

## COVID-19 Alaska Health Mandate 15: Do I have the option to perform massage therapy?

*You must be able to answer "yes" to all questions before performing the service.*

### Does this service or procedure require an in-person visit?

**Yes.**

This service is defined as a manual technique and cannot be performed via telehealth.

**No.**

My profession does not have a provision for massage therapists to provide telehealth.

### Am I a health care provider or employed by a health care facility?

**Yes.**

I am listed in Section IV-b and defined as Health Care Delivery under Section I.

**No.**

I am not listed in Section IV-b and defined as Health Care Delivery under Section I.

### Is my facility compliant with all sections of the mandate and attachments?

**Yes.**

My employer has provided all PPE and planning required in Mandate 15 & Appendix 1 according to the type of services I am performing.  
If self-employed, I am compliant with these requirements.

**No.**

I am unable to comply with all sections of Mandate 15 & Appendix 1 because my employer has not provided the PPE or planning required for the type of services I will be performing.  
If self-employed, I have not met these requirements.

### Can all employees safely utilize required PPE and implement safety protocols?

**Yes.**

My employer has provided all PPE required in Mandate 15 & Appendix 1 and I am able to utilize the PPE and implement required safety protocols.  
  
I am providing my own if self-employed.

**No.**

My employer has not provided the mandatory PPE required in Mandate 15 & Appendix 1 and/or I am unable to utilize the PPE and implement required safety protocols.  
  
If self-employed, I have not obtained or cannot use required PPE and/or implement safety protocols.

### Can I safely meet the standards of practice, safety, and sanitation required in statute or regulation for my profession?

**Yes.**

I have verified by checking [online](#) with my licensing board.

**No.**

I have not verified with the board or am unable to meet the standards of practice.
