**Subject:** Soldotna annexation opposition  
**Date:** Thursday, January 30, 2020 1:12:26 PM

---

I'm writing to oppose this annexation. It has been voted down multiple times by us, the residents that are affected by it. The city refuses to accept the voters answer. Please do not allow the city to move forward with this. Please let me know if there is anything further that I need to do to once again make my voice heard loud and clear.

Thanks

Leonard Perry
