Dear Voter,

If you have concerns about going to the poll on Election Day because of COVID-19 for the upcoming municipal election, there are alternative ways you can vote. For example, you can vote early in person or request to receive a ballot in the mail. The poll(s) will still be open on Election Day, but in a time of social distancing one of these options might be better for you.

**Voting Early In-Person**

**Voting By-Mail**

You must first complete an application and return it to the clerk. Once the application is received, the clerk will mail you a ballot when it is available. Please mind the instructions; there are strict deadlines and other requirements to ensure the safety of your ballot. If you are interested in voting by mail, an application is enclosed and must be received by the clerk no later than `<Inserted Date from Election Code>`.

If you have any questions or not sure which method is right for you, contact the clerk’s office at (907) __________.

Sincerely,
