54 **Agenda Item 1- Sedation Regulations Discussion**

55
56 The board reviewed the public noticed sedation regulation project and the public
57 comments received. As directed at the May 13, 2016, Gail Walden and Dr. Scheller
58 summarized board comments into one document for consideration at the teleconference.
59

60 After review of each comment page by page, the board made recommended changes to be
61 further discussed at the September 23rd board meeting. The board also briefly addressed
62 recommended changes to the project from Megyn Greider, AAG, but determined they were
63 too complicated to start during the teleconference. The board would review those
64 comments at the regularly scheduled board meeting, September 23rd.
65

66 Ms. Walden would compile the changes for distribution to the board by Ms. Zinn for
67 consideration at the upcoming meeting.
