Subject: Dillingham annexation petition

To whom it may concern:

My name is Darlene Wyagon of Koliganek, Alaska. I fish in Ekuk Alaska during the summers. I have been fishing there all my life and my reason to contact you is about the Dillingham annexation petition. I wanted to sign it saying I am against the annexation .

However, I did not get a chance, so I'm contacting you to inform you of it, and how I feel.

I don't like the idea of being taxed so they can profit from it. I live in Koliganek which is upriver from Dillingham. The cost to fly to Dillingham is \$180.00 one way and then to Ekuk one way it is \$100.00. Charter rates are higher, and it's expensive to fly there and shop for groceries and buy all the fishing gear and supplies we need.

The other reason I'm writing this is because I believe that the distance of the place where I fish in Ekuk is beyond the boundary lines of their willingness to help my fishing business and services they can offer me in Ekuk.

Thank you for your time and consideration.

Sincerely,

Darlene Wyagon
