I don't support their carrying annexation  
Iqushik <sup>section</sup> always open only, not always  
open ~~the~~ the <sup>Mushggah</sup> Iqushik Section, +. There is  
no chums down in Iqushik Section.  
Only little but, don't go in the Iqushik  
hardly any chums. If carrying, the tax  
will we will not see any money from  
carrying. Iqushik Section open only  
all man hotel goes down and fish and  
their only pens from Dillingham.  
Can't over jump over the land.  
Ancestors, they were there before and  
fish. I support not to carrying.
