The Department of Commerce, Community, and Economic Development, Division of Banking and Securities (the Department) has conducted an investigation into the business operations of HomeState Mortgage Company, LLC (HomeState), John Carman (Carman) and Lisa Falon (Falon; collectively, “Respondents”) and has determined that Respondents violated certain provisions of AS 06.60 et seq. (the Alaska Secure and Fair Enforcement for Mortgage Licensing Act of 2010 – the Alaska SAFE Act).

Respondents agree that the Department has jurisdiction over Respondents and this matter pursuant to the Alaska SAFE Act.

Respondents wish to resolve and settle this matter with the Department. As evidenced by the authorized signatures on this Order, Respondents consent to the entry of this Order requiring Respondents to pay civil penalties. Respondents waive their right to hearing under AS 44.62 et seq. (the Alaska Administrative Procedure Act) and the Alaska SAFE Act.

I. FACTS

1. HomeState is an Alaska limited liability company, entity number 65838D, with its principal place of business located at 3801 Centerpoint Drive, Suite 100, Anchorage, Alaska
99503. On February 19, 2009, the Department issued mortgage license number 189191 to HomeState.

2. Carman has served as the president of HomeState since September 1996 and is listed as a control person of HomeState on its Nationwide Mortgage Licensing System (NMLS) registration. The Department issued mortgage loan originator license number 189259 to Carman in September 2009.

3. Falon has worked as a loan officer for HomeState since January 2002. The Department issued mortgage loan originator license number 198601 to Falon in February 2009.

4. In 2012 the U.S. Department of Housing and Urban Development (HUD) fined HomeState $15,000 and issued Limited Denial of Participation (LDP) letters against Carman and another HomeState employee, Stephanie Moll (Moll), for disseminating a HUD 184 program brochure which Moll had altered to include HomeState’s contact information. HUD found the advertisement violated federal advertising requirements under 18 U.S.C. 709, which prohibits use of the HUD name and seal in a manner that conveys the impression that an individual or business is affiliated with or endorsed by HUD. HUD eventually withdrew the LDPs after Carman and Moll issued apologies and demonstrated mitigating circumstances, including the fact that no consumers were harmed by their conduct, but the order providing for the fine remained in place.

5. In the summer of 2013, the Department saw an advertisement for HomeState in the South Central Alaska Real Estate Book which did not appear to comply with all advertising regulations in the SAFE Act because HomeState’s unique NMLS identifier was not clearly displayed. HomeState paid for the advertisement.

6. On June 12, 2013, the Department requested that Falon provide all advertising
materials from the period January 1, 2010 to June 12, 2013 to the Department for comprehensive review.

7. After reviewing the materials, the Department found seven separate editions of the Real Estate Book containing advertisements for HomeState and Falon in which HomeState’s and Falon’s unique NMLS identifiers were not legible. One issue was published in December 2011, and six were published consecutively between January 2013 and June 2013. HomeState paid for the advertisements. HomeState also published a home building seminar flyer in which the HomeState unique NMLS identifier was not legible. In its review, the Department also found that HomeState’s unique NMLS identifier was missing from two websites published by HomeState: www.alaskaloaninfo.com/default.aspx and www.lisafalon.net/default.aspx. In total, there were seven advertising issues for which Falon was responsible and ten advertising issues for which HomeState was responsible.

8. Respondents have been cooperative with the Department and have demonstrated a willingness to correct the advertising problems immediately.

II. CONCLUSIONS OF LAW

1. AS 06.60.325 and 3 AAC 14.510 require licensees to display their NMLS unique identifiers in all advertisement materials except for radio and television advertisements. Respondents violated these provisions by failing to display their NMLS unique identifiers in seven editions of the Real Estate Book, on two websites, and in a flyer.

2. Carman and HomeState have previously been cited for an advertising violation relating to their mortgage business by HUD.

3. Carman is a “control person” of HomeState as that term is defined in AS 06.60.990(4).

4. 3 AAC 14.415 requires mortgage licensees to supervise operations and personnel,
including mortgage loan originators, to ensure compliance with the Alaska SAFE Act. Based on the number of violations noted by the Department, HomeState and Carman failed to supervise business operations and have policies and procedures in place to ensure compliance with the Alaska SAFE Act and are therefore in violation of 3 AAC 14.415.

5. Under AS 06.60.159, mortgage licensees are liable for the conduct of a person acting as a mortgage loan originator if the mortgage licensee knows or should have known that the person violated the Alaska SAFE Act and the person is employed or under contract with the mortgage licensee to act as a mortgage loan originator. In the present case, based on the numerous violations noted in Falon’s advertising, HomeState and Carman, as president and control person, knew or should have known that Falon was violating the Alaska SAFE Act, and therefore HomeState and Carman are in violation of AS 06.60.159.

6. Based on the advertising violations noted by the Department, Respondents are subject to a civil penalty under AS 06.60.420.

III. ORDER

Pursuant to the Alaska SAFE Act and on the basis of the Findings of Fact, Conclusions of Law and Respondents’ consent to the entry of this Order, the Department ORDERS the following:

1. Respondent HomeState is ordered to pay a civil penalty of $3,000 ($500 per website advertising violation and $250 per Real Estate Book advertising violation) pursuant to AS 06.60.420.

2. Respondent Carman is ordered to pay a civil penalty of $1,500 pursuant to AS 06.60.420 for failing to supervise.

3. Respondent Falon is ordered to pay a civil penalty of $1,750 ($250 per advertising violation) pursuant to AS 06.60.420.
4. Respondents are ordered to comply with all provisions of the Alaska SAFE Act, including associated regulations.

IT IS SO ORDERED.
