

LBC,

1-28-11

I am a commercial fisherman.  
I tend to fish the Nushagak.  
I am a bay resident - D46.

This Annexation is a great  
idea - Its about time ~~did~~. Arent  
we the last of the 5 districts  
to do this?

Some<sup>one</sup> asked me if the tax  
was unfair because it will cost  
just fisherman. I say no, I  
am a proud Billinghamer and  
like to see the pot holes  
in roads get fixed, ect.

I would like to see a Super  
borough formed throughtout this  
region some day.

Sincerely,

MATT O'CONNELL  
FN Kathy
