[@anchoragemarkets.com](http://@anchoragemarkets.com)

Dear Permit Holders

We are proud to introduce 52 new permit holders enrolled in the last three months and hope to encourage new and old permit holders to attend our upcoming work shops we are planning for 1st Quarter of 2012. These workshops are free and a lot of fun for everyone, it is a great way to see new Made In Alaska products and meet some really great people.

### Meet Christina

Join us in welcoming Christina Hoglin to our staff as the Administrative Coordinator and Inspector. Christina is finalizing her degree at UAA and has recently left a multi location espresso company where she served as general manager. We hope you introduce yourselves to Christina when you see her at the upcoming workshops or stop by our office. She is very excited to be working with so many talented business people and is interested in seeing all of your products.

Christina is filling the position currently held by Olya Semiryazhko who is moving with her husband to Portland, OR to fulfill their destinies. We have loved working with Olya the past two years and wish her the very best in her new endeavors.
