Subject: City of Valdez Riverine and Coastal Draft Maps

You are receiving this message because you are subscribed to receive project updates from STARR on the City of Valdez, Alaska.

The draft workmaps for the City of Valdez are available for download:

<http://www.starr-team.com/starr/RegionalWorkspaces/RegionX/Valdez/Preliminary%20Maps/Forms/AllItems.aspx>

These workmaps show the proposed flood hazard areas, as well as the effective flood hazard areas for comparison. FEMA will be contacting you in the near future to set up a Flood Study Review Meeting so that your community has an opportunity to discuss the workmaps and the methodologies that were utilized in their production. In the meantime, should you have any questions please do not hesitate to contact me. My contact information is below.

NOTE: If you have trouble downloading or are prompted for credentials when clicking the file name on the website, cancel the prompt and instead **right-click** the file name and choose "Save As" or "Save Target As".

Sincerely,

Errol DuFour, GISP, CFM

Senior GIS Analyst
