DIVISION OF CORPORATIONS, BUSINESS AND
PROFESSIONAL LICENSING

Architects – Engineers - Land Surveyors - Landscape Architects

Online renewals will only be accepted October 31, 2017 - December 31, 2017. Paper renewals will be accepted from October 31, 2017 - September 30, 2018. Licenses not renewed before December 31, 2017 will lapse on January 1, 2018.

NOTE: You will not be able to renew online if you intend to retire your license, answer yes to one of the general questions, or are subject to the continuing education requirements and request an exemption. Licenses with a first issue date on or after October 1, 2015 are exempt from continuing education for their first renewal.

Paper renewal forms may be downloaded from the website listed below. Please be aware processing time for paper applications may take up to six weeks. Paper renewals must be mailed. Faxed or e-mailed forms will not be accepted. Licenses will be issued effective the date of the postmark or if the postmark is unreadable the date of receipt.

NO GRACE PERIOD

Your registration to practice as an architect, engineer, land surveyor, or landscape architect in the State of Alaska is lapsing. It is illegal for you to practice if your registration has lapsed. There is no grace period.

RENEWAL PROCESSING TIME

Online renewals will be processed at the completion of a successful web application. Paper/hard copy renewals will be renewed as of the postmark date on the envelope. Again, processing time for paper renewals may take up to six weeks, so please plan accordingly. A license is considered lapsed if not renewed prior to its expiration date. Incomplete applications or insufficient fees will result in your renewal being rejected.

NAME CHANGE

If you have had a legal name change since your last registration was issued, you must apply on paper and enclose a certified true copy of the legal document (marriage certificate, divorce decree, etc.) as proof of the change. You cannot change your name during an online renewal request.

EXPIRED REGISTRATION

If you choose not to renew your registration before it expires, you may renew your registration at a later date only after satisfying the requirements of AS 08.48.231, 12 AAC 36.165, and 12 AAC 36.500.550. Registrations that have been lapsed more than five years cannot be renewed and a reinstatement form is required.

RETIRED REGISTRATION

Upon retiring from practice and payment of the required fee, a registrant in good standing (current, with no stipulations) may apply for a "retired" status registration. An architect, engineer, land surveyor, or landscape architect may not practice architecture, engineering, land surveying, or landscape architecture on a retired registration. Before you place your registration in retired status, please review 12 AAC 36.115 regarding reactivation requirements.

12 AAC 36.115. RETIRED STATUS REGISTRATION

(a) An individual holding a retired status registration under AS 08.48.215 may use the title "architect," "engineer," "land surveyor" or "landscape architect" as appropriate but may not indicate that the individual is practicing or soliciting to practice architecture, engineering, land surveying or landscape architecture in the state.

(b) The board will issue an active certificate of registration to an individual who holds a retired status registration if the applicant submits a completed application for reactivation on a form provided by the department; pays the biennial registration renewal fees established in 12 AAC 02.110; and meets the requirements of 12 AAC 36.165(b), if the individual has held a retired status registration for more than five years, meets the continuing education requirements of 12 AAC 36.500-550, if applicable.

PAYMENT OF CHILD SUPPORT AND STUDENT LOANS

If the Alaska Commission on Postsecondary Education has determined you are in loan default, or if the Alaska Child Support Services Division has determined you are in arrears on child support, you will be issued a nonrenewable, temporary license valid for 150 days and your fee will not be refunded. Contact Postsecondary Education at 1-888-441-2961, in Juneau at (907) 465-2961 or Child Support Enforcement at (907) 269-6963 to resolve payment issues.

RENEWAL DUE DATE

If you are prompted to complete your renewal by mail, the processing time for properly completed paper renewal applications is six weeks after receipt. Please plan accordingly and submit your paper renewal application as soon as possible to ensure processing by the lapse date. Online renewals will be processed at the completion of a successful web application. **Do not submit your application early if you have not completed your continuing education.**

CONTINUING EDUCATION

Before a license can be renewed, the licensee must comply with the continuing education requirements of 12 AAC 36.500 - 12 AAC 36.550. Permanent licenses issued on or after **October 1, 2015** are not subject to continuing education for **this renewal only**. All other licensees are required to complete 24 hours of approved continuing education during the concluding licensing period.

RANDOM AUDIT

The Board will audit a percentage of the license renewals. If your license is randomly selected for audit, you will receive a letter and requesting you to submit copies of documentation and proof that you satisfied the continuing competency requirements as you stated on the renewal form. Licensees are randomly selected by computer and may be randomly selected as often as the computer program chooses. Please save your documents for at least 4 years so you can respond to audits.
