32 suggested that since the legislature did not take any action on the Board's statement regarding the  
33 transgender care of minors, the Board may want to explore drafting a resolution which identifies the  
34 treatment of transgender care of minors as constituting unprofessional conduct. Dr. Heilala volunteered  
35 to help draft a statement or resolution for the Board's consideration. Similarly, Dr. Heilala suggested  
36 that the Board issue a statement to educate the public about the expansive nature and lack of  
37 regulation of abortion in Alaska and to explore what else the Board can do about this. Dr. Heilala also  
38 volunteered to help draft a statement about abortion for the Board's consideration. Several members  
39 voiced their support for these ideas.  
40

41 On a motion duly made by Mr. Wilson, seconded by Dr. Barnes, and approved by roll call  
42 vote, the Alaska State Medical Board designated Dr. Heilala to work with the Board Chair to

12       board members a summer break. Dr. Barnes advised that he has a conflict with the August 15 date, set  
13       for the next quarterly meeting. Chair Taylor requested the Executive Administrator to poll board  
14       members to determine a workable date for all.
