General Information

- Federal program funded by the U.S. Dept. of Housing and Urban Development (HUD)
- For the 2025 funding cycle, we will have approximately \$2.6 million to distribute statewide
- Will fund approximately 5 to 7 applications

National Objectives

Title I of the Housing and Community Development Act of 1974 identifies three national objectives:

- *Benefit Low and Moderate Income people*
- *Prevent slums and blighted areas (inner city)*
- *Address urgent community development needs*

Housing & Community Development Plan

- Comprehensive statewide plan for Housing and Community Development
- Coordinated with other agencies that receive HUD funds (AHFC, Mental Health Trust)
- 5-year plan
- Annual updates
- Public participation

State's Priorities

- Health and safety issues
- Address public facility problems
- Combine and coordinate funds
- Benefit LMI persons

Activities Considered to Benefit LMI

- **Area-Wide Benefit**
- **Limited Clientele**
- **Housing**
- **Job Creation or Retention**

Area-Wide Benefit – Basic Rule

- **An activity that benefits all residents in a particular area or areas, where at least 51% of the residents are Low and Moderate Income persons**
- **An activity which serves an area that is not primarily residential does not qualify**

Limited Clientele – Basic Rule

An activity which benefits a clientele who are generally presumed to be principally LMI:

- Abused children
- Battered spouses
- Severely disabled adults
- Migrant farm workers
- Elderly persons
- Homeless persons
- Illiterate adults
- Persons living with the disease AIDS

Housing Activities

- An activity which adds or improves permanent residential structures
- *Note:* The State of Alaska CDBG program does not target housing activities although they are eligible under the CDBG guidelines

Job Creation or Retention

- A job activity is one which creates or retains
 - **permanent jobs,**
 - at least 51% of which are either **held by** LMI persons, or **considered to be available to** LMI persons
- Jobs which are created only during the construction of a CDBG project **do not count** toward job creation

- Build America, Buy America (BABA)

Build America, Buy America (BABA)

- HUD has implemented a new policy providing preference to American-made products
- For FFY23, this requirement is specific to projects over \$250,000 using iron and steel.
- If this applies to your project(s), BABA may go into effect and your contractor may be asked to provide proof of compliance*

*Note: HUD is working to introduce a waiver to BABA if certain requirements are met

An application will most likely score well if...

- There is evidence that the community has thought the project through;
- There is strong, documented community support;
- Documentation verifying funds are available to complete the project and to operate it when the project is complete;
- There is someone within the City/Borough who is taking on the project.
