## PETITION

The Petitioner hereby requests that the Alaska Local Boundary Commission approve this petition for incorporation of a second-class city government in the organized borough.

The Petitioner seeks the proposed city incorporation under the provisions of AS 29.05.011 – AS 29.05.021; AS 29.05.060 – AS 29.05.150; 3 AAC 110.005 – 3 AAC 110.042; 3 AAC 110.400 – 3 AAC 110.660; and 3 AAC 110.900 – 3 AAC 110.990.

### SECTION 1. PETITIONER

The Petition for Incorporation of a second-class city consists of voters in the boundaries of the proposed city. The required number of voters who must sign the petition is based on the number who voted in the territory in the last general election. Under AS 29.05.060(12), the petition must include the signatures and resident addresses of

- 25 qualified voters in the proposed city, or
- 15 percent of the qualified voters in the proposed city, whichever is greater.

The Petitioner has included these signatures and addresses in **Exhibit A**.

All exhibits attached to this petition are incorporated by reference.

### SECTION 2. PETITIONER'S REPRESENTATIVE

The Petitioner designates the following person to serve as its representative in all matters concerning this incorporation proposal:

Name: James L. Faiks

Physical Address: 19559 W. Bryant Road

Big Lake, Alaska

Telephone number: 907-892-8482

Facsimile number: \_\_\_\_\_

E-mail address: alaskalpaca@mtaonline.net

**ALTERNATIVE PETITIONER'S REPRESENTATIVE**

The Petitioner designates the following person to act as alternative representative in matters regarding the proposed incorporation, in the event the primary representative is absent, resigns, or fails to perform his or her duties:

Name: Floyd Shilanski

Physical Address: 3410 South Peninsula Dr

Big Lake, AK

Telephone number: 907-229-8047

Facsimile number: 907-278-4237

E-mail address: floyd@shilanski.com

**SECTION 3. NAME AND CLASS OF PROPOSED CITY**

Upon incorporation, the city government shall be known as the "City of Big Lake", a second-class city organized under the laws of the State of Alaska.

**SECTION 4. GENERAL DESCRIPTION OF THE NATURE OF THE PROPOSED COMMISSION ACTION**

This petition seeks incorporation of a city under the local-option method provided for in AS 29.05.060.

**SECTION 5. GENERAL DESCRIPTION OF TERRITORY PROPOSED FOR CITY INCORPORATION**

The City of Big Lake will be located in the Matanuska Susitna Borough bordering the City of Houston, the Meadow Lakes Community Council, and the Pt. Mackenzie Community Council. This area is also defined as RSA 21 (Big Lake Road Service Area). We are proposing to incorporate the RSA 21 area as it is defined by the Matanuska Susitna Borough.

**SECTION 6. REASONS FOR THIS PETITION**

The citizens of Big Lake wish to incorporate as a second-class city in order to facilitate effective and efficient delivery of services for all residents of the area. Incorporation will provide an equitable avenue to fund these services and to provide an appropriate manner in which to interact with State and other local government agencies. Local services desired by the population have been provided largely through revenue sharing, grants, fund raising, volunteerism, and donations.

This manner of financing Big Lake Community Council is neither equitable nor effective; the Big Lake Incorporation Committee believes the Big Lake residents do not receive

adequate representation and our needs are not met through the channel given to us. Big Lake Residents need transportation projects, equitable education funding, and adequate funding for Big Lake road maintenance and public safety. The needs of the community as expressed in our comprehensive plan cannot be carried out unless we have access to funding, control of expenditures and the ability to negotiate as a legal authority. The priorities of Big Lake residents take a back seat to the economic projects in the Matanuska-Susitna Borough.

Residents desire more local control as Big Lake continues to grow and transition from a summer destination with vacation homes to a burgeoning year-round resident population with specific local government needs.

Incorporation as a second-class city will enable the community to obtain grant monies, generate revenue to support necessary services, make binding decisions, and enter into agreements with other government entities through a sanctioned form of government, and maintain a quality of life fundamental to the residents.

By incorporating, Big Lake would be able to:

- Provide a proactive and efficient approach to the decision-making process
- Provide locally generated revenues for the maintenance, operation and establishment of capital projects
- Provide a representative council to make informed and binding decisions for the city.

- Provide an avenue for the city to interact effectively with other governmental agencies.
- Provide necessary services for an ever-expanding population
- Provide financial resources for infrastructure maintenance within the community.

## **SECTION 7. LEGAL METES AND BOUNDS DESCRIPTIONS, MAPS, AND PLATS FOR PROPOSED CITY**

**Subsection 7-A. TERRITORY PROPOSED FOR INCORPORATION.** A legal metes and bounds description of the boundaries of the territory proposed for incorporation is presented as **Exhibit B-1**. A map of the territory proposed for incorporation is presented as **Exhibit B-2**.

**Subsection 7 – B MUNICIPAL GOVERNMENTS WHOLLY OR PARTIALLY WITH THE PROPOSED CITY. NOT REQUIRED**

**Subsection 7-C. CITY COUNCIL**

The city council will be composed of seven members elected at-large. The Mayor will be elected by and from the council.

## **SECTION 8. SIZE**

The territory proposed for incorporation is estimated to encompass

- 100.26 square miles of land
- 0 square miles of tidelands, water, and submerged lands
- 13.07 square miles of water
- 113.2 square miles of total territory

## **SECTION 9. DATA ESTIMATING THE POPULATION OF THE TERRITORY PROPOSED FOR INCORPORATION**

The number of permanent residents living within the territory proposed for incorporation is estimated to be 3,399.

## **SECTION 10. INFORMATION RELATING TO PUBLIC NOTICE AND SERVICE OF PETITION**

This section contains information relevant to providing public notice of the incorporation proceedings. This includes information about local media, adjacent municipal governments, places for posting public notices, locations where the petition may be reviewed by the public, and persons who, as a courtesy, may warrant notice of the incorporation proceedings because of their interest in this matter. See Exhibit C.

**SECTION 11. TAX DATA**

The Petitioner requests that proposition(s) be placed on the incorporation ballot authorizing the proposed city to levy the types of tax listed below in the left-hand column at the rates specified in the middle column.

State law allows petitioners to request that the Local Boundary Commission condition incorporation upon passage of propositions authorizing the city to levy taxes, such as property or sales taxes. The right-hand column expresses the petitioners' desire concerning whether incorporation should be conditioned upon voter approval of any of the taxes.

TAX TYPE	TAX RATE	INCORPORATION CONDITIONED	
		YES	NO
Property tax	3 mil rate	Yes	

**Subsection 11-A. THE ASSESSED OR ESTIMATED VALUE OF TAXABLE PROPERTY**

The assessed or estimated taxable value of property within the territory proposed for incorporation:

ASSESSED OR ESTIMATED VALUE OF TAXABLE REAL PROPERTY	
Estimated or Locally Assessed Value	Estimated or Actual Full and True Value
\$ 425,861,431	\$512,384,077

**Subsection 11-B. THE PROJECTED TAXABLE SALES IN TERRITORY PROPOSED FOR INCORPORATION**

At this time, it is not intended to have a sales tax until such time as the registered city voters decide by a majority vote to levy a designated sales tax.

**SECTION 12. OTHER SOURCES OF REVENUE**

The following additional sources of revenue are anticipated to be available to support services offered by the proposed city:

REVENUE	
Source	Estimated Revenue
Vehicle Registration	\$50,000
New City Funds	\$50,000
Revenue Sharing	\$100,000
RSA capital funds carry over	\$200,000

**SECTION 13. BOROUGH SERVICES CURRENTLY BEING PROVIDED TO THE TERRITORY PROPOSED FOR INCORPORATION AS A CITY**

Describe any borough services currently being provided to the territory proposed for incorporation and whether such services are provided on an area-wide, non-areawide, or service area basis. (Area-wide services are services provided throughout the borough. Non-areawide services are services provided in that part of the borough lying outside cities.)

<b>BOROUGH PROVIDING THE SERVICE</b>	<b>MANNER IN WHICH SERVICE IS BEING PROVIDED</b>
Road service	Area wide
Animal	Non area wide
Fire service	Area wide
School district	Area wide

**SECTION 14. BOROUGH TAXES CURRENTLY LEVIED IN PROPOSED CITY**

Describe any borough taxes and the rate those borough taxes are levied in the territory proposed for incorporation.

<b>AREAWIDE BOROUGH TAXES</b>	
<b>TYPE</b>	<b>RATE BEING</b>
General	10.051

<b>NONAREAWIDE BOROUGH TAXES</b>	
<b>TYPE</b>	<b>RATE</b>
Limited Area: Economic Development, Libraries, Animal Care	0.425

<b>BOROUGH SERVICE AREA TAXES</b>	
<b>TYPE</b>	<b>RATE</b>
Big Lake Roads RSA#21	2.57
West Lakes FSA	1.56

**SECTION 15. FOUR FISCAL YEARS PROJECTIONS OF REVENUE, OPERATING EXPENDITURES, AND CAPITAL EXPENDITURES.**

A budget projecting projected principal revenues for the proposed city during each of the first four full fiscal years is included in Exhibit D

**SECTION 16. POWERS, FUNCTIONS, AND TRANSITION PLAN OF PROPOSED MUNICIPALITY**

- **Powers, Functions and Transition Plan of Proposed Municipality**

Exhibit E lists the initial powers and functions of the proposed city of Big Lake

- **Transition Plan**

As provided for in 3 AAC 110.900, Exhibit E presents a practical plan demonstrating the intent and capability of the proposed city to

- (a) Extend essential services, as defined by 3 AAC 110.970, to the area proposed for incorporation within the shortest practicable time after incorporation;
- (b) Assume all relevant and appropriate powers, rights, duties, and functions, including those relevant and appropriate powers, rights, duties, and functions presently exercised by municipal governments, regional educational attendance areas, and other relevant entities within the area proposed for incorporation;
- (c) Receive the transfer of and integrate all relevant and appropriate assets and liabilities of existing municipal governments, regional educational

attendance areas, and other relevant entities within the area proposed for incorporation.

The plan was developed in consultation with officials of municipal governments, regional educational attendance areas, and other relevant entities within the area proposed for incorporation. Information about the level of consultation, including specific individuals contacted on particular dates is included. The plan complies with the provisions of AS 29.05.130, AS 29.05.140, and 3 AAC 110.900.

Under 3 AAC 110.900(f), the Petitioner may request a waiver of the requirements of 3 AAC 110.900(e), by providing documentation of all attempts the Petitioner made to consult with officials of each existing borough, city, and unorganized borough service areas. If the Commission determines that the Petitioner acted in good faith, and that further efforts to consult with the officials would not be productive in a reasonable period of time, the Commission may waive the requirement for consultation.

**SECTION 17. OFFICIALS CONSULTED FOR THE TRANSITION PLAN  
OR REQUEST FOR WAIVER OF THIS SECTION**

Under 3 AAC 110.900(e), in developing its transition plan, the proposed city consulted the following officials in existing borough, city, and organized borough service territory:

<b>NAME</b>	<b>TITLE &amp; ORGANIZATION</b>	<b>DATE CONSULTED</b>	<b>SUBJECT DISCUSSED</b>
John Moosey	Borough Manager	5/8/12; 6/4/12	Transition Plan
Darcie Salmon	Assembly member	1/11/12;	Transition Plan

NAME	TITLE & ORGANIZATION	DATE CONSULTED	SUBJECT DISCUSSED
Don Moore	Deputy Borough Manager	6/4/12	Transition Plan
	Houston City Council	3/18/2012	Petition
	Big Lake Community Council	6/12/12	Petition
	Big Lake Chamber of Commerce	5/13/12	Petition
Eric Phill	MSB	10/03/13	Transition Plan
Ellen Probasco	Planning Director	10/03/13	Transition Plan

(Under 3 AAC 110.900(f), the Petitioner may request a waiver to the requirements of (5) above, if the Petitioner provides documentation of all attempts made by the Petitioner to consult with officials in existing borough, city, and organized borough service areas.)

**SECTION 18. SUPPORTING BRIEF**

**Exhibit F** presents a supporting brief that provides a detailed explanation of how the proposed city incorporation serves the best interests of the state and constitutional, Statutory, and regulatory standards that is relevant to the proposed Commission action as set out in article X of Alaska’s Constitution; AS 29.05.011; 3AAC 110.005 – 3 AAC110.042 and 3 AAC 110.900 – 3 AAC 110.982. The brief references each of these standards and explains why the proposed incorporation is good public policy and is in the best interest of the State as required by AS 29.05.100.

**19. NUMBER OF VOTES CAST IN LAST STATE GENERAL ELECTION.**

The current Big Lake precinct has 2,323 registered voters. The number of votes cast in the last State general election within the Big Lake precinct is 975. A letter from the State Division of Elections documenting the number of votes cast is provided as Exhibit H.

**SECTION 20. PETITION INFORMATION, SOURCE, AND ACCURACY**

An affidavit from the petitioner's representative affirming the information in the petition is true and accurate is provided in Exhibit J.

**EXHIBIT A. SIGNATURES OF QUALIFIED VOTERS**

See Exhibit A attached.

## **ADDITIONAL INFORMATION NOT REQUIRED TO BE INCLUDED WITH THE FORMAL PETITION**

In addition to the information required for the petition, the Department encourages each petitioner to provide supplemental information, which would be useful in the analysis and consideration of the incorporation proposal. These materials may include:

1. The current operating budget of entities that at the moment are providing services in the territory;
2. Relevant documents or studies relating to the need for services or other aspects of the incorporation proposal;
3. Maps or general photographs of the territory proposed for incorporation
4. Photographs of the territory proposed for incorporation showing private and public development, land use, etc.;
5. Photographs of major public facilities in the community (e.g., school district facilities; cemetery; landfill; roads; airport; parks and recreation; community buildings; library; and facilities or equipment for Emergency Medical Services, fire, and ambulance services); and
6. Photographs representing services to be provided by the city (e.g., utility operations, etc.).

**EXHIBIT A.  
SIGNATURES OF QUALIFIED VOTERS**

This exhibit contains the signatures and resident addresses of qualified voters seeking incorporation who live within the boundaries of the proposed city. The required number of voters who must sign the petition is based on the number who voted in the territory in the last general election.

The number of signatures in this exhibit must equal at least 15 percent of the number who voted in the territory proposed for incorporation during the last general election conducted by the State of Alaska, or 25 qualified voters, whichever is greater.

**To help verify your voter-registration status, please:**

- Sign your name as it is listed in the State voter registration records
- Print your name legibly
- List numerical identifier such as your State of Alaska voter ID or driver's license; or date of birth; or last four digits of your Social Security
- List your residence address (e.g. street number, milepost) – do **not list a post office or other mail box.**

WE, THE UNDERSIGNED, hereby petition for the incorporation of the city as set out in the complete petition. Further, we affirm that:

1. we are registered voters of the State of Alaska;
2. we currently maintain our principal place of residence within the territory proposed for incorporation; and
3. we have reviewed the complete petition for incorporation, including all exhibits, and we understand its terms.

**IMPORTANT: review the first page of this exhibit for instructions and affirmations before signing.**

WE, THE UNDERSIGNED, hereby petition for the incorporation of the city described in the complete firm the statements made on page one of this exhibit.

**EXHIBIT B-1.**

**LEGAL METES AND BOUNDS DESCRIPTION OF THE BOUNDARIES OF  
THE TERRITORY PROPOSED FOR INCORPORATION**

Big Lake City Boundary Legal Description (same as the Big Lake Road Service Area), Road Service Area #21, located within Township 16 North, Range 3 West; Township 16 North, Range 4 West; Township 17 North, Range 3 West; Township 17 North, Range 4 West; Township 17 North, Range 5 West; Township 18 North, Range 3 West; and Township 18 North, Range 4 West; Seward Meridian, Third Judicial District, Alaska, more particularly described as follows:

Beginning at the southwest corner of Section 30, Township 16 North, Range 4 West, which is the true point of beginning of this description;

Thence north approximately 5 miles to the northwest corner of Section 6, Township 16 North, Range 4 West;

Thence west approximately 1 1/4 miles to the southwest corner of Section 36, Township 17 North, Range 5 West;

Thence north approximately 3 miles to the northwest corner of Section 24, Township 17 North, Range 5 West;

Thence east approximately 3 miles to the northwest corner of Section 21, Township 17 North, Range 4 West

Thence north approximately 6 miles to the northwest corner of Section 21, Township 18 North, Range 4 West;

Thence east approximately 2 miles to the northwest corner of Section 23, Township 18 North, Range 4 West;

Thence north approximately 1 mile to the northwest corner of Section 14, Township 18 North, Range 4 West;

Thence east approximately 2 miles to the northeast corner of Section 13, Township 18 North, Range 4 West;

Thence south approximately 1 mile to the southeast corner of said Section 13, Township 18 North, Range 4 West;

Thence east approximately 1 mile to the northeast corner of Section 19, Township 18 North, Range 3 West;

Thence south approximately 1 mile to the southeast corner of Section 19, Township 18 North, Range 3 West;

Thence east approximately 1/2 mile to the north 1/4 corner of Section 29, Township 18 North, Range 3 West;

Thence south approximately 1/2 mile to the center 1/4 corner of Section 29, Township 18 North, Range 3 West;

Thence east approximately 1/2 mile to the east 1/4 corner of Section 29, Township 18 North, Range 3 West;

Thence south approximately 1 1/2 miles to the northeast corner of Section 5, Township 17 North, Range 3 West;

Thence east approximately 1 mile to the northeast corner of Section 4, Township 17 North, Range 3 West;

Thence south approximately 1 mile to the northeast corner of Section 9, Township 17 North, Range 3 West;

Thence east approximately 1 mile to the northeast corner of Section 10, Township 17 North, Range 3 West;

Thence south approximately 1 mile to the northeast corner of Section 15, Township 17 North, Range 3 West;

Thence east approximately 1/2 mile to the north 1/4 corner of Section 14, Township 17 North, Range 3 West;

Thence south approximately 1/3 mile to the north right-of-way line of Big Lake Road located in Section 14, Township 17 North; Range 3 West;

Thence northeast approximately 1/2 mile along the north right-of-way line of Big Lake Road to the west right-of-way line of Wasey Way common to the north-south section line common to Section 13 and Section 14 in Township 17 North, Range 3 West;

Thence south approximately 3/4 mile along the north-south section line common to Section 13 and Section 14, Township 17 North, Range 3 West, to the northwest corner of Section 24, Township 17 North, Range 3 West;

Thence east approximately 1 mile to the northeast corner of Section 24, Township 17 North, Range 3 West;

Thence south approximately 3 miles to the southeast corner of Section 36, Township 17 North, Range 3 West;

Thence west approximately 3 miles to the northwest corner of Section 3, Township 16 North, Range 3 West;

Thence south approximate 1/2 mile to the west 1/4 corner of Section 3, Township 16 North, Range 3 West;

Thence west approximately 1 1/2 miles to the center 1/4 corner of Section 5, Township 16 North, Range 3 West;

Thence south approximately 1/2 mile to the south 1/4 corner of Section 5, Township 16 North Range 3 South;

Thence west approximately 1 1/2 miles to the northeast corner of Section 12, Township 16 North, Range 4 West;

Thence south 4 miles to the southeast corner of Section 25, Township 16 North, Range 4 West;

Thence west approximately 6 miles to the southwest corner of Section 30, Township 16 North, Range 4 West, which is the true point of beginning of this description; said parcel containing approximately 114 square miles.

## **EXHIBIT C.**

### **INFORMATION RELATING TO PUBLIC NOTICE**

This exhibit provides information relevant to public notice of this incorporation proceeding and service of the petition. The information includes specifics about local media, adjacent local governments, places recommended for posting notices, location(s) where the Petition may be viewed, and persons whose potential interest in the incorporation proceedings may warrant the courtesy of notice.

### **LOCAL MEDIA**

The following is a list of the principal news media serving the territory within the proposed boundaries:

#### **Newspaper(s)**

##### **Anchorage Daily News**

Pat Dougherty, Editor

P.O. Box 149001

*Anchorage*, AK 99514-9001

Phone: 907-257-4200

Fax: 907-279-8170

##### **Mat-Su Valley Frontiersman**

Heather Resz, Editor

## **EXHIBIT E.**

### **POWERS AND FUNCTIONS AND TRANSITION PLAN OF PROPOSED MUNICIPALITY**

It is the desire of the citizens of Big Lake to be more proactive in the regional decisions that will affect their future, and to be able to self-govern as the area continues to develop.

The purposes of a municipality are to provide good government, provide services, facilities, or other things that, in the opinion of the people, are necessary for the good of the community, and to develop and maintain a safe and viable community.

Listed below are the powers to be exercised by the city:

- City Administration
- Local Community Development
- Local Economic Development
- Taxation
- Disaster Planning in coordination with Mat Su Borough
- Capital Improvement Projects
- Road Maintenance
- Parks and Recreation

In general, the City of Big Lake would enfranchise all residents to encourage public participation on issues affecting their immediate neighborhoods and service areas.

- **TRANSITION PLAN**

### **Road Service**

The City of Big Lake intends to assume control of the Road Service Area 21 on April 1, 2016, assuming incorporation takes place in late **2015**. The library and landfill have previously been under the umbrella of the Matanuska Susitna Borough (MSB) and the responsibility will remain there.

### **Fire Service**

The West Lakes Fire Service is a Matanuska Susitna borough entity, which provides emergency, medical, and firefighting services to Big Lake and Meadow Lakes FSA and the responsibility will remain with the MSB.

### **Revenue Sharing**

The Big Lake Community Council has been an advisor on community needs to the Matanuska Susitna Borough. Over the past two years BLCC has received Revenue Sharing of approximately \$42,400. It is proposed that upon a favorable vote for incorporation, the Big Lake Community Council will vote to cease operations and move all assets and liabilities to the City of Big Lake or comply with MSB codes with regards to cessation of a community council organized under MSB guidelines

## **Property Tax**

A 3 mil property tax rate will be levied and collected by the Matanuska Susitna Borough in accordance with city ordinances to be enacted by the City Council of Big Lake. The Petitioner recognizes that it cannot bind a future city council. That notwithstanding, we have built the government and services around a tax rate that does not increase the overall amount to any one property owner. The petitioner does realize the future may bring more needs and services to the City of Big Lake. To accommodate future needs and also give and maintain local control over budgets and taxes any increase in the overall tax rate or any introduction of a new tax rate would be through a vote of the people.

The Road Service responsibility will be the only “power” the City of Big Lake will take control of at this time. The city will create a road service advisory board (RSAB) made up of 5 local residents. This RSAB will report directly to the city council regarding proposed capital improvement projects that may need to be outsourced to the local contracting community. The RSAB will also advise the city council regarding the maintenance contract and be an integral part of any proposals and budgets for future development of the infrastructure of the City of Big Lake.

## **City Manager**

The City Manager will work at the direction of the city council and will be responsible for providing oversight and development of all RFP’s and contracts. This is similar to the structure in place at this time. The benefit to having a local government conduct this oversight is the ability to realize the cost savings without increasing taxes thus allowing for more work to be completed in our current RSA (future city boundary).

## **Transition Meetings**

Within the first six months after the date of incorporation the Manager will meet with borough officials to review and obtain copies of necessary documentation for the city files.

The city Manager will meet with the borough Mayor at least three times within the first six months of incorporation to establish communication and a healthy relationship between the two governing bodies. The council will invite the borough assembly to Big Lake for a public meeting within the first three months to further solidify this cooperative relationship. The borough's attorney will also be invited to attend these meetings.

The newly hired city Clerk and city Manager will meet as many times as is necessary with their counterparts in the borough to establish procedures and examine and copy tax records and other pertinent documents necessary for the city to operate.

The council will meet with DCRA officials within the first two months to become informed on revenue sharing and other state assistance available to the city.

The Manager and/or council will meet with other key officials of the state and borough as is necessary to establish working relationships with those entities.

## **Establishment of City Office**

The Clerk and Manager will secure, with the consent of the council, a place of business for the city and will purchase all necessary items, with secured startup funds, necessary for the establishment of the city office.

## **Revenue Collection**

The Manager will complete necessary paper work in the first month following incorporation, to secure the transfer of start-up grant from the state. The council will establish necessary procedures and set up accounts for the necessary funds.

## **By Laws**

Within the first month, the council will meet as many times as is necessary to establish the bylaws as well as formulate the initial ordinances with the assistance of the retained attorney, to get city services established.

## **Timetable**

The following is a timetable for the establishment of the new city government

Hiring of Clerk and Manager	Within one month
Leasing of office space	Within second month
Application for initial state funds	Within first month
Accounting procedures set up	Within first month
Adoption of by-laws	End of second month
City office in full operation	End of third month
Completion of transition meetings	End of sixth month

## **EXHIBIT F.**

### **PETITIONER'S BRIEF**

Attached is a detailed written statement fully explaining how the proposed incorporation satisfies all the standards set forth in the standards established in AS 29.05.011; AS 29.05.021; 3 AAC 110.005 – 3 AAC 110.042; and 3 AAC 110.900 - 3 AAC 110.920.

The brief addresses each of these standards in detail and explains why the proposed incorporation is good public policy. Assertions are supported with detailed facts, including census data and reports from state or federal agencies.

The brief may also address constitutional principles served by the incorporation proposal, such as equal-protection clause and the equal-responsibility clause, article X, section 1 of the Constitution of the State of Alaska.

The standards for incorporation of a second-class city in the organized borough consist of the following:

1. As required by 3 AAC 110.005, the territory proposed for incorporation must include a community that meets the standards in 3 AAC 110.920.
2. A reasonable need for city government exists in the community as required by AS 29.05.011(a)(5) and 3 AAC 110.010(a).
3. Services cannot be provided by annexation to an existing city, by an existing organized borough on an area-wide basis or non-area-wide basis or through an existing borough service territory as required by AS 29.05.021(b) and 3 AAC 110.010(c).
4. The economy of the proposed city includes the human and financial resources necessary to provide essential municipal services on an efficient, cost-effective level as required by AS 29.05.011(a)(3) and 3 AAC 110.020(a).
5. The population of the proposed city is sufficiently large and stable to support the proposed city government as required by AS 29.05.011(a)(4) and 3 AAC 110.030(a).

6. The boundaries of the proposed city include all land and water necessary to provide the full development of essential municipal services on an efficient, cost-effective level as required by AS 29.05.011(a)(2) and 3 AAC 110.040(a).
7. The boundaries of the proposed city must include only that territory comprising the present local community, plus reasonably predictable growth, development, and public safety needs during the ten years following incorporation as required by 3 AAC 110.040(b).
8. The boundaries of the proposed city do not include entire geographical regions or large unpopulated areas, except when such boundaries are justified by the application of the city incorporation standards as required by 3 AAC 110.040(c).
9. The boundaries do not overlap the boundaries of an existing organized borough or city. Alternatively, the brief addresses that circumstance as required by 3 AAC 110.040(d).
10. The proposed incorporation will not deny any person the enjoyment of any civil or political right, including voting rights, because of race, color, creed, sex, or national origin in accordance with 3 AAC 110.910.
11. Incorporation is in the best interests of the State, as required by AS 29.05.100(a) and 3 AAC 110.042, and the proposed incorporation promotes maximum local self-government as determined under 3 AAC 110.981, with a minimum of local government units, as determined under 3 AAC 100.982 and in accordance with article X, section 1 of the Constitution of the State of Alaska.

## PETITIONER'S BRIEF

A concise statement of the reasons the Petitioner seeks to incorporate the territory generally described in the section above:

### **SECTION 1. THE TERRITORY PROPOSED FOR INCORPORATION AS A CITY INCLUDES A COMMUNITY THAT MEETS THE STANDARDS IN 3 AAC 110.920.**

The territory proposed for incorporation (Big Lake) meets all of the standards set forth in 3 ACC 110.920. Big Lake is a community of 3,350 permanent residents (2010 U.S. Census).

Over the last 30 years, Big Lake has undergone significant transformation, from a summer recreation destination to a community of year-round permanent residents. Specifically, in the 1970's and 1980's, the population of Big Lake was primarily comprised of residents of Anchorage, Alaska that owned second homes on Big Lake and permanent residents with limited means that owned property that was removed from the lake.

Now, however, Big Lake is a year-round community. Specifically, many of Big Lake's permanent residents commute to Anchorage and the southern Borough. And, the trend of Big Lake serving as a "bedroom community" to Anchorage will significantly expand if the Knik-Arm Bridge is completed—drastically reducing the commute to and from

Anchorage. In addition, Big Lake has seen an influx of full-time retiree residents, and is further poised for growth with the newly constructed (June 2012) Goose Creek Correctional Facility, Alaska's largest correctional facility in nearby Port Mackenzie, Natural Gas Holding Station, Nana Manufacturing Plant, expansion of the Alaska Railroad, and other private corporations.

In sum, Big Lake is well positioned for sustainable growth. It is comprised of engaged and active permanent residents that live in close proximity with one another, and who frequently interact with one another. Big Lake residents shop and eat at the same restaurants and stores, support Big Lake events and social organizations (Big Lake Lions), and Big Lake residents' children attend the same schools: Big Lake Elementary School, Houston Middle School, and Houston High School.

**SECTION 2. A REASONABLE NEED FOR CITY GOVERNMENT EXISTS IN THE COMMUNITY AS REQUIRED BY AS 29.05.021(b) and 3 AAC 110.005 – 3 AAC 110.042**

The petitioner believes that incorporation of the City of Big Lake is necessary in order to efficiently and economically provide for Big Lake's current -- and reasonably anticipated -- social, economic, health and safety needs. Incorporation of the City of Big Lake is also necessary due to the limited services provided by the Matanuska-Susitna Borough.

In short, the incorporation of the City of Big Lake would allow its growing population to exercise maximum local control and be more responsive to the community's needs.

- **Social and Economic Development:**

Big Lake's need for maximum local self-government to maintain and construct its current roadways, and additional roadways, will be paramount to effectively secure and promote economic growth within the territory proposed for incorporation. Specifically, the opening of Alaska's largest correctional facility in nearby Port Mackenzie and possible construction of the Knik Arm Bridge is an opportunity to increase Big Lake's permanent resident population, tax base, employment opportunities, and increase social and community services in the territory proposed for incorporation. Incorporation of the City of Big Lake is necessary to capitalize on these social and economic development opportunities.

- **Inadequacy of Existing Services:**

- A. Inadequacy of Road Services*

Big Lake currently receives road services, including the construction and maintenance of roads, from the Matanuska-Susitna Borough, which encompasses 24,683 square miles (approximately the size of West Virginia). The sheer geographic size of the Matanuska-Susitna Borough makes it impossible for the Borough to effectively and efficiently construct and maintain all of the roads located in its territory (especially during winter), including roads located within the proposed incorporation territory of Big Lake. Indeed, there have been hundreds of accidents and seven fatalities on the 103 miles of road within Big

Lake since 1995. As an incorporated city exercising the road power, Big Lake would have control over the necessary roadway maintenance and construction in a more effective and timely manner, the result of which would be greater efficiencies, and most importantly, safer roadways for the Big Lake burgeoning population.

*B. Inequitable Distribution of Funds*

Incorporation of the City of Big Lake is also necessary due to the Matanuska-Susitna Borough's inequitable distribution of funds it collects from the residents of Big Lake. Specifically, the Borough received, as of fiscal tax-year 2011, \$1,115,325 for transportation and road service from Big Lake's residents, at the current 2.6 mil rate. In return, however, Borough contracted the maintenance of Big Lake's road system for \$410,800 and maintained a capital project budgetary item of \$300,000, the total of which is \$710,800. To wit, of the 103.5 miles of roads within the community of Big Lake, only 18.5 miles are paved. We, the petitioners, believe that an incorporated city of Big Lake can more efficiently and economically exercise local control over these services.

• **Health Safety and General Welfare Conditions:**

Furthermore, incorporation is necessary for the health and safety of the residents of Big Lake. Currently, Big Lake has inadequate law enforcement protection for a community its size. Specifically, the Matanuska-Susitna Borough does not provide law enforcement to our community, and the only limited protection we receive comes from the state of

Alaska and its State Troopers. And, while Alaska's State Troopers excel at protecting the citizenry of Alaska and enforcing the laws of this great state, there are only 30 full-time State Troopers active in the Mat-Su Borough. Accordingly, this means that 4-5 State Troopers are available to serve and protect the Matanuska Susitna-Borough at any given shift, an area the size of West Virginia. Not surprisingly, the current police protection provided to the expanding community of Big Lake cannot quickly and effectively respond to emergencies and crimes committed in the proposed territory of incorporation.

This lack of adequate protection has, unfortunately, resulted in increased crime in Big Lake. Specifically, auto theft, burglary, larceny, robbery and vandalism crimes have increased 46% since 2005, with auto thefts alone doubling in the past three years. Incorporation of the City of Big Lake will allow its citizens to hire and maintain an active police force to serve and protect the community.

In summary, the need for incorporation of the city of Big Lake has long been needed, and we, the petitioners, believe that an incorporated city of Big Lake can more efficiently and economically provide for the services and needs of the area proposed for incorporation.

**SECTION 3: SERVICES TO BIG LAKE CANNOT BE PROVIDED BY ANNEXATION TO AN EXISTING CITY OR BY AN EXISTING BOROUGH AS 29.05.012(B) AND C 3 ACC 110.010(c)**

For numerous reasons, neither the City of Houston, Alaska, which adjoins a portion of the community of Big Lake to the north, nor the Matanuska Susitna Borough, can provide

services more economically and more efficiently to the residents of Big Lake through annexation to an existing city or by an existing borough on an areawide or nonareawide basis, or through an existing borough service area.

The City of Houston is the only municipality that adjoins Big Lake, and as Exhibit B-2 shows, only a portion of the community of Big Lake to the northeast borders the City of Houston. Furthermore, and importantly, the area within the proposed Big Lake city limits is five times the size of the City of Houston, and the population of Big Lake would increase that of Houston by over 150%. Simply put, the City of Houston simply does not have the infrastructure or resources to annex Big Lake. In addition, the City of Houston has not expressed any interest in annexing any portion of Big Lake's adjacent territory.

Moreover, as established in Section 2 above, the Matanuska-Susitna Borough is not able to adequately fulfill the local service needs of the Big Lake community and its growing population. Indeed, an incorporated city of Big Lake will render more efficiently and economically the road maintenance services.

A major need is, as mentioned before, police protection. While it is not our intent to initially develop a police service we would like the ability to if the crime rate continues to rise. If we are an unincorporated community we will never have the ability to grow a police service in our area. As a city we recognize that we can decide how, when and in what means to collect the resources to create our own protection. As a community the borough and state do not have the recourse or the plans to protect our residents.

**SECTION 4: THE ECONOMY OF BIG LAKE INCLUDES THE HUMAN AND FINANCIAL RESOURCES NECESSARY TO PROVIDE ESSENTIAL MUNICIPAL SERVICES AT AN EFFICIENT, COST-EFFECTIVE LEVEL AS REQUIRED BY AS 29.05.011(a)(3) and 3 AAC 110.020(1).**

- **Education Levels of the Community Residents:**

Big Lake is inhabited by a diverse group of skilled and professional residents that possess the necessary level of talent and education needed to support local government. Big Lake’s Elementary school employs 52 teachers and staff. This is a community that has long been ready for self-governance. By the 2010 census 88.1% are high school graduates, 16.7% have a Bachelor’s degree, and 6.4% have a Graduate or Professional Degree.

- **Property Values, Economic Base, and Personal Income:**

As of the last census (2010), Big Lake’s median resident age was 42.4; its median household income was \$24,970; and its median housing unit price was \$187,751. The formal estimate of the current value of real property within Big Lake, as prepared by the Matanuska-Susitna Borough Assessor is \$512,384,077. The current estimated value of personal property in Big Lake is \$ 425,861,431. In short, Big Lake’s demographic and economic data compares to the current demographic and economic data of the Matanuska-Susitna Borough (\$67,703 median income, and median property value of \$212,000) Moreover, Big Lake

fully expects its permanent resident population to continue to grow at a steady rate.

- **Anticipated Income and Expenses of the Proposed City of Big Lake:**

Big Lake anticipates expenditures in the amount of \$1,103,272 during its first year of operation, and expects city revenues for the first year (exclusive of non-recurring funds) will be \$1,477,584. Thus, based on Big Lake's income and expense projections, as set forth in Exhibit D, the city will have a surplus of \$274,312 following its first full year of operation. The Budget laid out for this petition clearly shows that Big Lake will be able to generate and sustain sufficient local revenue.

- **Anticipated Functions of the City of Big Lake:**

Big Lake anticipates serving its citizenry by providing the following: road maintenance, parks, recreation, and general administration.

**SECTION 5: THE POPULATION OF BIG LAKE IS SUFFICIENTLY LARGE AND STABLE TO SUPPORT THE PROPOSED CITY GOVERNMENT AS REQUIRED BY AS 29.05.011(a)(4) and 3 AAC 110.030(a).**

The community of Big Lake has a population of 3,350 (U.S. Census 2010) in 1,372 households—an increase of 27% over 2000 population figures. Furthermore, Big Lake has shown double digit growth in the last 3 census numbers with anticipated sustained growth as major projects are developed in the area, including, but not limited to, the

Goose Creek Correctional Facility, Port MacKenzie, the Port to Parks Highway and the Alaska Railroad. As these projects are completed, the population of Big Lake will increase, further requiring the need for a local city government to efficiently and economically provide additional private and public services. Accordingly, it is imperative the City of Big Lake be incorporated to meet these anticipated needs.

**SECTION 6: THE BOUNDARIES OF BIG LAKE INCLUDE ALL LAND AND WATER NECESSARY TO PROVIDE THE FULL DEVELOPMENT OF ESSENTIAL MUNICIPAL SERVICES ON AN EFFICIENT, COST-EFFECTIVE LEVEL AS REQUIRED BY AS 29.05.011(A)(2) AND 3 ACC 110.040(A).**

Big Lake encompasses a total of approximately 80,000 acres including over 4,000 acres of water, and is located in the Matanuska- Susitna Borough, approximately 13 miles southwest of Wasilla, bordering Knik-Fairview and the municipality of Houston. Land in Big Lake is held by a mix of public and private entities, with major landowners including, but not limited to, the Matanuska-Susitna Borough, the Alaska Mental Health Trust Authority (AMHTA), Native Corporations and the State of Alaska.

There is significant private land ownership in Big Lake that provides large areas for year round homes, recreational cabins, commercial development and a wide range of other private uses. All residences and businesses within the proposed city of Big Lake utilize on-site wells and wastewater systems. With the large watershed area encompassed within the proposed city limits, adequate water supplies should continue. However, it will be necessary to continue to regulate disposal systems as well as water quality of the lakes within the area. There are also numerous sources of gravel within the area, and there are

opportunities to reserve public land for recreation, habitat, and watershed purposes, as well as influence the location of future settlement areas.

The community of Big Lake has a stable population of about 3,500 that is transitioning from a summer recreational use to one of year-round residents. Current and projected large construction projects will encourage continued and significant growth. The new prison, the large Nana modular construction business, the rail expansion, the proposed gas line, and the Knik Arm crossing are and will continue to increase residential and commercial development. Property values and associated taxes are increasing and will provide a solid financial base to support a city government.

These developments are improving the employment opportunities and income for citizens of Big Lake. In addition, more people are choosing to retire in Big Lake, bringing with them purchasing power that is helping support local businesses. Big Lake has some of the most valuable real estate in the Valley. The tax income it generates, along with the improving income of its citizens, will initially pay for essential road services and city government, and could later provide other municipal services if desired by the voters.

**SECTION 7: THE BOUNDARIES OF BIG LAKE INCLUDE ONLY THAT TERRITORY COMPRISING THE PRESENT LOCAL COMMUNITY, PLUS REASONABLY PREDICTABLE GROWTH, DEVELOPMENT, AND PUBLIC SAFETY NEEDS DURING THE TEN YEARS FOLLOWING INCORPORATION AS REQUIRED BY 3 AAC 110.040(b)(1).**

The boundaries of the territory to be incorporated have been carefully drawn to only include the present local community, plus reasonable predictable growth, development

and public safety needs for the residents of Big Lake during the ten years following Big Lake's incorporation as a city. Exhibit B-1

The proposed boundary area is contiguous and does include some large areas of underdeveloped land. Much of this is designated as wetland and includes portions of the Little Susitna River. This area has been historically enjoyed by Big Lake residents and visitors for recreational and trail use. Many miles of trails are maintained by the citizens of Big Lake. There are also over 50 lakes within the proposed boundaries, with existing residential development. The remote lakes are used for recreation and may be developed for residential use as the transportation infrastructure is improved.

The proposed highway between Port Mackenzie and the Parks highway may transition through the middle of our proposed boundary, which at this point is our fire corridor. This transportation improvement will help link many of the scattered subdivisions and provide an incentive to efficiently fill-in areas between subdivisions.

**SECTION 8: THE BOUNDARIES OF BIG LAKE DO NOT INCLUDE ENTIRE GEOGRAPHIC REGIONS OR LARGE UNPOPULATED AREAS.**

Big Lake's boundaries do not contain any entire geographic regions. Nor do Big Lake's boundaries include a large unpopulated area.

**SECTION 9: BIG LAKE'S BOUNDARIES DO NOT OVERLAP THE BOUNDARIES OF AN EXISTING ORGANIZED BOROUGH OR CITY.**

As set forth, and established in, Exhibit B-2 to this petition, Big Lake's proposed boundaries do not overlap an existing organized borough or city.

**SECTION 10: BIG LAKE'S INCORPORATION AS A CITY WILL NOT DENY ANY PERSON THE ENJOYMENT OF ANY CIVIL OR POLITICAL RIGHT, INCLUDING VOTING RIGHTS, BECAUSE OF RACE, COLOR, CREED, SEX, OR NATIONAL ORIGIN IN ACCORDANCE WITH 3 ACC 110.910.**

The proposed city incorporation will not deny any person the civil or political rights protected under the Constitution of Alaska or The Constitution of The United States of America, including voting rights, based on race, color, creed, sex or national origin.

Big Lake's City Council will be formed with an elected 7-member council, with one of the members being elected by the council as Manager. All meetings will be advertised in writing one full week in advance. All meetings will be open to the public. The council members will act as representatives of the population at large.

**SECTION 11: THE PROPOSED INCORPORATION PROMOTES THE MAXIMUM LOCAL SELF-GOVERNMENT THROUGH THE LEAST NUMBER OF GOVERNMENT UNITS AND IS IN THE BEST INTERESTS OF THE STATE OF ALASKA.**

• **Maximum Local Self-Government:**

The proposed city of Big Lake will gain a true governmental entity with inherent powers granted under State law rather than relying on a non-profit with no inherent powers to provide services and raise tax revenues. Presently, Big Lake is an unincorporated community within the Organized Matanuska-Susitna Borough

of Alaska. The current structure has the borough and the state government providing for Big Lake's services. And, as has been established herein, neither of which are effective to meet the needs and plans for the Big Lake local community. The State government meets in an inaccessible area away from a vast majority of communities it serves, including Big Lake, and the borough government has repeatedly demonstrated that it is focused on large borough sized projects at the expense of local projects. Because the Borough and State must focus on larger issues and multiple communities, incorporation of the City of Big Lake will better ensure the quality of life and the safety of residents of Big Lake and the promotion and attainment of sustained economic social development in the Big Lake community, all through maximizing local self-government.

- **Determination of Essential Services**

The City of Big Lake intends to assume control of Road Service Area 21 in order to promote and maximize local self-government as indicated in 3 ACC 110.970.

The Matanuska Susitna Borough (MSB) has agreed to transfer all authority with regards to the local road service area to the City of Big Lake thus eliminating any duplication of powers.

Taxation by the City of Big Lake at the proposed rate not in excess of the current amount being paid by the local residents will be levied and collected on behalf of the City of Big Lake by the MSB. The formation of the City of Big Lake will not duplicate existing MSB services that already exist to support collection of taxes.

All other essential services currently being provided by the Matanuska Susitna Borough will remain in the control and responsibility of the MSB.

Any future essential services that City of Big Lake desires to acquire will be determined by a vote of the City of Big Lake's registered voters in coordination with the MSB.

- **The City of Big Lake is in the Best Interests of the State of Alaska:**

The Preamble to the Constitution of Alaska states "in order to secure and transmit to succeeding generations our heritage of political, civil, and religious liberty within the Union of States, do ordain and establish this constitution for the State of Alaska."

Furthermore, the Constitution of the United States and of our great State are both dedicated to the principles that all persons have a natural right to life, liberty, the pursuit of happiness, and the enjoyment of the rewards of their own industry; that all persons are equal and entitled to equal rights, opportunities, and protection under the law; and that all persons have corresponding obligations to the people and to the State.

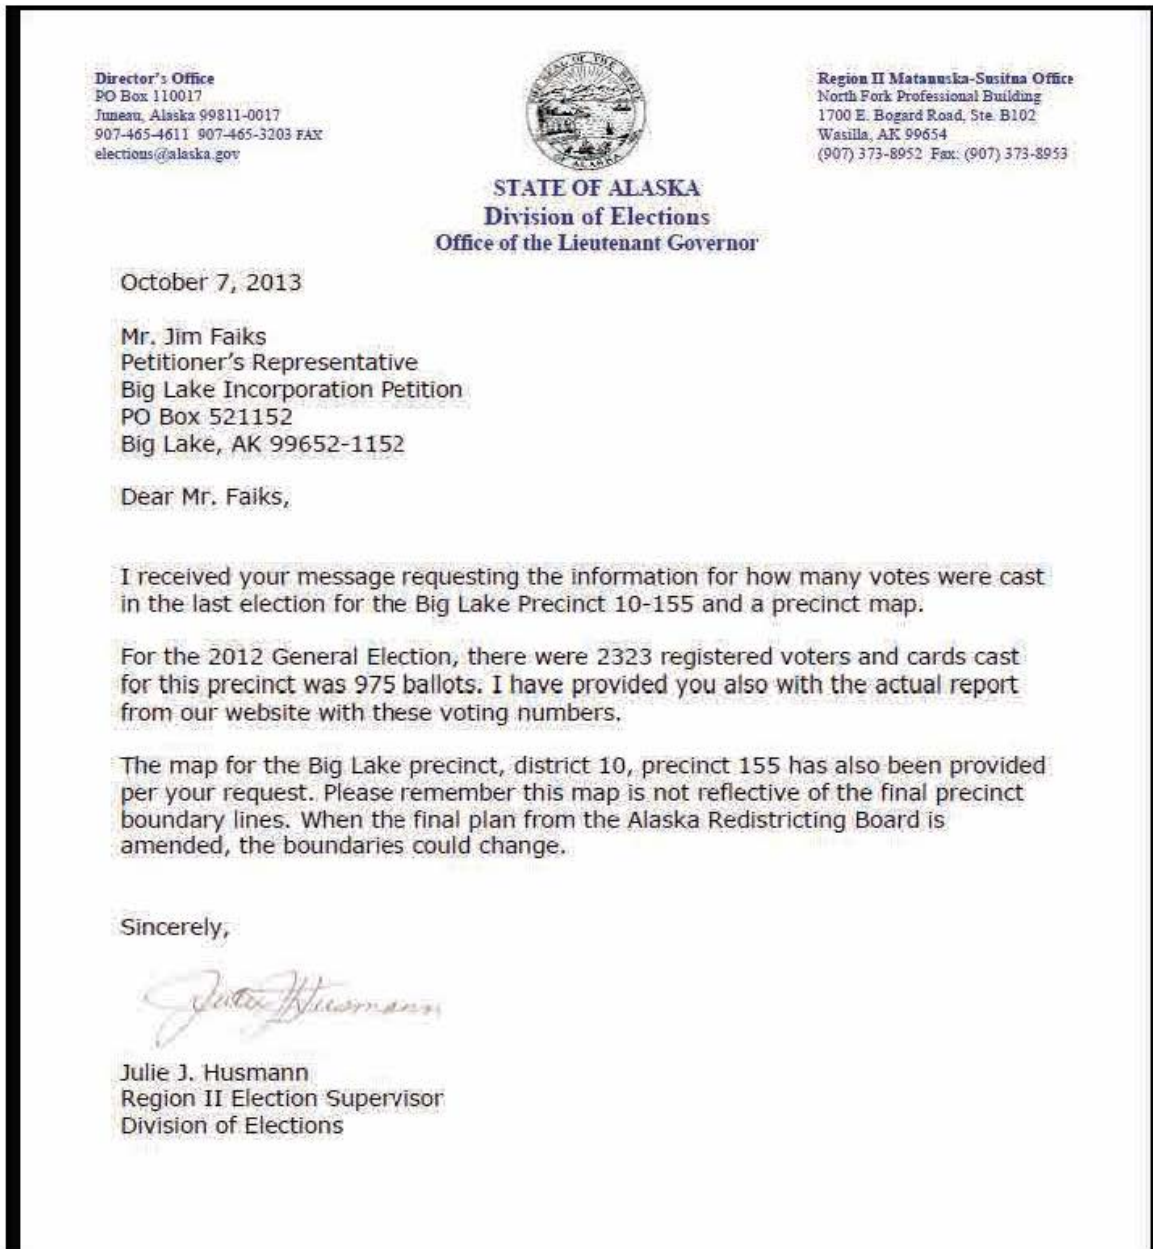

It is in this spirit that the citizens of Big Lake, Alaska, wish to incorporate and become a Second Class City. The citizens of Big Lake embrace the idea of protecting life, liberty and, in this Petition, set out to pursue happiness and show our desire to enjoy the rewards of private industry and exercise local responsibility, rather than our current system, which relies too heavily on the borough and the State. A local government is better able to respond to the needs of residents quickly and more cost efficiently than the Borough or the state.

The petitioner believes that incorporation will provide an equitable avenue to fund these services and to provide an appropriate manner in which to interact with State and other local government agencies and that through incorporation Big Lake would be able to:

- Create a process for local citizens to make informed and binding decisions using a city council form of government backed by the people's right of initiative and referendum
- Better provide the level of service desired by the community
- Establish, as needed and desired, controls over development that affect the quality of life in the Big Lake community due to pressures of increasing population
- Provide a credible local voice to deal with all political and bureaucratic entities; and
- Better match operating and capital funds with local priorities.

STATE OF ALASKA )

3 RD JUDICIAL DISTRICT )

**AFFIDAVIT OF PETITIONERS' REPRESENTATIVE**

I, James L. Faiks, representative of the petitioners for incorporation of the City of Big Lake, Alaska, being sworn, state the following:

1. The description of the boundaries for the territory proposed for incorporation presented in Exhibit B is the Road Service Area #21 provided by the Mat-Su Borough.
2. The map depicting the boundaries of the territory proposed for incorporation presented in Exhibit B-2 was prepared by the Mat-Su Borough.
3. The estimated population of the territory proposed for incorporation presented in Section #9 of the petition was provided by the Mat-Su borough.
4. The information provided in Section #11 of the petition concerning the taxable value of property in the area proposed for incorporation was provided by the Mat-Su Borough.
5. The information provided in section 14 of the petition concerning existing borough taxes was provided by the Mat-Su Borough.
6. The information provided in section #13 of the petition concerning existing Borough services was provided by the Mat-Su Borough.
7. The transition plan presented as Exhibit E was prepared in consultation with the following persons: Don Moore, Deputy Borough Manager; John Moosey, Manager of the Mat-Su Borough; Darci Salmon, Borough Assembly member; Eric Phillips, Director Community Development Mat-Su Borough; Eileen Probasco, Planning Director Mat-Su Borough.
8. The information contained in the petition for incorporation is complete and factual to the best of my knowledge.

October 3, 2013

Jim Falks  
P.O. Box 521152  
Big Lake, AK 99654

RE: Big Lake City Formation and Vote

Dear Mr. Falks,

It was a pleasure meeting with you and your team yesterday regarding the exploration of forming a new city in the Big Lake area. The Borough is pleased to be able to assist you in your efforts. We can do so by providing staff assistance with information requests, and assistance in formulating a transition plan. If the citizens of Big Lake elect to form the fourth city in the Matanuska-Susitna Borough, my office will work to make that a successful transition.

Should you have any further questions on needed assistance, please do not hesitate to contact my office.

Sincerely,

  
John M. Moosey  
Borough Manager
