## RUBA Activity This Reporting Period

Staff from Larsen Bay attended the Introduction to QuickBooks Pro class held in Anchorage February 11-14, 2003. The City Clerk and Tribal Council Clerk (who will be backup to the City Clerk) spent four days with 13 other participants learning the basics of QuickBooks Pro in a hands-on setting conducted at the UAA computer lab. RUBA staff and the QuickBooks Contractor scheduled a trip to Larsen Bay to install QuickBooks Pro 2003 and provide onsite training. The trip was canceled due to weather and is rescheduled for April.

The City Clerk requested assistance researching child labor laws. The City wished to sponsor a program to hire children after school to learn job skills and promote responsible behavior. Copies of limited employment standards for children were provided. The younger ages (10-14) are unable to be employed, however, working for commissary certificates or non-wage

benefits was offered as an option. The City is commended for attempting to teach work ethics to the youth and promoting a future labor pool.
