2010 Made In Alaska Workshops

Made In Alaska's 2010 Workshops are scheduled for the first quarter of the year in nine cities.

This year we are enhancing the workshops by adding new subjects. In addition to the popular subjects "Basics of Marketing" and "How To: Digital Photography" the following subjects will be addressed at each of the workshops; Producing Effective Post Cards, New Media On-line, and Distribution Ideas.

"Basics of Marketing" will cover the basic marketing techniques used by successful small businesses.

"Effective Postcards" will cover the benefits of postcard marketing, designing effective postcards to ensure you get the most bang for your buck.

"New Media Online" will cover online marketing and advertising, social media, and convenient and cheap methods to market your company's product/services online.

"Distribution Ideas" will cover the who, what, where, and why of product distribution in Alaska.

"How To: Digital Photography" will be a hands on workshop that requires participants to bring items to be photographed. You will gain a photograph of that item on a CD and the

knowledge to do it yourself. Made In Alaska Workshops are FREE and open to all permit holders as well as the public. However, only Made in Alaska and Silver Hand permitted items will be photographed at the photography workshop.

Make reservations by calling 272-5634 or emailing dana@anchoragemarkets.com. Please specify which workshop, names of attendees, company name, and telephone number.

Following is the schedule of the times of each subject, at each workshop; with the exception of the Anchorage workshop.

2010 Alaska Showcase

Who: Current permit holders of Made In Alaska, Silver Hand and Alaska Grown are invited to participate in Alaska **Showcase** 2010 where you will meet and display your products to managers and buyers from many of Alaska's largest chain store retailers. Representatives of the following chain stores are being invited to participate:

Costco	Sam's Club	Wal-Mart
Walgreens	Target	Carrs/Safeway
Fred Myers	Kohl's	Lowes
Home Depot	Spenard Builder's Supply	Bed, Bath & Beyond
BP Exploration Alaska	Conoco Phillips	New Sagaya
Ft. Richardson	Elmendorf AFB	Sears & Roebucks
Barnes & Nobel	Boarders	Princess Tours
Three Bears	Holland America	

What: Alaska **Showcase** 2010 will have 8' x 30" tables with white cloths set for each participating permit holder to display their products and promotional materials. These tables will cost \$50 each. Those desiring to serve hot food may have it prepared on premises and served by Dena'ina Staff at an additional cost of \$150 per permit holder using this service. Beer, Wine or Vodka may be served in a restricted (over 21) area of the room at an additional cost of \$150 per permit holder using this service. We expect 80-100 people to attend and those serving food and liquor should provide enough products to serve this amount. As the mix of products sold in the invited stores is varied, we encourage all permit holders who wish to expand their business and have the capability of high quantity production to participate. Coffee, tea and soft drinks will be provided by Made In Alaska.

Governor Parnell and his staff, as well Commerce Commissioner Notti and his staff are assisting Made In Alaska in this effort and we expect very good attendance by the buying organizations. We hope to discuss with them "open to buy" or other mechanisms that will allow local store managers to buy Made In Alaska products without going through central purchasing systems in other states. Permit holders currently selling to some or all of these stores may wish to use this event to introduce new products; solidify your relationships with key managers and buyers and insure the buyers are aware of your Alaska production and participation in Made In Alaska, Silver Hand or Alaska Grown programs.

When: Alaska **Showcase** 2010 will be held on **February 16, 2010** from 1:00 to 6:00 PM. Made In Alaska will hold a Webinar on Wednesday, February 3, 2010 at 1:00 PM and repeated that same day at 7:00 PM that will inform interested permit holders of the basic things they should be aware of and prepared for when selling to high volume chains, price bracketing, insurance, UPC codes, inventory, etc. This Webinar will be presented by Michael Hanzuk of the State of Alaska, Office of Economic Development (OED). Reservations for both the event and the Webinar may be made by contacting the Made In Alaska office.

Where: Alaska **Showcase** 2010 will be held on in the Tubughnenq' (Tyonek) Room on the second floor of the Dena'ina Civic & Convention Center located at 600 W. 7th Avenue (7th Ave & F Street) in downtown Anchorage.
