Fiscal Year 2020 Annual Report

Goals and Objectives (continued)

Part I (continued)

FY 2020's goals and objectives, and how they were met:

Goal 3.

Ensure Alaska CPA candidates have positive examination opportunities:

1. Monitor testing experiences by visiting sites and using the post-testing survey for all candidates testing at the Anchorage and Fairbanks sites. Monitor that the surveys are delivered timely.
2. Follow-up on concerns indicated in the surveys.
3. Keep the AKCPA and the public abreast of new developments.

The Board reviews exam surveys at their quarterly meetings and conducts test site visits at both Alaska locations (Anchorage and Fairbanks) (a). The Board will elevate issues to NASBA/CPAES as necessary (b). The State Society usually has a representative in attendance at the Board meetings, so they are able to hear any concerns or updates that come up regarding testing at Alaska locations (c).

Goal 4.

Evaluate and address changes in the professional environment to continue to fulfill our mission to protect public interests:

1. Review new rules proposed by NASBA and the AICPA, for impact on Alaska CPAs and make changes to Alaska statutes and regulations as needed.
2. Represent Alaska CPA concerns at regional, annual, and special meetings and support NASBA committee participation.

3. Mentor executive administrator in developing procedures and goals for timely response to public, CPAs and CPA candidate requests.

The Board reviews proposed changes to the Uniform Accountancy Act (UAA) and has been making attempts to update Alaska statutes/regulations as appropriate (a). The Board continues to make an effort to have both staff and Board members attend NASBA meetings/conferences, but were not approved to participate at their desired level in FY20 (b). Response time has been maintained within Division standards and requests/correspondence requiring Board action were addressed at quarterly meetings (c).

The executive administrator/Board attempt to notify licensees of their selection for random CPE as soon as possible and the Board was very timely with their review of CPE audits. There are only a couple files still requiring resolution from the 2019 renewal (e). The Board reviews all quarterly financials prepared by the Division and asks for additional detail if there are questions (f). The Board complies with required State policies and is also mindful of expenses. For in person meetings, members travel on the day the meeting starts, carpools and attempt to save costs wherever they can (g).
