

Port Alexander Activity Report

Gina Shirey, LGS, Southeast Regional Office

General Information:

On February 9, 2000, Gina Shirey spoke with Mayor Laura Rideout. The mayor said they were approved for a grant to upgrade the water plant that includes money for meters. This grant needs to go to the Legislature for final approval. They are not yet ready to set up a billing system since not everyone has a meter. Gina mentioned the possibility of a flat rate until everyone has meters. The mayor thinks it would be good to bring that up at budget time.
