- **Introduction** of Workgroup Goals
 - Goal 1: Identify current gaps in compounding oversight
 - Goal 2: Build Sterile and Non-Sterile Compounding Inspection forms
 - Goal 3: Ensure Regulations support new inspection oversight (*if not, may need regulation project*)
 - Timeline: Hoping to present inspection forms and any regulations updates at August 2026 Board meeting
- **Review of Washington State Board of Pharmacy regulations** on compounding practices. (WAC 246-945-100 Compounding minimum standards.) Link: <https://doh.wa.gov/licenses-permits-and-certificates/professions-new-renew-or-update/pharmacy-professions/pharmaceutical-firms-compounding-standards>
- **Review of Washington State Board of Pharmacy Self Inspection:** Under the "2026 USP <797> Sterile Compounding Self-Inspection Addendum" *Their Pharmacy Inspector Supervisor told me that their inspection process mirrors the self-inspection forms that can be located here: <https://doh.wa.gov/licenses-permits-and-certificates/facilities-z/pharmacies-and-pharmaceutical-firms/inspections>
- **Review of South Carolina Board of Pharmacy website** for compounding inspection forms. Link: <https://llr.sc.gov/bop/inspection.aspx>
- Planning and task assignment for next meeting
