## **BULK FUEL REVOLVING LOAN PROGRAM INFORMATION**

### **LOAN PURPOSES**

Loans may be made to assist communities in purchasing bulk fuel oil, gasoline or biomass, including the shipping costs of the fuel to the community.

### **ELIGIBILITY**

Loans may be made to a municipality or unincorporated village with a population under 2,000, or a private individual or company retailing fuel or electricity in such a community. Determination of eligibility will be evaluated on an individual basis by the State of Alaska Department of Commerce, Community, and Economic Development (DCCED), Division of Community and Regional Affairs (DCRA).

Two separate loan accounts are established within the Bulk Fuel Revolving Loan Fund (1) the bulk fuel loan account and, (2) the bulk fuel bridge loan account.

The Division shall make loans from the bulk fuel loan account or the bulk fuel bridge loan account as provided in AS 42.45.250-42.45.299.

### **INTEREST RATE**

Interest shall be charged on a bulk fuel loan or bulk fuel bridge loan at a base rate of four percent except as provided by AS 42.45.280(b) and (c);

- 1) First time borrowers of a bulk fuel bridge loan shall be charged zero percent; second and subsequent bridge loans shall be charged at the base rate of four percent.
- 2) For recipients of bulk fuel loans, interest rates will be determined by the Division based on the borrower's repayment history and other criteria. The interest may be reduced by one percent for borrowers with at least one previous bulk fuel loan or two percent for a borrower with two or more previous bulk fuel loans made by the Division.

### **LOAN TERMS**

Approved loans are payable in nine equal monthly payments and must be repaid during that term unless an alternate payment schedule has been approved by the DCRA. Shorter terms may be required in special circumstances as determined by the DCRA. All loans must be paid within one year from date of disbursement. The amount of the loan, added to the amounts of all other bulk fuel revolving loan principle balances to the same borrower may not exceed \$750,000. A cooperative organization representing more than one community may qualify for a maximum loan amount not to exceed \$1.8 million.

### **COLLATERAL**

Borrowers may be required to secure a bulk fuel revolving loan by submitting a resolution adopted by the governing body with payments from the State of Alaska for funds provided by Community Assistance Program, Payment in Lieu of Taxes (PILT), Power Cost Equalization (PCE), or other programs to the Bulk Fuel Revolving Loan Program.

## **LOAN APPROVAL**

No loan will be granted without approval of the State of Alaska DCRA.

AGREEMENT AND PROMISSORY NOTE**

(AS 42.45.250)

(Page 1 of 3)

This agreement and promissory note is made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_, by and between the State of Alaska ("Lender") and \_\_\_\_\_ ("Borrower").

1. The Lender, subject to the terms and conditions set forth in this agreement, agrees to loan an amount of money not to exceed \$ \_\_\_\_\_ to Borrower to enable it to purchase bulk fuel to generate power or supply the public with fuel for use in the community of \_\_\_\_\_.
2. Borrower agrees the loan proceeds will be used only for purchasing fuel and paying for the necessary transportation costs of the fuel to the community of \_\_\_\_\_. Borrower agrees the loan proceeds may not be used to make a profit, unless the profit is used to purchase additional community fuel supplies. Borrower further agrees that it will obtain approval for the transportation costs from Lender before incurring those costs.
3. Borrower agrees that the proceeds of the loan will not be used to purchase any product except bulk fuel (including cost of transportation).
4. Borrower further agrees that, before the Lender loans money to the Borrower under this Agreement:
  - (a) The Borrower will provide information satisfactory in content and quality to the Lender on the following:
    - (1) The reason for the fuel shortage or need for assistance; and
    - (2) The types of fuel and the quantity of fuel required.
  - (b) The Borrower will submit to the Lender information about the shortage of fuel, the bulk storage available for fuel, the proposed resale cost of the fuel in the community, and other fuel-related information requested by the Lender.
  - (c) The Borrower will submit to the Lender a resolution of the governing body of the community, or its board of directors, as appropriate, on the form attached, authorizing the Borrower to enter into and execute this Loan Agreement and Promissory Note evidencing the loan and such other documents as the Lender may require. The resolution will authorize the Borrower to borrow from the Lender an amount not to exceed \$ \_\_\_\_\_ plus interest not to exceed four percent and will further authorize completion of this Loan Agreement and Promissory Note by the DCRA.
5. The Borrower hereby authorizes the Lender to fill in the blanks of the Loan Agreement and Promissory Note with:
  - (1) The amount of the principal sum once that amount is determined, in an amount not to exceed \$ \_\_\_\_\_ and
  - (2) With the interest rate for the loan, if any, once that amount is determined, in an amount not to exceed four percent.

Lender may modify the terms of the Loan Agreement and Promissory Note, without the written consent of the Borrower, to accommodate additional advances under the agreed upon amount, however such advances will not exceed the maximum amount as stated in the Loan Agreement and Promissory Note. The Lender will send to the Borrower, by certified mail with return receipt requested, a copy of the completed Loan Agreement and Promissory Note.

6. For value received, the Borrower \_\_\_\_\_ promises to pay to the order of the State of Alaska the principal sum of an amount not to exceed \$ \_\_\_\_\_ **(to be completed by DCRA) plus interest in the amount of \_\_\_\_\_ % per annum**, accrual to begin at date of disbursement. Loan funds may be disbursed multiple times to pay invoices for fuel and delivery; the principal and interest shall be due and payable in nine (9) equal installments for each disbursement of loan funds unless a different payment schedule has been agreed to by the parties. The Undersigned hereby waives demand, protest, and notice of demand, protest of non-payment, and expressly agrees that this Note or any payment hereunder may be extended from time to time, and consents to the acceptance of security or further security, including other types of security, all without releasing the liability of the Borrower in any way.
7. The Borrower agrees to secure this loan with its fuel revenues and other legally available monies. This may include, but is not limited to payments from the State of Alaska for funds provided by Community Assistance Program, Payment in Lieu of Taxes (PILT), Power Cost Equalization (PCE), or other programs to the Bulk Fuel Revolving Loan Program.
8. The Borrower agrees that if any payment is more than 30 days late, the Lender is authorized to have the State of Alaska or the Borough in which the borrower is located pay any monies due to the Borrower directly to the Bulk Fuel Revolving Loan Fund, up to the amount of the outstanding balance.
9. The Borrower agrees to repay the loan over a period of no longer than nine months pursuant to the terms of the Agreement and Promissory Note, to provide the collateral for the loan that the Lender may require, and to execute documents and to take action as the Lender may require in connection with the loan and the securing of the loan with collateral.
10. Under this Agreement, if a payment is not received by the State of Alaska when due (a "default") and if the payment is not made prior to the due date of the next payment, the entire unpaid sum shall at once become due and payable at the option of the Lender. Failure to exercise this option shall not constitute a waiver of the right to exercise the same option in the event of any subsequent default. If any suit or action is instituted to collect under this Agreement, the Borrower promises and agrees to pay, in addition to the costs and disbursements provided by statute, a reasonable sum as attorney fees in such suit or action.
11. The Borrower agrees that no person or persons shall, on the grounds of race, creed, color or national origin, be excluded from participation in, be denied the proceeds of, or be subject to discrimination in the use of this loan.
12. This Agreement and Promissory Note shall be governed by the laws of the State of Alaska. All disputes or claims arising under this agreement will be brought in the Superior Court, State of Alaska, Third Judicial District at Anchorage.
13. The Parties hereto have executed this Loan Agreement and Promissory Note as of the date above written.
