

**National Forest Receipts Program (NFR)  
Municipality Instructions  
FY2021 Application Requirements and Certification**

National Forest Receipts Program regulations (3 AAC 132.050) require all entities that may be eligible for participation in the national forest receipts program (3 AAC 132.040) to submit to an annual application including:

- Copy of State DOT road maintenance agreement (if applicable),
- An annual accounting report for State Fiscal Year (SFY) 20 Schools and Roads payment,
- DUNS Number, and
- Certification and Assurances.

**Schools Payment:**

**3 AAC 132.070. Calculation of average daily membership**

The amount of a payment made under the national forest receipts program to a regional educational attendance area or a municipal school district in the unorganized borough for public schools will be calculated based upon the average daily membership of school districts as determined under AS 14.17.600 and AS 41.15.180 (m), for the state fiscal year immediately preceding the application year.

**Roads Payment:**

**3 AAC 132.080. Calculation of locally maintained roads**

(a) The amount of a payment made under the national forest receipts program to a municipality in the unorganized borough for public roads will be calculated based upon the number of road miles located within the municipality over which the municipality exercises road powers plus the number of state road miles maintained by the municipality under a road maintenance agreement with the state in effect as of September 30 of the state fiscal year immediately preceding the application year.

To find your total NFR payment amount for SFY 20 go to website:
