To whom it may concern; Eileen Collin- local boundary commission

This Letter is in regards of the Proposed Nikiski Boundaries,

I, Marcy Valka, am a Resident of The Native Village of Tyonek.

I am AGAINST the proposed boundary changes that WILL AFFECT

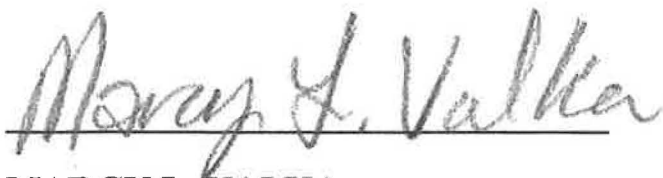

My Native Village, My HOME!

This will also voice over our Village's Voices;

especially when time comes for Votes & Changes.

We will not have our voices to be heard when the Corporations we have been fighting tries to come for The CHUITNA! We do not need more battles for our voices and opinions or concerns. NO THANK YOU.

The Native Village of Tyonek and our surrounding hunting grounds that we depend on should not be part of the Proposed Nikiski Boundary. We do not need more trouble coming this way to run off what little we have left in our Heritage. Instead I am for our own Community to improve our own Tribal Council and Native Village.

A handwritten signature in cursive script that reads "Marcy L. Valka". The signature is written in dark ink and is positioned above a horizontal line.
