Kivalina Interagency Planning Committee - Tuesday, October 13, 2015 - 1:30 pm – 3:30 pm

Greetings,

The second meeting of the Kivalina Interagency Planning Committee will be held on **Tuesday, October 13, 2015 from 1:30 pm – 3:30 pm** at the Denali Commission, East Conference Room, 510 L Street, Suite 410, in downtown Anchorage. The teleconference number is: 1-877-446-3914 / PIN: 225331#

If you are not able to attend this meeting, we request that an alternative representative from your agency/organization attend in your place.

This effort - the Alaska Community Coastal Protection Project - is based on the premise that careful planning, agency collaboration and strong community leadership are needed to address the needs of environmentally-threatened communities. The project's objective is to increase Kivalina's long-term sustainability and resilience to the impacts of natural hazards.

The focus of the Interagency Planning Committee Meeting is to assist Kivalina and the planning team through the completion of a strategic management plan. Decisions and implementation timelines will be documented in the strategic management plan which will provide the "blueprint" for how Kivalina and supporting agencies will proceed over the next 10-20 years to accomplish Kivalina's recommended actions. Success requires all stakeholders; each with its own mission and resources, to work together to implement the community's chosen adaptation strategy.

***The purpose of the October 13<sup>th</sup> meeting will be to begin solutions identification based on community-identified issues.***

An Outlook invitation will be sent to you shortly after this email.

Have a wonderful weekend!

Kind regards,

Sally
