To Whom' it may concern,

Dillingham Annexation;

I am writing this letter to inform you that the Manokotak Village Council and the Residents of Manokotak opposes the Dillingham Annexation. This is due to charging the Manokotak Set Net and Drift fisherman, that fish in the mouth of the Igushik River and Nushagak Bay with the Raw Fish Tax. Since most Manokotak residents heavily rely on Commercial and Subsistence Fishing in the Igushik and Nushagak section for the long winter ahead, and most fisherman are unemployed during the winter due to low job openings. We, as a Council (Manokotak Village Council) chose to oppose the Dillingham Annexation. Any further questions you may contact us at the number given above, Thank you.

Sincerely,

Manokotak Village Council

Wassillie Tugatuk Sr.
