**INSTRUCTIONS:**

- 1.) Review your mailing address; if your current address is different than what appears on the online renewal webpage, delete the auto-populated address and enter your new address. After completing your online renewal, this will automatically update your file with our Division. This is your opportunity to change your address without submitting a Change of Address form and \$5.00 fee required if you want a duplicate print of your license to reflect the most updated address. If you have an address change after the renewal period, you will be required to submit the address form.
- 2.) Please enter a valid e-mail address in the space provided. This is becoming increasingly important as the Division transitions to electronic communication as a more common form of contacting licensees.
- 3.) Answer the professional fitness questions to the best of your knowledge. If in doubt, disclose. For all questions in which you respond with a "yes" answer, you will need to provide a written statement including the dates, locations, and circumstances. Depending on the nature of the question, you may need to provide a "Fitness to Practice" letter from your primary care physician indicating your ability to practice safely and competently. You may also be required to submit any/all supporting documents, including court records, judging documents, and evidence of compliance with court-mandated fines or other actions. If you answer "yes" to any of the professional fitness questions, you will not be able to continue with the online renewal; you must submit a paper form.
- 4.) Depending on your program statutes and regulations, you may be required to report every instance of continuing education activity, or you may only be required to answer to a checkbox affidavit. If an answer is required, you will not be able to move through your online renewal until you have provided a response.
