RE: FY 2016 Population Determination

Dear Mr. Meier:

The Division of Community and Regional Affairs (DCRA) reviewed the census documentation for the Community of Elfin Cove as received on May 14, 2015. You requested that the 2014 population count of 21, as estimated by the State Demographer at the Alaska Department of Labor and Workforce Development, be adjusted to 44 based on the census you conducted on May 13, 2015.

We have determined that the census was conducted in accordance with DCRA procedures and agree with your population count of 44 persons for 2014. Consequently, a population figure of 44 will be used for Elfin Cove by the Department of Commerce, Community, and Economic Development in FY 2016 financial assistance programs.

If you have any questions about procedures used in making this determination, please contact Manjula Boyina, Research Analyst IV, at (907)269-7959.

Sincerely,

Katherine Eldemar  
Director
