

LBC,

9-24-15

I am a commercial fisherman and a Dillingham resident. I am in ~~strong~~ support of the Nushagak annexation petition. With ever shrinking state budgets it make sence for the population center of Bristol bay - Dillingham to join the other 4 districts and tax its fishery.

Im sure we can figure out how to share it fairly. Lets wrap our arms around this revenue as soon as possible.

Sincerely,
MATT O'CONNELL
