CPA EXAM/NTS - COVID19 UPDATE (5/2021)

The Alaska Board of Public Accountancy will not be offering any additional blanket extensions.

If you are an exam candidate that is requesting a score and/or NTS extension due to covid19, you need to submit that request directly to NASBA; <https://nasba.org/exams/cpaexam/alaska/>. There is information under the forms section. NASBA will screen the requests and submit their recommendations to the AK Board for action. NASBA is reviewing and processing in date order and it will take some time for your request to be processed. All requests must also be reviewed by the Alaska Board. Once final review is complete, NASBA will contact you; please be patient.
