

Russian Mission Activity Report

Community Overview

Lead RUBA Staff: Johnny Evan, Bethel Office
 2002 Population: 328
 Region: Lower Yukon
 Local Governments: City Council and Tribal Council

The City operates the Piped Water Sewer system. Water is derived from a deep well, and distributed via buried pipes throughout the community. Most homes are connected to the piped sewage system, including 25 new HUD homes. The City has requested funds to replace the plumbing and fixtures in 15 homes, and to renovate the aging water treatment plant.

RUBA Activity This Reporting Period

The City Council still needs to accept the RUBA Assessment recommendations. The City hired a new City Clerk and is currently receiving assistance from the former City Clerk.

Capacity Indicators

Finances

- | Yes | No | |

| <input type="checkbox"/> | <input checked="" type="checkbox"/> | Budget amendments are completed and adopted as necessary. |

Finances Comments: The City of Russian Mission does not charge a user rate to the residential customers, therefore, it is beginning to have problems in paying its utility staff and cannot repair the basic replacements due to insufficient funds. The community is still considering whether to implement a sales tax to fund future water sewer operations. The community did not act on the recommendations to brainstorm future funding for the utility services.

Personnel System Comments: A new City Clerk was hired, and would like general office assistance.

Organizational Management

Essential Indicators

Yes No

- The entity that owns the utility is known and the entity that will operate the utility is set.
- The policy making body is active in policy making of the utility.
- The policy making body enforces utility policy.
- The utility has an adequately trained manager.
- The utility has an adequately trained bookkeeper.
- The utility has an adequately trained operator(s).
- The utility has adopted the necessary ordinances (or rules and regulations) necessary to give it the authority to operate.

Sustainable Indicators

- The utility has adopted an organizational chart that reflects the current structure.
- The policy making body meets as required.
- The utility complies with the open meeting act for all meetings.

Organizational Management Comments: There is no water sewer policies to enforce, as the utility service is free to residential customers. An organizational chart has never been developed, but will soon be a reality once the City Council accept the community work plan.

Operation of Utility

Essential Indicators

Yes No

- The utility operator(s) are actively working towards necessary certification.
- The utility has a preventative maintenance plan developed for the existing sanitation facilities.

Sustainable Indicators

- The manager receives a monthly O&M report from the utility operator and routinely “spot checks” the facilities to see that the maintenance items are being completed.
- The utility has a safety manual and holds safety meetings.
- Utility facilities have not suffered any major problems/outages due to management issues that are still unresolved.
- The utility is operating at the level of service that was proposed.
- The operator provides status reports to the manager on a routine basis.
- The utility has completed and distributed its Community Confidence Report (CCR).
- The utility is not on the Significant Non-Compliance (SNC) list.
- The utility maintains an inventory control list.
- The utility maintains a critical spare parts list.

Operation of Utility Comments: The water treatment plant operator is OIT Certified, and in accordance to the community population, he does not need to surpass the level one. A safety manual has never been adopted, resulting in an ineffective safety program for the facility. An inventory list for the facility has never been done, but was taking place as the new grant requires an inventory on the water treatment plant.

RUBA Activities For The Coming Quarter

Provide general office procedures for the new City Clerk, and follow-up on the RUBA Recommendation Letter.
