RE: FY 2016 Population Determination

Dear Mayor Hoblet,

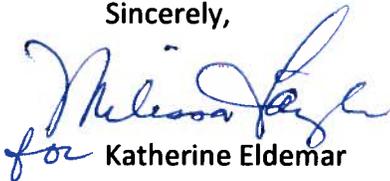

The Division of Community and Regional Affairs reviewed the City of False Pass's February 12, 2015 population Head Count Census documentation as received on March 2, 2015. We have determined that your head count agreed with DCRA's review and your resident count as of February 15, 2015 (rounded off to mid-month) was 73 persons. As outlined in our January 2015 Head Count population manual, your new count must be adjusted to align with the July 1, 2014 population estimate (see page 2 Head Count Census Manual). It has been calculated as follows:

Adjusted new head count as of February 12, 2015	73	Residents
DCCED certified population level as of July 1, 2013	40	Residents
Growth between July 1, 2013 and February 12, 2015	33	Residents
Number of periods between counts (July 1, 2013 to February 15, 2015)	19.5	# Periods
Resulting population adjustment per month	1.69	Persons
Adjusted time periods from July 1, 2013 to July 1, 2014	12	# Periods
Population Adjustment (growth)	20	Between 7/1/2013 and 7/1/2014
DCCED certified population level as of July 1, 2013	40	Residents
Final Accepted Population Level per July 1, 2014	60	Residents

Based upon the above information, a City of False Pass population figure of 60 will be used by the Department of Commerce, Community, and Economic Development in FY 2016 financial assistance programs. If you have any questions about procedures used in making this determination, please contact Manjula Boyina, Research Analyst IV, at (907)269-7959.

The city may, under 3AAC180.050, appeal this determination to the Commissioner of Commerce, Community, and Economic Development. This appeal must be postmarked within 10 days after the municipality receives this written decision.

Sincerely,

A handwritten signature in blue ink, appearing to read "Katherine Eldemar", written over the printed name.
