II. Call to Order/Roll Call

The meeting was called to order at 09:02 a.m. by Chair Greg Johnson. A quorum was present.

III. Review/Approve Agenda

The board reviewed the agenda and had no recommended changes.

Motion:

RESOLVED to APPROVE the agenda as presented.

Motion moved by Dominic Wenzell and motion seconded by Jesse Hronkin. The motion carried unanimously through roll call.

IV. Ethics Report

Dr. Johnson stated he had received no reports of ethics concerns, and asked the board whether there were any to report. No one reported issues.

V. Consider Tabled Applications

The board discussed the issues with Dr. Song and Dr. Jung's applications at the same time. The question with both applications was whether their training program met the requirement of performing individual sedations from beginning to end. The applicants both stated the training was done by teams, although the training program stated on the affidavit the cases were handled individually. After interviewing Dr. Song and Dr. Jung the board determined they were qualified to be issued the permits, but requested staff to issue a letter to Western Surgical and Sedation letting them know their training did not meet Alaska requirements going forward.

A. Seung Song

Motion:

RESOLVED to APPROVE the application for a moderate sedation period for Dr. Seung Song, and to send a letter to Western Surgical and Sedation stating their courses do not meet requirements and will not be approved in the future.

Motion moved by Kenley Michaud and motion seconded by Jonathan Woller. The motion carried unanimously through roll call.

B. Kendall Wood

The board discussed the application for Dr. Wood and interviewed him. In the middle of that process quorum was lost and the meeting was suspended. Dr. Wood's application was sent to OnBoard for action and voting following the meeting.
