

Angoon Activity Report

Gina Shirey, LGS/RUBA, Southeast Regional Office

General Information:

In the previous quarter, the City of Angoon expressed an interested in participating in a pilot billing project. RUBA activity for the 4th quarter revolved around trying to get the required information to the contractor (Alaska Village Electric Co-op) so that the City could participate in the project. The City failed to get the required information to the contractor and, as a result, is not participating in the pilot project. It is unclear at this time if the City is interested in additional RUBA assistance.
