Mr Lynn Chrystal, Chairperson
Local Boundary Commission
State of Alaska
568 Cliffside Ct
Valdez, AK 99686

Dear Mr Chrystal;

We are writing in response to Mr Kris Lethin's letter proposing a local government boundary change for the City of Seldovia.

We are 23 year residents of the greater Seldovia area and we adamantly oppose such a boundary change. We do not believe that such a boundary change is in the best interest of the residents of Seldovia nor the greater Seldovia area, and could cause harm.

Kris writes an engaging letter, however, the facts are on very weak legs.

If the Commission chooses to entertain such a superficial proposal, public hearings are requested and are in order. Please provide us with the time, date, place and agenda for your January 2014 meeting.

Sincerely,

Don and Vicky Seelinger
