

STATE OF ALASKA
DEPARTMENT OF COMMUNITY AND REGIONAL AFFAIRS

CERTIFICATION OF BOUNDARIES

CITY OF ST. MARY'S

I, Lee McAnerney, Commissioner of the Alaska Department of Community and Regional Affairs, hereby certify that effective March 7, 1981, the territory of the City of St. Mary's was expanded as follows:

The City of St. Mary's submitted a petition to the Local Boundary Commission on August 9, 1979 for the annexation of approximately 31.36 acres. The annexation was proposed pursuant to 19 AAC 15.010 - 19 AAC 15.130, which requires the approval of the voters of the territory proposed for annexation. However, for compelling reasons the Local Boundary Commission exercised its authority under 19 AAC 15.070(c) to treat the petition as a Legislative Review annexation proposal.

On November 15, 1979, the Local Boundary Commission conducted a physical inspection of the territory proposed for annexation and held a public hearing on the proposed annexation.

On February 29, 1980, the Local Boundary Commission held a decisional meeting on the issue. Based largely on testimony received at the November, 1979 hearing, the Local Boundary Commission decided to amend, and subsequently accept, the petition for annexation to include all of the Andreafsky Townsite as described in Order Number 67-6 of the Superior Court for the State of Alaska, Second Judicial District, providing for the incorporation of the City of St. Mary's.

On January 21, 1981, pursuant to Article X, Section 12 of the Constitution of the State of Alaska, the Local Boundary Commission submitted its recommendation to the First Session of the Twelfth Legislature for the boundary change detailed above. The Legislature did not disapprove the recommended boundary change as provided in Article X, Section 12 of the Constitution. Therefore, the boundaries of the City of St. Mary's, as described below, became effective on March 7, 1981:
