility for:
 - a. Communicating the options available to the borrower, the actions the borrower must take to be considered for these options, and the status of Servicer's evaluation of the borrower for these options;
 - b. Coordinating receipt of all documents associated with loan modification or loss mitigation activities;
 - c. Being knowledgeable about the borrower's situation and current status in the delinquency/imminent default resolution process; and
 - d. Ensuring that communications with borrowers are properly documented in Servicer's records, including sufficient information to identify the SPOC or representative who communicated with the borrower, and the date each communication took place.
4. The SPOC shall provide the following services to borrowers, as applicable:

- a. Contact the borrower in writing and make a reasonable effort to speak to the borrower by telephone to introduce himself/herself as the borrower's SPOC, unless prohibited;
 - b. Explain programs for which the borrower is eligible;
 - c. Explain the requirements of the programs for which the borrower is eligible;
 - d. Explain program documentation requirements;
 - e. Provide basic information about the status of borrower's account, including pending loan modification applications, other loss mitigation alternatives, and foreclosure activity;
 - f. Notify borrower of missing documents and provide an address or electronic means for submission of documents by borrower in order to complete the loan modification application;
 - g. Communicate Servicer's decision regarding loan modification applications and other loss mitigation options to borrower in writing;
 - h. Inform the borrower about pursuing appropriate alternative non-foreclosure options upon the denial of a loan modification, and assist the borrower if he or she expresses interest in these options;
 - i. If a loan modification is approved, call and make a reasonable effort to speak with the borrower (unless prohibited) to explain the program;
 - j. Provide information regarding credit counseling where necessary;
 - k. Assist the borrower to clear any internal processing requirements;
 - l. Have access to individuals with the ability to stop foreclosure proceedings when necessary to comply this Agreement, or any other legal requirement; and
 - m. Inquire as to whether the borrower is occupying the property, and if not whether the borrower intends to maintain the property, and record a borrower's occupancy or intention to maintain the property in Servicer's records in order to inform the property inspection process.
5. The SPOC shall remain assigned to borrower's account and available to borrower until such time as Servicer determines in good faith that all loss mitigation options have been exhausted, borrower's account becomes current or, in the case of a borrower in bankruptcy, the borrower has exhausted all loss mitigation options for which the borrower is potentially eligible and has applied.
 6. Servicer shall ensure that a SPOC can refer and transfer a borrower to an appropriate supervisor upon request of the borrower.

7. Servicer shall ensure that relevant records relating to borrower's account are promptly available to the borrower's SPOC, so that the SPOC can timely, adequately, and accurately inform the borrower of the current status of loss mitigation, loan modification, and foreclosure activities.
8. Servicer shall designate one or more management level employees to be the primary contact for the state Attorneys General, state financial regulators, and federal regulators for communication regarding complaints and inquiries from individual borrowers. Servicer shall provide a written acknowledgment to all such inquiries within five business days. Servicer shall provide a substantive written response to all such inquiries within the earlier of 30 days or the time frame prescribed in the complaint or inquiry. Servicer shall provide relevant loan information to borrower and to state Attorneys General, state financial regulators, and federal regulators upon written request and if properly authorized. A written complaint filed by a borrower and forwarded by a state Attorney General or financial regulatory agency to Servicer shall be deemed to have proper authorization.

D. Loss Mitigation Communications with Borrowers.

1. No later than the 36th day of delinquency, Servicer shall conduct affirmative outreach efforts to inform delinquent borrowers of loss mitigation options. Servicer shall disclose and provide accurate information to borrowers relating to the qualification process and eligibility factors for loss mitigation programs. The use by Servicer of nothing more than prerecorded automatic messages in loss mitigation communications with borrowers shall not be sufficient in those instances in which it fails to result in contact between the borrower and one of Servicer's loss mitigation specialists. The foregoing notwithstanding, Servicer is exempt from this requirement for borrowers who are debtors in bankruptcy under Title 11 of the United States Code.
2. Servicer shall communicate, at the written request of the borrower, with the borrower's authorized representatives, including housing counselors. Servicer shall communicate with representatives from state Attorneys General and financial regulatory agencies acting upon a written complaint filed by the borrower and forwarded by the state Attorney General or financial regulatory agency to Servicer. When responding to the borrower regarding such complaint, Servicer shall include the applicable state Attorney General or financial regulatory agency on all correspondence with the borrower regarding such complaint, unless otherwise requested by the government representative.
3. Servicer shall cease all collection efforts (including acceleration notices, notices of default, pre-foreclosure notices required by state law, and referrals to foreclosure) while the borrower is making timely payments under a trial loan modification, and will cease collection calls when a borrower has submitted a complete loan modification application, and a modification decision is pending. While a borrower is making timely trial loan modification payments or while a modification decision is pending,

Servicer may send the borrower monthly billing statements, certain loss mitigation solicitation letters (in circumstances in which an alternate loss mitigation option becomes available and the alternate option may be appropriate for the borrower), and other notices required by investors and by state and federal law (except as prohibited above), and Servicer may contact the borrower to gather required loss mitigation documentation or to assist the borrower with performance under a trial loan modification plan (including outbound calls by a SPOC).

4. As indicated in paragraph I.A.8, Servicer (including any attorney or trustee conducting foreclosure proceedings at the direction of Servicer) shall send a written communication to the borrower that includes clear language that:
 - a. In some instances the borrower may still be able to be evaluated for alternatives to foreclosure by submitting a loss mitigation application to Servicer; and
 - b. Provides Servicer's contact information for requesting a loss mitigation application package and for submitting a complete loss mitigation application, including Servicer's toll-free telephone number.

E. Development of Loan Portals for use by Qualified Housing Counseling Agencies.

1. Servicer shall have an online portal for communication with qualified housing counseling agencies working on behalf of borrowers.
2. Servicer shall have a portal that will, among other things:
 - a. Enable documents to be submitted electronically;
 - b. Provide a response that documents submitted were received;
 - c. Provide information and eligibility factors for proprietary loan modification and other loss mitigation programs; and
 - d. Permit Servicer to communicate with qualified housing counselors on behalf of borrowers to satisfy any written communications required to be provided by Servicer, if borrower documents have been submitted electronically by a qualified housing counselor.
3. Servicer shall update the status of each pending loan modification on these portals at least every 10 business days and ensure that each portal is updated on such a schedule as to maintain consistency.

F. Loss Mitigation Timelines.

1. If Servicer receives a partial loss mitigation application from the borrower more than 37 days before a scheduled foreclosure sale, Servicer shall notify the borrower in writing of any known deficiency in the borrower's loss mitigation application, no later than five business days after receipt, including any missing information or documentation required for the loss mitigation application to be considered complete.

2. If Servicer receives a partial loss mitigation application from the borrower more than 15 days but 37 days or fewer before a scheduled foreclosure sale, Servicer shall use best efforts to notify the borrower of any known deficiency in the borrower's loss mitigation application, including any missing information or documentation required for the loss mitigation application to be considered complete.
3. For purposes of this Agreement, a complete loss mitigation application means an application in connection with which Servicer has received all the information that Servicer requires from the borrower in evaluating applications for the loss mitigation options available to the borrower. Servicer shall exercise reasonable diligence in obtaining documents and information to complete a loss mitigation application.
4. Subject to III.B, whenever Servicer notifies the borrower in writing of any deficiency in a loss mitigation application, Servicer shall afford borrower 30 days from the date of Servicer's notification of any missing information or documentation to supplement borrower's submission of information prior to making a determination on whether or not to offer a loss mitigation option. Notwithstanding the above, Servicer may afford borrower less than 30 days if foreclosure, referral, judgment, or sale is scheduled to occur within 30 days. In these cases, Servicer must include a reasonable date by which the borrower must submit the documents and information necessary to make the loss mitigation application complete. A reasonable date must never be less than seven days from the date on which Servicer provides the written notice.
5. Within five business days of receiving a borrower's complete loss mitigation application, Servicer shall notify the borrower by written means when a loss mitigation application is complete. The notice of complete application must inform the borrower the date Servicer received the complete application. This provision shall not apply to loss mitigation applications received within 15 days of the foreclosure sale date.
6. Subject to III.B, Servicer shall review the complete loss mitigation application submitted by borrower and shall determine the disposition of borrower's loss mitigation application no later than 30 days after receipt of the complete loss mitigation application.
7. Subject to III.B, Servicer shall provide the borrower with an approval notice in writing stating Servicer's determination of which loss mitigation options, if any, it will offer to the borrower on behalf of the owner or assignee of the mortgage within 30 days of receiving the borrower's complete loss mitigation application.
8. Except when evaluated as provided in paragraphs III.B.3 or III.B.4, Servicer's denial of an eligible borrower's request for a first lien loan modification following the submission of a complete loan modification application shall be subject to an independent evaluation. Such evaluation

shall be performed by an independent entity or a different employee who has not been involved with the particular loan modification.

9. Subject to III.B, when a loss mitigation application is denied (after the independent evaluation in paragraph III.F.6 of this Agreement is performed), Servicer shall send a written non-approval notice to the borrower within 30 days of receiving the borrowers complete loss mitigation application. Servicer shall identify in this non-approval notice the reasons for denial and the factual information considered. The notice shall further inform a borrower that is eligible to appeal the decision, pursuant to paragraph III.G.1 of this Agreement, that he or she has 14 days from the date of the written non-approval notice to provide evidence that the eligibility determination was in error. If a loan modification application is denied because it is disallowed by an investor, Servicer shall disclose in the written non-approval notice the name of the investor and summarize the reasons for the investor's denial. For those cases where a loan modification application denial is the result of a loan-to-value ("LTV") calculation, Servicer shall provide in the written non-approval notice the monthly gross income and property value used in the calculation.
10. Servicer shall allow properly submitted borrower financials to be used for 90 days from the date on the documents, unless Servicer learns that there has been a material change in financial circumstances or unless investor requirements mandate a shorter time frame.
11. Servicer shall not make the first notice or filing required by applicable law for any judicial or non-judicial foreclosure process unless a borrower's mortgage loan obligation is more than 120 days delinquent. Notwithstanding this requirement, Servicer may initiate foreclosure when a borrower has abandoned or surrendered the property.

G. Appeal Process.

1. After the mandatory review in paragraph III.F.8 has been completed and Servicer has issued the written non-approval notice, borrowers shall have 14 days to request an appeal and obtain an independent review of the loan modification denial in accordance with the terms of this Agreement. Servicer shall document a borrower's request for an appeal in its records. Servicer shall further ensure that the borrower has 14 days from the date of the written non-approval notice to provide information as to why Servicer's denial of the loan modification application was in error.
2. For those cases in which the first lien loan modification denial is the result of an LTV calculation, the written non-approval notice must advise the borrower that if a borrower disagrees with the property value used by Servicer in the LTV test, the borrower can request (within 14 days of the denial notice) that Servicer obtain a full appraisal of the property by an independent licensed appraiser at the borrower's expense. Servicer shall document a borrower's request of a full appraisal of the property by an independent licensed appraiser in its system of record, and may require the

borrower to pay for the appraisal in advance. Upon receipt of the appraisal, Servicer must perform a final LTV re-evaluation using the appraised value and any other LTV input values materially disputed by the borrower. Servicer must provide the final LTV outcome and input values to the borrower in the final disposition letters described in paragraphs III.G.3 and III.G.4, below.

3. Servicer shall review the information submitted by borrower and use its best efforts to communicate the disposition of borrower's appeal to borrower by written means no later than 30 days after receipt of the information.
4. If Servicer denies borrower's appeal, Servicer's appeal denial letter shall include a description of other available loss mitigation options, including, but not limited to, short sales and deeds in lieu of foreclosure.

H. General Loss Mitigation Requirements.

1. Servicer shall maintain adequate staffing and systems for tracking borrower documents and information that are relevant to foreclosure, loss mitigation, and other Servicer operations. Servicer shall make periodic assessments to ensure that its staffing and systems are adequate.
2. Servicer shall maintain adequate staffing and caseload limits for SPOCs and employees responsible for handling foreclosure, loss mitigation, and related communications with borrowers and housing counselors. Servicer shall make periodic assessments to ensure that its staffing and systems are adequate.
3. Servicer shall establish reasonable minimum experience, educational, and training requirements for loss mitigation staff.
4. Servicer shall document electronically key actions taken on a foreclosure, loan modification, or other loss mitigation relief, bankruptcy, or other servicing file, including communications with the borrower.
5. Servicer shall not adopt compensation arrangements for its employees that encourage foreclosure over loss mitigation alternatives.
6. Servicer shall not make inaccurate payment delinquency reports to credit reporting agencies when the borrower is making timely reduced payments pursuant to a trial or other loan modification agreement. Servicer shall provide the borrower, prior to entering into a trial loan modification, with clear and conspicuous written information that adverse credit reporting consequences may result from the borrower making reduced payments during the trial period.
7. Servicer shall ensure that all loan modifications be in writing. Where Servicer grants a loan modification, Servicer shall provide borrower with a copy of the fully executed loan modification agreement within 45 days of receipt of the executed copy from the borrower. Servicer shall not instruct, advise, or recommend that borrowers go into default in order to qualify for loss mitigation relief.

8. Servicer shall not discourage borrowers from working or communicating with legitimate non-profit housing counseling services.
9. Servicer shall not, in the ordinary course, require a borrower to waive or release claims and defenses as a condition of approval for a loan modification program or other loss mitigation relief. However, nothing herein shall preclude Servicer from requiring a waiver or release of claims and defenses with respect to a loan modification offered in connection with the resolution of a contested claim, when the borrower would not otherwise be qualified for the loan modification under existing Servicer programs.
10. Servicer shall not charge a borrower an application fee in connection with a request for a loan modification. Servicer shall provide the borrower with a means to submit a loan modification application free of charge.
11. Notwithstanding any other provision of this Agreement, and to minimize the risk of borrowers submitting multiple loss mitigation requests for the purpose of delay, Servicer shall not be obligated to evaluate requests for loss mitigation options if the borrower has not been current on his or her loan at any time since submitting a prior complete loss mitigation application, provided that Servicer previously complied with the requirements of 12 C.F.R. § 1024.41 in evaluating the previous application submitted by the borrower. Servicer's evaluation of a borrower for a loan modification program that was not based on evaluation of a complete loss mitigation application submitted by the borrower shall not constitute a previous evaluation for the purposes of this paragraph.
12. A borrower's prior chapter 7 discharge should not impact his or her eligibility for loss mitigation.
13. Successors in Interest.
 - a. For purposes of this paragraph (III.H.13), Successor in Interest means a person to whom an ownership interest in a property securing a mortgage loan subject to this Agreement is transferred from a borrower, provided that the transfer is:
 - i. A transfer by devise, descent, or operation of law on the death of a joint tenant or tenant by the entirety;
 - ii. A transfer to a relative resulting from the death of a borrower;
 - iii. A transfer where the spouse or children of the borrower become an owner of the property;
 - iv. A transfer resulting from a decree of a dissolution of marriage, legal separation agreement, or from an incidental property settlement agreement, by which the spouse of the borrower becomes an owner of the property; or
 - v. A transfer into an inter vivos trust in which the borrower is and remains a beneficiary and which does not relate to a transfer of rights of occupancy in the property.

- b. All of the mortgage servicing standards in this Agreement shall apply to Confirmed Successors in Interest. For purposes of this paragraph (III.H.13), a Confirmed Successor in Interest means a Successor in Interest once the Servicer has confirmed the Successor in Interest's identity and ownership interest in a property that secures a mortgage loan subject to this Agreement.
 - c. Servicer shall implement policies and procedures that are reasonably designed to ensure Servicer can promptly identify and facilitate communications with a potential Successor in Interest upon notification of the death of a borrower or another transfer of a property securing a mortgage loan.
 - d. Upon receipt of a loss mitigation application from a potential Successor in Interest or a written request from a potential Successor in Interest that includes the name of the prior borrower and information that enables Servicer to identify the borrower's mortgage loan account, Servicer shall promptly send a written notice to the potential Successor in Interest with a description of the documents Servicer requires in order to confirm that the requestor is a Successor in Interest in the property.
 - e. Servicer's request for documentation shall be reasonable and shall be tailored to the specific type of transfer that gives rise to the Successor in Interest's ownership interest.
 - f. Upon receipt of all documents requested by Servicer, Servicer shall send a written notice confirming or denying the requestor's status as a Successor in Interest or identifying any additional documents that are required within 10 business days.
 - g. Servicer may condition the offer of a loan modification to a Confirmed Successor in Interest upon assumption of the loan.
14. Servicer shall treat government benefits as a legitimate source of income for the purposes of evaluating borrowers for loan modification options and shall not require additional information regarding the manner in which the government benefits are used by borrowers.

I. Proprietary Loan Modifications.

- 1. Servicer shall make the following information available on a publicly-accessible website:
 - a. Information on its qualification processes for a loan modification;
 - b. Required documentation for a loan modification;
 - c. Information necessary for a complete loan modification application; and
 - d. Key eligibility factors for loan modifications.

2. Servicer shall design proprietary loan modification programs that are intended to help defaulted customers remain in their homes, subject to investor guidelines.
3. Servicer shall design these programs with the intent of providing sustainable and affordable monthly payments for borrowers needing long term or permanent assistance.
4. If Servicer capitalizes any arrearages, fees, or costs as part of a proprietary loan modification offer, Servicer shall send the borrower simultaneous with the trial plan the categories and estimated amounts of the capitalized arrearages, fees, and costs. Servicer may indicate that the estimated amounts may change between the trial plan and the permanent modification offer.
5. Servicer shall track outcomes and maintain records regarding characteristics and performance of proprietary first lien loan modifications.
6. Servicer shall not charge any application or processing fees for proprietary first lien loan modifications.
7. Servicer shall not demand a lump sum payment as a prerequisite to evaluation for, or the granting of, a proprietary loan modification, unless specifically required by investor guidelines.

J. Short Sales.

1. General Provisions.
 - a. Servicer shall make publicly available information on general requirements for the short sale process.
 - b. Servicer shall consider appropriate monetary incentives to underwater borrowers to facilitate short sale options.
 - c. Servicer shall assist a borrower who is interested in a short sale to list their property and begin the short sale evaluation process.
 - d. When Servicer receives a short sale application, Servicer shall send a notice to the borrower within 30 days of receiving the short sale application that includes basic information about the short sale process, states that Servicer will waive any deficiency amount resulting from a short sale and will not sell any deficiency amount to a third party, subject to investor requirements, and that the borrower should consult his or her tax advisor regarding possible tax consequences.
 - e. If the short sale request is accepted, Servicer shall contemporaneously notify the borrower whether a deficiency payment or related cash contribution will be required and the approximate amount of that deficiency, if such deficiency obligation is permitted by applicable law.

- f. If Servicer waives a deficiency claim, it shall not sell or transfer such claim to a third-party debt collector or debt buyer for collection.
 - g. If the short sale request is denied, Servicer shall provide reasons for the denial in the written notice.
2. Provisions Related to the Use of Auction Websites for Short Sales.
- a. Servicer shall inform borrowers in the short sale process about specific requirements related to the use of auction websites for short sales, including:
 - i. Whether the use of an auction website for short sales is required or optional for the loans which are eligible for the auction program; and
 - ii. A description of the auction process, including:
 - (a) The maximum length of time during which the property will be listed on an auction website;
 - (b) A breakdown of all fees charged by either Servicer or its third party provider during the auction process, including a breakout of which party to the transaction is required to pay the fee and the circumstances, if any, under which a fee will be waived; and
 - (c) A description of how participation in the program may impact a borrower's eligibility for other loss mitigation options such as a traditional short sale or deed in lieu of foreclosure.
 - b. Where the borrower has submitted a short sale offer to Servicer, Servicer must conclude its evaluation of the short sale offer within 30 days of receiving all information from the borrower needed to evaluate the offer. Servicer's decision to list the property on an auction website subsequent to its receipt of an offer submitted by the borrower shall not extend Servicer's obligation to timely conclude its evaluation of the short sale offer submitted by the borrower.
 - c. Servicer shall permit the borrower to remove the property from Servicer's selected auction program website for any reason and at any time without cost to the borrower.
 - d. A borrower's decision to remove the property from the auction program shall not impact the borrower's eligibility for loss mitigation options other than short sale.
 - e. If the auction does not result in a short sale, Servicer shall continue to evaluate the borrower for a traditional short sale; and
 - f. For borrowers that are required to list their property at an auction website, Servicer shall waive inspection fees and late fees that accrue during the pendency of the auction program.

K. Transfer of Servicing of Loans.

1. This paragraph (III.K) shall apply to all sales or transfers of servicing, including subservicing.
2. Ordinary Transfer of Servicing from Servicer to Successor Servicer or Subservicer.
 - a. At the time of transfer or sale, Servicer shall inform the successor servicer whether a loss mitigation application is pending.
 - b. Any contract for the transfer or sale of servicing rights entered into by Servicer shall obligate the successor servicer to accept and continue processing pending loss mitigation applications.
 - c. Any contract for the transfer or sale of servicing rights entered into by Servicer shall obligate the successor servicer to honor trial and permanent loan modification agreements or other types of loss mitigation agreements entered into by the prior servicer.
3. Transfer of Servicing to Servicer.
 - a. Servicer must accept and continue to process pending loss mitigation applications from the prior servicer.
 - i. Servicer must process pending loss mitigation applications upon the same time frames that applied to the transferor servicer prior to the transfer, except in the following situations:
 - (a) If the transferor servicer received a loss mitigation application but had not yet sent the borrower a letter either confirming that the application is complete or identifying missing documents or information, Servicer must send such a letter within 10 days of the transfer date.
 - (b) If the transferor servicer received a complete loss mitigation application but had not yet completed its evaluation, Servicer must complete the loss mitigation evaluation within 30 days of the transfer date.
 - ii. Servicer may not attempt to obtain from the borrower any missing information or documents that were previously submitted by the borrower to the transferor servicer, without first contacting the transferor servicer to attempt to obtain the missing information or documents.
 - iii. If the transferor servicer denied the loss mitigation application prior to the transfer, Servicer must ensure that the borrower receives 14 days to appeal the denial before taking any adverse action against the borrower. If there is a

pending appeal at the time of the transfer, or if an appeal is made after the transfer date, the Servicer must make a determination within 30 days of the transfer date or within 30 days of the date the borrower made the appeal, whichever is later. If Servicer is unable to make a determination as to the appeal, Servicer must treat the borrower's application as a pending complete application and evaluate it within 30 days of the transfer date or within 30 days of the date the borrower made the appeal, whichever is later.

- iv. Where Servicer identifies documents or information indicating that a loss mitigation application was pending on a loan within 60 days of transfer, including where loan file data indicates that such an application was pending, or where a borrower indicates the same, and Servicer lacks clear written evidence of a loss mitigation denial by the transferor servicer, Servicer shall take all reasonable steps to obtain documents that may not have been transferred or confirmation from the transferor servicer concerning the status of any loss mitigation activity or review of a loss mitigation request and shall:
 - (a) Where the transferor servicer's review was not complete, complete the review of the borrower's prior loss mitigation request, after notifying the borrower of any necessary information missing from such application, and afford the borrower an opportunity to have the loss mitigation request reviewed through the independent evaluation and appeal process under paragraphs III.F.6 and III.G; or
 - (b) Provide the borrower a written denial notice, in compliance with paragraph III.F.7, and provide the borrower 14 days to request an appeal of a loan modification denial under paragraph III.G.
- b. Servicer must honor trial and permanent loan modification agreements entered into by the prior servicer.
 - i. If the transferor servicer extended a trial or permanent loan modification offer to the borrower, Servicer must ensure that the borrower has had at least 14 days to accept or reject the offer before taking any adverse action against the borrower.
 - ii. If Servicer does not have evidence of a loan modification offer or agreement from the transferring servicer, but the borrower provides a copy of a loan modification offer or agreement, and the borrower has complied in good faith with the terms of that offer or agreement, that shall be deemed evidence of a loan modification offer or agreement. A

borrower making payments that conform to the payment terms of the offer shall be deemed to be the borrower's good faith compliance with the terms of the offer or agreement. However, if Servicer reasonably suspects potential fraud on the part of the borrower or their authorized agent, it may perform additional due diligence to confirm the validity of the loan modification offer or agreement, which shall include, but is not limited to, reasonable diligence in contacting the prior servicer before agreeing to honor the offer or agreement.

- iii. Servicer must ensure that trial period payments, including those received by the prior servicer, are applied in accordance with the trial period plan.
 - iv. Servicer must ensure that post-modification payments, including those received by the prior servicer, are applied in accordance with the modified loan documents.
- c. Within 15 days after the transfer, Servicer must send a written notice to the borrower that contains the following items:
- i. The effective date of transfer of the servicing;
 - ii. The name, address, and a collect call or toll-free telephone number for an employee or department of the transferee servicer that can be contacted by the borrower to obtain answers to servicing transfer inquiries;
 - iii. The name, address, and a collect call or toll-free telephone number for an employee or department of the transferor servicer that can be contacted by the borrower to answer inquiries relating to the transfer of servicing;
 - iv. The date on which the transferor servicer will cease to accept payments relating to the loan and the date on which the transferee servicer will begin to accept such payments. These dates shall either be the same or consecutive days;
 - v. Whether the transfer will affect the terms or the continued availability of mortgage life or disability insurance, or any other type of optional insurance, and any action the borrower must take to maintain such coverage;
 - vi. A statement that the servicing transfer does not affect any term or condition of the security instrument other than terms directly related to the servicing of such loan;
 - vii. A statement as to whether the loan was current or delinquent at transfer according to the records received by Servicer, the date for which the loan is due, and the total amount of the unpaid principal balance;

- viii. If there is an escrow account, Servicer must provide the escrow account balance according to the records received by Servicer;
 - ix. If there is a suspense account, Servicer must provide a brief explanation of what a suspense account is, and Servicer must provide the suspense account balance;
 - x. If Servicer is aware that there is a pending loss mitigation application or pending trial plan, Servicer must acknowledge that there is a pending application, that a review for a permanent payment solution is in process, and that Servicer will contact the borrower within 30 days of transfer; and
 - xi. A notice that if there is a pending trial plan, the borrower must continue to make trial modification payments addressed to Servicer.
- d. For the 60 days before and after the date of the transfer of servicing of any mortgage loan, if the transferor servicer (rather than the transferee Servicer that should properly receive payment on the loan) received payment on or before the applicable due date (including any grace period allowed under the mortgage loan instruments), a payment may not be treated as late for any purpose.
- i. Servicer shall not charge or collect a late fee for any such payment.
 - ii. Servicer must report any such payment as a timely made payment to credit reporting agencies, and Servicer shall not provide any adverse information about any such payment to credit reporting agencies.
- e. Servicer shall not commence, refer to, or proceed with foreclosure until Servicer has satisfied all requirements under paragraphs III.K.3.a and III.K.3.b.

IV. PROTECTIONS FOR MILITARY PERSONNEL.

- A. When a borrower states that he or she is or was within the preceding one year (or the then applicable statutory period under the Servicemembers Civil Relief Act (“SCRA”), 50 U.S.C. § 3901 *et seq.*) in active military service or has received and is subject to military orders requiring him or her to commence active military service, Servicer shall continue to determine whether the borrower may be eligible for the protections of the SCRA or for the protections of the provisions of paragraph IV.E. If Servicer determines the borrower is so eligible, Servicer shall continue to, until Servicer determines that such borrower is no longer protected by the SCRA,
- 1. If such borrower is not entitled to a SPOC, route such borrowers to employees who have been specially trained about the protections of the SCRA to respond to such borrower’s questions; or

2. If such borrower is entitled to a SPOC, designate as a SPOC for such borrower a person who has been specially trained about the protections of the SCRA (Servicemember SPOC).
- B. Servicer shall continue to, in addition to any other reviews it may perform to assess eligibility under the SCRA, (i) before referring a loan for foreclosure, (ii) within seven days before a foreclosure sale, and (iii) the later of (A) promptly after a foreclosure sale and (B) within three days before the regularly scheduled end of any redemption period, determine whether the secured property is owned by a servicemember covered under SCRA by searching the Defense Manpower Data Center (DMDC) for evidence of SCRA eligibility by either (a) last name and social security number, or (b) last name and date of birth.
- C. When a servicemember provides written notice of eligibility for interest rate relief under the SCRA, but does not provide the military orders required by 50 U.S.C. § 3937(b)(1), Servicer shall continue to accept, in lieu of the documentation required by 50 U.S.C. § 3937(b)(1), a letter on official letterhead from the servicemember's commanding officer that includes contact information for confirmation:
1. Setting forth the full name and Social Security number or date of birth of the servicemember; and
 2. Setting forth the period of military service of the servicemember and, as may be applicable, that the military service of the servicemember is indefinite or the date on which the military service of the servicemember ended or is scheduled to end.

In the event that a servicemember provides written notice of eligibility for interest rate relief under the SCRA but fails to provide either (a) a copy of military orders required by 50 U.S.C. § 3937(b)(1), or (b) a letter with the content described above, Servicer shall search the DMDC to confirm eligibility. If the DMDC records provide dates of service that confirm eligibility, Servicer shall provide the relief required by the SCRA for the dates indicated by the DMDC and shall notify the servicemember that the servicemember may submit additional documentation to establish eligibility dates if the servicemember disagrees with the dates provided by the DMDC. If the DMDC records do not confirm eligibility, Servicer may deny the relief if it informs the servicemember that he or she is not eligible for the relief unless he or she provides a copy of documents establishing military service.

- D. Servicer shall continue to notify borrowers who are 45 days delinquent that, if they are a servicemember, (a) they may be entitled to certain protections under the SCRA regarding the servicemember's interest rate and the risk of foreclosure, and (b) counseling for covered servicemembers is available at agencies such as Military OneSource, Armed Forces Legal Assistance, and a HUD-certified housing counselor. Such notice shall include a toll-free telephone number that servicemembers may call to be connected to a person who has been specially trained about the protections of the SCRA to respond to such borrower's questions. Such telephone number shall either connect directly to such a person or afford a caller the ability to identify him- or herself as an eligible servicemember and be routed to such persons. Servicer hereby confirms that it takes reasonable steps to

ensure the dissemination of such toll-free number to borrowers who may be eligible servicemembers.

- E. Servicer shall continue not to require a servicemember to be delinquent to qualify for a short sale, loan modification, or other loss mitigation relief if the servicemember is suffering financial hardship and is otherwise eligible for such loss mitigation. Subject to Applicable Requirements, for purposes of assessing financial hardship in relation to (i) a short sale or deed in lieu transaction, Servicer will continue to take into account whether the servicemember is, as a result of a permanent change of station order, required to relocate even if such servicemember's income has not been decreased, so long as the servicemember does not have sufficient liquid assets to make his or her monthly mortgage payments, or (ii) a loan modification, Servicer will continue to take into account whether the servicemember is, as a result of his or her military orders, required to relocate to a new duty station at least seventy five mile from his or her residence/secured property or to reside at a location other than the residence/secured property, and accordingly is unable personally to occupy the residence and (a) the residence will continue to be occupied by his or her dependents, or (b) the residence is the only residential property owned by the servicemember.
- F. Servicer shall continue to make accurate reports to credit reporting agencies when a servicemember, who has not defaulted before relocating under military orders to a new duty station, obtains a short sale, loan modification, or other loss mitigation relief.
- G. Transfer of Servicing of Loans.
 - 1. This paragraph (IV.G) shall apply to all sales or transfers of servicing, including subservicing. Ordinary Transfer of Servicing from Servicer to Successor Servicer or Subservicer.
 - a. At the time of transfer or sale, Servicer shall inform the successor servicer whether the borrower has been granted SCRA protections or a written notice of eligibility for interest rate relief under the SCRA has been submitted.
 - 2. Transfer of Servicing to Servicer.
 - a. Servicer must accept and continue to process written notices of eligibility for interest rate relief under the SCRA that had been submitted to the prior servicer.
 - i. Servicer may not attempt to obtain from the borrower any missing information or documents that were previously submitted by the borrower to the transferor servicer, without first contacting the transferor servicer to attempt to obtain the missing information or documents.

V. RESTRICTIONS ON SERVICING FEES.

- A. General Fee Provisions.

1. Servicer shall not charge any fee or cost to the borrower unless the charge is bona fide, reasonable, actually incurred, and disclosed to the borrower. For purposes of this section, a fee or cost is disclosed to the borrower if it is set forth on a monthly billing statement.
2. Schedule of Fees. Servicer shall maintain and keep current a schedule of common state specific and non-state specific fees or ranges of fees that may be charged to borrowers by or on behalf of Servicer. Servicer shall make this schedule available on its website and to the borrower or borrower's authorized representative upon request. The schedule shall identify each fee, provide a plain language explanation of the fee, and state the maximum amount of the fee or how the fee is calculated or determined.
3. If a borrower or the borrower's representative requests a payment history, account ledger, or otherwise asks Servicer to explain charges on an account, Servicer must promptly provide the requested history or ledger with a plain language description of the entries on the document. If a government entity requests a borrower's payment history, account ledger, or otherwise asks Servicer to explain charges on an account, pursuant to paragraph III.C.8 of this Agreement, then Servicer shall promptly provide the information described in this paragraph (V.A.3) to that entity.

B. Specific Fee Provisions.

1. Attorneys' Fees. Attorneys' fees charged in connection with a foreclosure action or bankruptcy proceeding shall only be for work actually performed and shall not exceed reasonable and customary fees for such work. In the event a foreclosure action is terminated prior to the final judgment and/or sale for a loss mitigation option, a reinstatement, or payment in full, the borrower shall be liable only for reasonable and customary fees for work actually performed.
2. Late Fees.
 - a. Servicer shall not impose or collect any late fee or delinquency charge when the only delinquency is attributable to late fees or delinquency charges assessed on an earlier payment, and the payment is otherwise a full payment for the applicable period and is paid on or before its due date or within any applicable grace period.
 - b. Servicer shall not impose or collect late fees (i) based on an amount greater than the past due amount; (ii) collected from the escrow account or from escrow surplus without the approval of the borrower; or (iii) deducted from any regular payment.
 - c. Servicer shall not impose or collect any late fees for periods during which (i) the borrower is making timely trial modification payments; or (ii) a short sale offer is being evaluated by Servicer. In addition, Servicer shall waive late fees for the period during which a loan modification application was pending, if a permanent modification is completed.

3. Payment Processing Fees.
 - a. Servicer shall not charge a borrower for submitting payments more frequently than required by the note or for submitting payments that exceed the current amount due.
 - b. Servicer shall not require a borrower to use any payment method (such as payment by phone) or any provider of payment processing services (payment provider) that would cause the borrower to incur a payment processing fee. This provision does not prohibit Servicer from requiring certified funds from borrowers in foreclosure.
 - c. Servicer shall not unreasonably restrict a borrower from using a particular payment method or payment provider.
 - d. If Servicer promotes, directs, or refers a borrower to a particular payment method or payment provider and the payment method or payment provider would cause the borrower to incur a payment processing fee, Servicer shall, prior to obtaining the approval of a borrower to use the particular payment method or provider, accurately, clearly, and prominently disclose:
 - i. That the borrower is not required to use the particular payment method or payment provider;
 - ii. That Servicer accepts other payment methods which the borrower can use without incurring a fee;
 - iii. That the borrower has the right to select the borrower's own payment method and provider; and
 - iv. The amount of the payment processing fee.
 - v. That Servicer has a business relationship with the payment provider and that Servicer may receive compensation or other financial benefit as a result of the borrower's use of the provider's services.
 - e. Servicer shall disclose and obtain approval from the borrower in accordance with paragraphs V.B.3.d-e, each time Servicer sets up or modifies a payment agreement. Servicer shall document in its records borrowers' approval each time Servicer sets up or modifies a payment agreement.
 - f. All requests to cancel an existing authorization for the use of a particular payment method or payment provider shall be honored upon the borrower's first written or oral request.
 - g. Servicer shall not use unfair or deceptive acts or practices to steer borrowers to a particular payment method or payment provider.

C. Third-Party Fees.

1. Servicer shall not impose unnecessary or duplicative property inspection, property preservation, or valuation fees on the borrower, including, but not limited to, the following:
 - a. No property preservation fees shall be imposed on eligible borrowers who have a pending application with Servicer for loss mitigation relief or are performing under a loss mitigation program, unless Servicer documents a reasonable basis in its records or its vendor's records to believe that property preservation is necessary for the maintenance of the property, such as when the property is vacant or listed on a violation notice from a local jurisdiction;
 - b. No property inspection fee shall be imposed on a borrower any more frequently than the time frames allowed under GSE or HUD guidelines unless Servicer has identified specific circumstances supporting the need for further property inspections and documented such circumstances in Servicer's records or its vendor's records; and
 - c. Servicer shall be limited to imposing on a borrower property valuation fees (*e.g.*, BPO) once every 12 months, unless other valuations are requested by the borrower to facilitate a short sale or to support a loan modification as outlined in paragraph III.G.2, or required as part of the default or foreclosure valuation process. Pursuant to this paragraph (V.C.1.c), Servicer shall provide the borrower with a copy of any valuation requested by the borrower.
2. Default, foreclosure, and bankruptcy-related services performed by third parties shall be at reasonable market value.
3. Servicer shall be prohibited from collecting any unearned fee, or giving or accepting referral fees in relation to third-party default or foreclosure-related services.
4. Servicer shall not assess to a borrower its own mark-ups on Servicer-initiated third-party default or foreclosure-related services.

VI. FORCE-PLACED INSURANCE.

- A. Servicer shall not obtain force-placed insurance unless there is a reasonable basis to believe the borrower has failed to comply with the loan contract's requirements to maintain property insurance. For escrowed accounts, Servicer shall continue to advance payments for the homeowner's existing policy, unless the borrower or insurance company cancels the existing policy. For purposes of this Section (VI), the term "force-placed insurance" means hazard insurance coverage obtained by Servicer on behalf of the owner or assignee of a mortgage loan that insures the property securing the loan. However, for purposes of this Section (VI), the term "force-placed insurance" does not include hazard insurance required by the Flood Disaster Protection Act of 1973. The term "hazard insurance" means insurance on the property securing a mortgage loan that protects the property against loss caused by fire, wind, flood, earthquake, theft, falling objects, freezing, and other similar hazards for which the owner or assignee of such loan requires insurance.

- B. Servicer shall not be construed as having a reasonable basis for obtaining force-placed insurance unless the requirements of this Section (VI) have been met.
- C. Servicer shall accept any reasonable form of written confirmation from a borrower or the borrower's insurance agent of existing insurance coverage, which shall include the existing insurance policy number along with the identity of, and contact information for, the insurance company or agent.
- D. All charges and coverage amounts related to force-placed insurance assessed to a borrower by or through Servicer must be bona fide and reasonable.
- E. Servicer shall make reasonable efforts to work with the borrower to continue or reestablish the existing homeowner's policy if there is a lapse in payment and the borrower's payments are escrowed.

VII. RESOLUTION OF ERRORS, COMPLAINTS, AND REQUESTS FOR INFORMATION.

A. General.

- 1. Unless otherwise specified, the provisions in this Section (VII) shall apply to written notices of errors, written complaints, and written requests for information to Servicer from a borrower, defined herein to include a borrower's authorized agent, that relate to the servicing of a borrower's loan ("Servicing Requests"). Servicing Requests from state Attorneys General, state financial regulators, the Executive Office of U.S. Trustee, each regional office of the U.S. Trustee, and federal regulators, including complaints forwarded by the Bureau or submitted through the Bureau's Web Portal, that relate to the servicing of a borrower's loan shall be treated in accordance with paragraph III.C.8 of this Agreement.
 - a. The provisions in this Section (VII) shall not apply to Servicing Requests that are untimely, overbroad, or duplicative.
 - i. A Servicing Request is untimely if it is delivered to Servicer more than one year after (1) servicing of the mortgage loan that is subject of the Servicing Request was transferred from Servicer to a transferee servicer; or (2) the mortgage loan is discharged.
 - ii. A Servicing Request is overbroad if Servicer cannot reasonably identify the borrower or if the borrower requests that the Servicer provide an unreasonable volume of documents or information to the borrower, or if Servicer cannot reasonably determine from the Servicing Request the information requested or the error or complaint asserted.
 - iii. A Servicing Request is duplicative if (1) it is substantially the same as a Servicing Request previously submitted by that borrower for which Servicer has previously complied with its obligations to respond; and (2) the borrower does not provide new and material information, data, or documentation that was not considered in any prior

investigation and that is reasonably likely to change the Servicer's prior response.

- iv. If Servicer reasonably determines that a Servicing Request is overbroad or duplicative, Servicer shall notify the borrower in writing within five business days of making such determination. The notice to the borrower shall set forth the basis upon which Servicer has made such determination. Servicer shall maintain documentation supporting its determination in its records.
- b. The provisions in this Section (VII) shall not apply to notices of error asserting that Servicer made the first notice or filing required by applicable law for any judicial or non-judicial foreclosure process in violation of 12 C.F.R. §§ 1024.41(f) or (j) or that Servicer moved for foreclosure judgment or order of sale or conducted a foreclosure sale in violation of 12 C.F.R. §§ 1024.41(g) or (j), if Servicer receives the notice of error seven or fewer days before a foreclosure sale. For any such notice of error, Servicer shall make a good faith attempt to respond to the borrower, orally or in writing, and either correct the error or state the reason Servicer has determined that no error has occurred.
- 2. Servicer shall maintain, and shall provide written notice to borrowers of, readily available methods for the submission of Servicing Requests. Servicer shall post the designated methods on any website maintained by Servicer if the website lists any contact address for Servicer.
- 3. If a borrower, defined herein to include a borrower's authorized agent, makes a verbal inquiry, notice of error, or complaint relating to the servicing of the borrower's loan:
 - a. If the representative to whom the Servicing Request is made is unable to receive and process the Servicing Request, that representative shall transfer the borrower to staff that is able to do so or escalate the Servicing Request for resolution;
 - b. Servicer shall request from the borrower, verbally and contemporaneously, any information reasonably necessary to timely and accurately investigate and respond to the Servicing Request;
 - c. Upon request, Servicer shall provide the name and operator identification of the representative to whom the borrower is currently speaking;
 - d. Upon request, the borrower shall immediately be transferred to a supervisor or, if a supervisor is not readily available, the borrower's call-back information shall be taken and a supervisor shall return the call within 24 hours; and
 - e. Servicer shall provide the borrower, verbally and contemporaneously, with the information described in Paragraph

VII.A.2 above if the borrower requests further assistance or investigation regarding his or her complaint in addition to the assistance or investigation that Servicer has offered to provide.

4. Servicer shall maintain a competent and adequate process for dispute escalation.
5. Servicer shall maintain competent and adequate staffing, systems, and policies, and shall conduct adequate reviews and audits, to ensure compliance with the provisions of this Section (VII).

B. Receipt and Acknowledgment.

1. Written notices of errors or complaints that relate to the servicing of a borrower's loan (together, "Servicing Disputes") that Servicer receives by mail, facsimile, e-mail, or otherwise to an address not designated for Servicing Disputes shall be forwarded to the department designated to receive Servicing Disputes within two business days. Servicer shall respond to such Servicing Disputes as though they had been sent to the designated address.
2. Within five business days of the department designated to receive Servicing Disputes receiving a Servicing Dispute, Servicer shall provide to the borrower a written response acknowledging receipt of the Servicing Dispute. The acknowledgment shall include:
 - a. A statement of the timeline, including any extension Servicer may seek, by which Servicer must provide the borrower with a written response resolving the Servicing Dispute; and
 - b. Contact information, including a toll-free telephone number, for further assistance.

C. Investigation and Response.

1. Upon receipt of a Servicing Dispute, Servicer shall cease collection calls until Servicer has investigated and responded to the Servicing Dispute. If Servicer has determined that no error has occurred, it may resume collection calls, including of amounts that accrued during the investigation period. Servicer may call a borrower as part of Servicer's effort to resolve the Servicing Dispute. The notice required by VII.B.2 shall notify borrowers that written correspondence, such as billing statements and mandatory state pre-foreclosure notices, may continue during the resolution of the Servicing Dispute.
2. Servicer shall not, for 60 days after receipt of a Servicing Dispute, furnish adverse information to any consumer reporting agency regarding any payment that is the subject of the notice of the Servicing Dispute.
3. Servicer shall accurately investigate and respond to Servicing Disputes within 30 business days of receiving the Servicing Dispute. Investigation and response includes correction of any errors identified with the borrower's account, including errors discovered in the course of

investigation other than those alleged by the borrower, and remedial or other action necessary to resolve the Servicing Dispute. Servicer may extend the time period for responding to a Servicing Dispute by one additional period of 15 business days if, before the end of the 30 business day period, it notifies the borrower of the extension and the reasons for the extension in writing.

4. Servicer's investigation of a Servicing Dispute shall be based on a thorough review of the relevant documents and information in its possession, custody, or control or that are reasonably accessible to Servicer.
5. If Servicer determines as a result of its investigation of a Servicing Dispute that no error occurred based in whole or in part on a lack of documents or information, it shall notify the borrower of the information or documents that are missing and necessary to determine if an error occurred.
6. If Servicer concludes as a result of its investigation of a Servicing Dispute that an error occurred, it shall immediately correct all errors and restore the borrower's account to the position it would be in if Servicer had not made the error, including reversing and refunding any fees, charges, or other amounts incurred as a result of the error and correcting any subsequent payment misapplication or credit reporting arising from the error.
7. In response to a Servicing Dispute, Servicer shall provide the borrower with written notification of its resolution within the time period allowed. The notification shall include contact information, including a toll-free telephone number, for further assistance, and shall:
 - a. Provide the information requested, unless the request is for duplicative, confidential, proprietary, privileged, or irrelevant information, or if the request is overbroad, unduly burdensome or untimely;
 - b. State the reason for Servicer's determination;
 - c. Notify the borrower of the corrections made, remedial actions taken, or other actions taken to resolve the Servicing Dispute, including the effective date of such corrections and/or actions; or
 - d. State Servicer's basis for its resolution, including the findings that led Servicer to determine that there was insufficient basis to conclude that an error or improper act occurred, a statement of the borrower's right to request documents relied upon by Servicer in reaching its determination, and information regarding how the borrower can request such documents.
8. Upon request by a borrower who submitted a Servicing Dispute, Servicer shall provide, at no charge, copies of documents and information relied upon by Servicer in making its determination that no error occurred within 15 business days of receiving such request. Servicer is not required to provide documents that constitute confidential, proprietary, or privileged information. If Servicer withholds confidential, proprietary, or privileged

information, it shall notify the borrower of its determination in writing within 15 business days of receiving the borrower's request for such documents. In its response to a request for documentation, Servicer may omit location and contact information and personal financial information (other than information about the terms, status, and payment history of the mortgage loan) if: (i) the information pertains to a potential or Confirmed Successor in Interest who is not the requestor; or (ii) the requestor is a Confirmed Successor in Interest and the information pertains to any borrower who is not the requestor.

D. Documentation and Tracking.

1. Servicer shall document in its records the receipt of, investigation of, and response to Servicing Requests, including additional information received and communications regarding Servicing Requests.
2. Servicer shall maintain adequate systems and processes to track the status of Servicing Requests and, upon borrower request, provide accurate and timely information regarding the borrower's Servicing Request.
3. Servicer shall maintain documentation of the receipt of, investigation of, and response to Servicing Requests.
4. Unless otherwise prohibited by law, Servicer shall record and maintain all inbound and outbound calls to and from borrowers and Servicer employees whose primary responsibilities are customer-facing, and shall maintain such recordings and call information in a manner allowing for retrieval and production of such information and recordings.

 - 2. As indicated in paragraph I.A.8, Servicer shall (a) inform borrower that if the borrower continues to occupy the property, he or she has responsibility to maintain the property, and an obligation to continue to pay taxes owed, until a sale or other title transfer action occurs; and (b) request that if the borrower does not wish to continue to occupy the property, he or she contact Servicer to discuss alternatives to foreclosure under which borrower can surrender the property to Servicer in exchange for compensation.
 - 3. When Servicer makes a determination to not pursue a foreclosure action on a property, Servicer shall send the borrower a final billing statement, notifying the borrower of Servicer's decision to not pursue foreclosure and informing the borrower about the borrower's right to occupy the property until a sale or other title transfer action occurs.

Such policies and procedures shall include the maintenance of a toll-free hotline and allow for anonymous reporting.

X. GENERAL PROVISIONS, DEFINITIONS, AND IMPLEMENTATION.

- A. Applicable Requirements.
1. The servicing standards set forth in this Agreement and any modifications or other actions taken in accordance with these servicing standards are expressly subject to, and shall be interpreted in accordance with, (a) applicable federal, state, and local laws, rules, and regulations, including, but not limited to, any requirements of the state and federal banking regulators, (b) the terms of the applicable mortgage loan documents, (c) Section 201 of the Helping Families Save Their Homes Act of 2009, (d) the terms and provisions of the Servicer Participation Agreement with the Department of Treasury, (e) any servicing agreement, subservicing agreement under which Servicer services for others, special servicing agreement, mortgage or bond insurance policy or related agreement or requirements to which Servicer is a party and by which it or its servicing is

bound pertaining to the servicing or ownership of the mortgage loans, including without limitation the requirements, binding directions, or investor guidelines of the applicable investor (such as Fannie Mae or Freddie Mac), mortgage or bond insurer, or credit enhancer, and (f) no-contact or cease-and-desist requests made by borrowers (collectively, the “Applicable Requirements”).

2. In the event of a conflict between the requirements of this Agreement and the Applicable Requirements with respect to any provision of this Agreement such that Servicer cannot comply without violating Applicable Requirements or being subject to adverse action, including fines and penalties, Servicer shall document the categories of such conflicts and notify the Executive Committee that it intends to comply with the Applicable Requirements to the extent necessary to eliminate the conflict. If the Executive Committee objects to Servicer’s assertion of the Applicable Requirements provision, the parties shall have a meet and confer within 20 days to discuss the dispute.
3. Unless otherwise specified, Servicer shall maintain all of the records, reports, data, and documentation referenced in this Agreement for the duration of this Agreement. Servicer shall maintain all of the call recordings referenced in Section VII.D.4 for a period of one year from the date of recording.

B. Applicable Dates for Written Communications Required by this Agreement.

1. Servicer shall date all written communication to borrowers, occupants, Successors in Interest, and potential Successors in Interest, and Servicer shall promptly mail all written communication to the recipient. For electronic communications, Servicer shall maintain metadata indicating the date of the communication.
2. Servicer shall ensure that its third party vendors mail all written communications to borrowers, occupants, Successors in Interest, and potential Successors in Interest in accordance with its third party vendor contracts.
3. Servicer shall maintain records of mailing of all written communications in a form and manner that is accessible to the Executive Committee.

C. Duty to Notify.

1. Unless prohibited by law, Servicer shall notify the Executive Committee in writing within 15 days of the initiation of any official action against Servicer by the Attorney General of any state related to residential mortgage servicing, including but not limited to the issuance of a subpoena or a civil investigatory demand in an investigation relating to Servicer, or within 15 days of settlement agreement or other form of consensual resolution, or entry of judgment in any administrative, civil, or criminal investigation or action by any state or federal authority against Servicer, provided that such violation of law, investigation, or action pertains to Servicer’s residential mortgage servicing. Notwithstanding the foregoing and for avoidance of

doubt, Servicer's receipt of a subpoena or civil investigative demand from a state or federal authority does not constitute a formal regulatory action.

2. Servicer shall provide such additional information as may be requested by the Executive Committee, including, but not limited to, copies of correspondence pertaining to the investigation, on-going updates, and copies of any resulting pleadings, judgments, or orders, that are not privileged or subject to a confidentiality agreement.

D. Definitions.

1. In each instance in this Agreement in which Servicer is required to ensure adherence to, or undertake to perform certain obligations, it is intended to mean that Servicer shall (a) authorize and adopt such actions on behalf of Servicer as may be necessary for Servicer to perform such obligations and undertakings; (b) follow up on any material non-compliance with such actions in a timely and appropriate manner; (c) require corrective action be taken in a timely manner of any material non-compliance with such obligations; and (d) take appropriate remedial steps if deficiencies are identified, including appropriate remediation in individual cases.
2. For purposes of Section II, Servicer also includes Xome Holdings LLC. The provisions of this Agreement shall not apply to those divisions or major business units of Servicer that are not engaged as a primary business in customer-facing servicing of residential forward mortgages on owner-occupied one-to-four family properties on its own behalf or on behalf of investors.

EXHIBIT B

DISTRIBUTION OF BORROWER PAYMENT AMOUNT

1. The Borrower Payment Amount shall be administered under the direction and control of the Executive Committee in the following manner.

2. The Executive Committee chooses Rust Consulting, Inc. as the Settlement Administrator (“the Administrator”) to administer the distribution of cash payments to individual borrowers under this Agreement. All costs and expenses of the Administrator, including taxes, shall be paid from the Borrower Payment Amount.

3. Nationstar shall provide to the Administrator all information already in its possession, custody, or control that is reasonably necessary for the administration of the Borrower Payment Amount. Nationstar shall provide the information within a reasonable time after receipt of the request for information after the Effective Date under the Agreement has occurred. Nationstar is ordered herein to provide such information under 15 U.S.C. § 6802(e)(1)(A), (5) and (8) of the Gramm-Leach-Bliley Act. Nationstar shall warrant to the Participating States of the Executive Committee at the time of supplying information to the Administrator that the information is complete and accurate to the best of its knowledge and capability. Nationstar’s duty to supply complete and accurate information, to the best of its knowledge and capability, regarding borrowers eligible for the Borrower Payment Amount shall continue throughout the administration process.

4. The Administrator may provide information to a Participating State pertaining to individual eligible borrowers who are or were residents of such state, including names and other identifying information, only if the information is used by the Participating State or its authorized representative solely for the purpose of contacting eligible borrowers, responding to inquiries from borrowers regarding their eligibility or

concerning the distribution of borrower payments under this Agreement, and/or complying with tax reporting and withholding obligations, if any.

5. After the completion of the distribution of the Borrower Payment Amount, upon request the Administrator shall provide a final report to Nationstar identifying which borrowers have received payment. In addition, Nationstar may request from the Administrator interim reports as may be deemed reasonable by the Executive Committee, and such agreement, consent, or approval shall not be unreasonably withheld. Interim reports necessary to ensure that Borrowers will not receive duplicate payments, by virtue of litigation or otherwise, are deemed reasonable.

6. As a condition to receipt of any payment from the Borrower Payment Amount, each borrower must agree that such payment shall offset and operate to reduce any other obligation Nationstar or Nationstar's affiliates or subsidiaries have to the borrower to provide compensation or other payment for the same issue or injury. However, borrowers shall not be required to release or waive any other right or legal claim as a condition of receiving such payments.

7. Within twenty-five (25) calendar days of the entry of this Order, consistent with this Agreement, Exhibit B, and instructions provided by the Executive Committee, Nationstar shall deposit Six Million, Four Hundred Thirty Four Thousand, One Hundred Dollars (\$6,434,100.00) (the "Borrower Payment Amount") by electronic funds transfer into the Qualified Settlement Fund Distribution Account. The Borrower Payment Amount and any other funds provided to the Settlement Administrator for these purposes shall be administered in accordance with the terms set forth in Exhibit B. The Borrower Payment Amount shall be used: (1) for payments to borrowers who submit claims and are in either

or both of the Service Transfer and Property Preservation Populations set forth below; and (2) for reasonable costs and expenses of the Settlement Administrator, including taxes and fees for tax counsel. The Populations eligible to receive payments are defined as follows:

- a. *Service Transfer Population.* The Service Transfer Population shall mean borrowers whose loans (i) were transferred in bulk to Nationstar for servicing between and including February 1, 2011 and December 18, 2017, and (ii) which became 30 days delinquent within 90 days of the service transfer and (iii) which delinquency subsequently resulted in dispossession of the property in foreclosure, and (iv) which otherwise meet any additional criteria set by the Executive Committee; or
- b. *Property Preservation Population.* The Property Preservation Population shall mean borrowers whose property was (i) subject to a property inspection by Nationstar or its agent, and (ii) was determined to be vacant, and (iii) as a result of that determination Nationstar or its agent changed the lock on the property between and including June 24, 2011 and December 29, 2017, and (iv) either within 30 days of the initial lock change the borrower requested access to the property, or within 90 days of the initial lock change the property was reported as occupied through a subsequent inspection, and (v) which otherwise meet any additional criteria set by the Executive Committee.

8. Any payment to individual borrowers awarded under the terms of this Agreement is not and shall not be considered as forgiven debt.

9. For borrowers who lost their home to foreclosure in the Service Transfer Population, the purposes of the payments described in this Agreement and Exhibit B are remedial and relate to the reduction in the proceeds deemed realized by borrowers for tax purposes from the foreclosure sale of residential properties owned by the borrowers allegedly resulting from the allegedly unlawful conduct of Nationstar.

10. For borrowers in the Property Preservation Population, the purposes of the payments described in this Agreement and Exhibit B are intended to reimburse borrowers for expenses incurred as a result of being locked out of their homes.

11. Any amounts made available hereunder remain a part of the Qualified Settlement Fund until distributed to borrowers and shall be administered in accordance with the terms set forth in this Exhibit B.

12. After exhausting all reasonable efforts to pay eligible borrowers, any remaining Borrower Payment Amount held in the Qualified Settlement Fund may be used, at the discretion of the Executive Committee, to pay the costs and expenses of administration (including taxes) or for any other housing-related purpose.

13. The Administrator is responsible for ensuring that any uncashed checks issued to borrowers from the Borrower Payment Amount and that have passed their stale date shall be escheated to the state of the borrower's last known address, so that such borrower, or such borrower's rightful heirs, will maintain their ability to claim such payment pursuant to that state's processes for collecting unclaimed funds.

This Release does not release any claims against any entity other than the Released Parties as defined in Section I above.

III. Claims and Other Actions Exempted from Release

Notwithstanding the foregoing and any other term of this Agreement, the following claims are hereby not released and are specifically reserved:

1. Claims for any and all acts or practices occurring on or after January 1, 2018.
2. Securities and securitization claims based on the offer, sale, or purchase of securities, or other conduct in connection with investors or purchasers in or of securities, regardless of the factual basis of the claim, including such claims of the state or state entities as an owner, purchaser, or holder of whole loans, securities, derivatives or similar investments, including, without limitation, mortgage backed securities, collateralized debt obligations, or structured investment vehicles, and including, but not limited to, such claims based on the following:
 - a. the creation, formation, solicitation, marketing, assignment, transfer, offer, sale or substitution of securities, derivatives, or other similar investments, including, without limitation, mortgage backed securities, collateralized debt obligations, collateralized loan obligations, or structured investment vehicles;
 - b. representations, warranties, certifications, or claims made regarding such securities or investments, such as representations, warranties, certifications or claims regarding origination, funding, and underwriting activities, and including the eligibility, characteristics, or quality of the mortgages or the mortgagors;

c. the transfer, sale, conveyance, or assignment of mortgage loans to, and the purchase and acquisition of such mortgage loans by, the entity creating, forming and issuing the securities, derivatives or other similar investments relating to such mortgage loans;

d. all servicing-, foreclosure-, and origination-related conduct, but solely to the extent that such claims are based on the offer, sale, or purchase of securities, or other conduct in connection with investors or purchasers in or of securities; and

e. all Covered Conduct, but solely to the extent that such claims are based on the offer, sale, or purchase of securities, or other conduct in connection with investors or purchasers in or of securities.

For avoidance of doubt, securities and securitization claims based on the offer, sale, or purchase of securities, or other conduct occurring in connection with investors or purchasers in or of securities, that are based on any source of law, including, but not limited to, false claims acts or equivalent laws, securities laws, and common law breach of fiduciary duty, are not released.

3. Claims against a trustee or custodian or an agent thereof based on or arising out of the conduct of the trustee, custodian or such agent related to the pooling of residential mortgage loans in trusts, mortgage backed securities, collateralized debt obligations, collateralized loan obligations, or structured investment vehicles, including, but not limited to, the performance of trustee or custodial functions in such conduct.

4. Liability based on Nationstar's obligations created by this Agreement.

5. Claims arising out of alleged violations of fair lending laws that relate to discriminatory conduct in lending.

6. Claims of state, county and local pension or other governmental funds as investors (whether those claims would be brought directly by those pension or other governmental funds or by the Office of the Attorney General as attorneys representing the pension or other governmental funds).

past mortgage assignments or foreclosures in connection with loans serviced and/or owned by the Released Parties. For the avoidance of doubt, nothing in this paragraph 11 releases, waives or bars any legal or factual argument related to the validity of past mortgage assignments or foreclosures that could be made in support of claims not released herein, including, without limitation, all claims preserved under Section III of this Release.

12. Authority to resolve consumer complaints brought to the attention of Nationstar by a State Mortgage Regulator.
