You don't often get email from gordon_chew@msn.com. [Learn why this is important](#)

CAUTION: This email originated from outside the State of Alaska mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

We see no benefit for our business, our family or our City in this proposal so we would like to remain stewards of our own area.

We have seen what has happened to the forest in and around Hoonah and do not condone deforestation for profit.

Thank you for some consideration.

Sincerely,

~Gordon W. Chew, owner
