4 * **Section 1.** AS 08.68.700(a) is amended to read:
5 (a) A registered nurse licensed under this chapter may make a determination
6 and pronouncement of death of a person under the following circumstances:
7 (1) an attending physician**, an attending advanced practice**
8 **registered nurse, or an attending physician assistant** has documented in the
9 person's medical or clinical record that the person's death is anticipated due to illness,
10 infirmity, or disease; this prognosis is valid for purposes of this section for **not** [NO]
11 more than 120 days from the date of the documentation;
12 (2) at the time of documentation under (1) of this subsection, the
13 physician**, the advanced practice registered nurse, or the physician assistant**
14 authorized in writing a specific registered nurse or nurses to make a determination and

1 pronouncement of the person's death; however, if the person is in a health care facility

3 **advanced practice registered nurse, or the physician assistant** may authorize all
4 nurses employed by the facility to make a determination and pronouncement of the
5 person's death.
6 * **Sec. 2.** AS 08.68.700(b) is amended to read:
7 (b) A registered nurse who has determined and pronounced death under this
8 section shall document the clinical criteria for the determination and pronouncement in
9 the person's medical or clinical record and notify the physician**, the advanced**
10 **practice registered nurse, or the physician assistant** who determined that the
11 prognosis for the patient was for an anticipated death. The registered nurse shall sign

15 (3) date and time of death.
16 * **Sec. 3.** AS 08.68.700(c) is amended to read:
17 (c) Except as otherwise provided under AS 18.50.230, a physician **or**

20 section within 24 hours after the pronouncement by the registered nurse.
21 * **Sec. 4.** AS 08.68.700(d) is amended to read:
22 (d) In a health care facility in which a physician**, an advanced practice**
23 **registered nurse, or a physician assistant** chooses to proceed under (a) of this
24 section, written policies and procedures shall be adopted that provide for the
25 determination and pronouncement of death by a registered nurse **authorized by a**
26 **physician, an advanced practice registered nurse, or a physician assistant** under
27 this section. A registered nurse employed by a health care facility **and authorized by**
28 **a physician, an advanced practice registered nurse, or a physician assistant to**
29 **make a determination and pronouncement of death under this section** may not
30 make **the** [A] determination or pronouncement [OF DEATH UNDER THIS
31 SECTION] unless the facility has written policies and procedures implementing and

1 ensuring compliance with this section.

2 * **Sec. 5.** AS 13.52.065(a) is amended to read:

3 (a) A physician**, an advanced practice registered nurse, or a physician**
4 **assistant** may issue a do not resuscitate order for a patient of the physician**, the**
5 **advanced practice registered nurse, or the physician assistant with the consent of**
6 **the patient or the parent or guardian of the patient if the patient is under 18**
7 **years of age**. The physician**, the advanced practice registered nurse, or the**
8 **physician assistant** shall document the grounds for the order in the patient's medical
9 file.

10 * **Sec. 6.** AS 13.52.065(c) is amended to read:

11 (c) The department shall develop standardized designs and symbols for do not
12 resuscitate identification cards, forms, necklaces, and bracelets that signify, when
13 carried or worn, that the carrier or wearer is an individual for whom a physician**, an**
14 **advanced practice registered nurse, or a physician assistant** has issued a do not
15 resuscitate order.

16 * **Sec. 7.** AS 13.52.065(d) is amended to read:

17 (d) A health care provider other than a physician**, an advanced practice**
18 **registered nurse, or a physician assistant** shall comply with the protocol adopted
19 under (b) of this section for do not resuscitate orders when the health care provider is
20 presented with a do not resuscitate identification, an oral do not resuscitate order
21 issued directly by a physician**, an advanced practice registered nurse, or a**
22 **physician assistant** if the applicable hospital allows oral do not resuscitate orders, or a
23 written do not resuscitate order entered on and as required by a form prescribed by the
24 department.

25 * **Sec. 8.** AS 13.52.065(f) is amended to read:

26 (f) A do not resuscitate order may not be made ineffective unless a physician**,**
27 **an advanced practice registered nurse, or a physician assistant** revokes the do not
28 resuscitate order, a patient for whom the order is written and who has capacity
29 requests that the do not resuscitate order be revoked, or the patient for whom the order
30 is written is under 18 years of age and the parent or guardian of the patient requests
31 that the do not resuscitate order be revoked. Any physician**, advanced practice**

**registered nurse, or physician assistant** of a patient for whom a do not resuscitate order is written may revoke the do not resuscitate order if the person for whom the order is written requests that the physician**, the advanced practice registered nurse, or the physician assistant** revoke the do not resuscitate order.

* **Sec. 9.** AS 13.52.080(a) is amended to read:

(a) A health care provider or health care institution that acts in good faith and in accordance with generally accepted health care standards applicable to the health care provider or institution is not subject to civil or criminal liability or to discipline for unprofessional conduct for

(1) providing health care information in good faith under AS 13.52.070;

(2) complying with a health care decision of a person based on a good faith belief that the person has authority to make a health care decision for a patient, including a decision to withhold or withdraw health care;

(3) declining to comply with a health care decision of a person based on a good faith belief that the person then lacked authority;

(4) complying with an advance health care directive and assuming in good faith that the directive was valid when made and has not been revoked or terminated;

(5) participating in the withholding or withdrawal of cardiopulmonary resuscitation under the direction or with the authorization of a physician**, an advanced practice registered nurse, or a physician assistant** or upon discovery of do not resuscitate identification upon an individual;

(6) causing or participating in providing cardiopulmonary resuscitation or other life-sustaining procedures

(A) under AS 13.52.065(e) when an individual has made an anatomical gift;

(B) because an individual has made a do not resuscitate order ineffective under AS 13.52.065(f) or another provision of this chapter; or

(C) because the patient is a woman of childbearing age and AS 13.52.055 applies; or

(7) acting in good faith under the terms of this chapter or the law of another state relating to anatomical gifts.

*** Sec. 10.** AS 13.52.100(c) is amended to read:

(c) An individual who is a qualified patient, including an individual for whom a physician**, an advanced practice registered nurse, or a physician assistant** has issued a do not resuscitate order, has the right to make a decision regarding the use of cardiopulmonary resuscitation and other life-sustaining procedures as long as the individual is able to make the decision. If an individual who is a qualified patient, including an individual for whom a physician**, advanced practice registered nurse, or physician assistant** has issued a do not resuscitate order, is not able to make the decision, the protocol adopted under AS 13.52.065 for do not resuscitate orders governs a decision regarding the use of cardiopulmonary resuscitation and other life-sustaining procedures.

*** Sec. 11.** AS 13.52.300 is amended to read:

**Sec. 13.52.300. Optional form.** The following sample form may be used to create an advance health care directive. The other sections of this chapter govern the effect of this or any other writing used to create an advance health care directive. This form may be duplicated. This form may be modified to suit the needs of the person, or a different form that complies with this chapter may be used, including the mandatory witnessing requirements:

ADVANCE HEALTH CARE DIRECTIVE

Explanation

You have the right to give instructions about your own health care to the extent allowed by law. You also have the right to name someone else to make health care decisions for you to the extent allowed by law. This form lets you do either or both of these things. It also lets you express your wishes regarding the designation of your health care provider. If you use this form, you may complete or modify all or any part of it. You are free to use a different form if the form complies with the requirements of AS 13.52.

Part 1 of this form is a durable power of attorney for health

1 care. A "durable power of attorney for health care" means the
2 designation of an agent to make health care decisions for you. Part 1
3 lets you name another individual as an agent to make health care
4 decisions for you if you do not have the capacity to make your own
5 decisions or if you want someone else to make those decisions for you
6 now even though you still have the capacity to make those decisions.
7 You may name an alternate agent to act for you if your first choice is
8 not willing, able, or reasonably available to make decisions for you.
9 Unless related to you, your agent may not be an owner, operator, or
10 employee of a health care institution where you are receiving care.
11 Unless the form you sign limits the authority of your agent,
12 your agent may make all health care decisions for you that you could
13 legally make for yourself. This form has a place for you to limit the
14 authority of your agent. You do not have to limit the authority of your
15 agent if you wish to rely on your agent for all health care decisions that
16 may have to be made. If you choose not to limit the authority of your
17 agent, your agent will have the right, to the extent allowed by law, to
18 (a) consent or refuse consent to any care, treatment, service, or
19 procedure to maintain, diagnose, or otherwise affect a physical or
20 mental condition, including the administration or discontinuation of
21 psychotropic medication;
22 (b) select or discharge health care providers and institutions;
23 (c) approve or disapprove proposed diagnostic tests, surgical
24 procedures, and programs of medication;
25 (d) direct the provision, withholding, or withdrawal of artificial
26 nutrition and hydration and all other forms of health care; and
27 (e) make an anatomical gift following your death.
28 Part 2 of this form lets you give specific instructions for any
29 aspect of your health care to the extent allowed by law, except you may
30 not authorize mercy killing, assisted suicide, or euthanasia. Choices are
31 provided for you to express your wishes regarding the provision,

1 withholding, or withdrawal of treatment to keep you alive, including
2 the provision of artificial nutrition and hydration, as well as the
3 provision of pain relief medication. Space is provided for you to add to
4 the choices you have made or for you to write out any additional
5 wishes.

6 Part 3 of this form lets you express an intention to make an
7 anatomical gift following your death.

8 Part 4 of this form lets you make decisions in advance about
9 certain types of mental health treatment.

10 Part 5 of this form lets you designate a physician to have
11 primary responsibility for your health care.

12 After completing this form, sign and date the form at the end
13 and have the form witnessed by one of the two alternative methods
14 listed below. Give a copy of the signed and completed form to your
15 physician, to any other health care providers you may have, to any
16 health care institution at which you are receiving care, and to any health
17 care agents you have named. You should talk to the person you have
18 named as your agent to make sure that the person understands your
19 wishes and is willing to take the responsibility.

20 You have the right to revoke this advance health care directive
21 or replace this form at any time, except that you may not revoke this
22 declaration when you are determined not to be competent by a court, by
23 two physicians, at least one of whom shall be a psychiatrist, or by both
24 a physician and a professional mental health clinician. In this advance
25 health care directive, "competent" means that you have the capacity

26 (1) to assimilate relevant facts and to appreciate and
27 understand your situation with regard to those facts; and

28 (2) to participate in treatment decisions by means of a
29 rational thought process.

30 PART 1

31 DURABLE POWER OF ATTORNEY FOR

HEALTH CARE DECISIONS

(1) DESIGNATION OF AGENT. I designate the following individual as my agent to make health care decisions for me:

_______________________________________________

(name of individual you choose as agent)

_______________________________________________

(address) (city) (state) (zip code)

_______________________________________________

(home telephone) (work telephone)

OPTIONAL: If I revoke my agent's authority or if my agent is not willing, able, or reasonably available to make a health care decision for me, I designate as my first alternate agent

_______________________________________________

(name of individual you choose as first alternate agent)

_______________________________________________

(address) (city) (state) (zip code)

_______________________________________________

(home telephone) (work telephone)

OPTIONAL: If I revoke the authority of my agent and first alternate agent or if neither is willing, able, or reasonably available to make a health care decision for me, I designate as my second alternate agent

_______________________________________________

(name of individual you choose as second alternate agent)

_______________________________________________

(address) (city) (state) (zip code)

_______________________________________________

(home telephone) (work telephone)

(2) AGENT'S AUTHORITY. My agent is authorized and directed to follow my individual instructions and my other wishes to the extent known to the agent in making all health care decisions for

1 me. If these are not known, my agent is authorized to make these
2 decisions in accordance with my best interest, including decisions to
3 provide, withhold, or withdraw artificial hydration and nutrition and
4 other forms of health care to keep me alive, except as I state here:
5 ____________________________________________________________
6 ____________________________________________________________
7 ____________________________________________________________
8 (Add additional sheets if needed.)
9 Under this authority, "best interest" means that the benefits to you
10 resulting from a treatment outweigh the burdens to you resulting from
11 that treatment after assessing
12 (A) the effect of the treatment on your physical,
13 emotional, and cognitive functions;
14 (B) the degree of physical pain or discomfort
15 caused to you by the treatment or the withholding or withdrawal
16 of the treatment;
17 (C) the degree to which your medical condition,
18 the treatment, or the withholding or withdrawal of treatment,
19 results in a severe and continuing impairment;
20 (D) the effect of the treatment on your life
21 expectancy;
22 (E) your prognosis for recovery, with and
23 without the treatment;
24 (F) the risks, side effects, and benefits of the
25 treatment or the withholding of treatment; and
26 (G) your religious beliefs and basic values, to
27 the extent that these may assist in determining benefits and
28 burdens.
29 (3) WHEN AGENT'S AUTHORITY BECOMES
30 EFFECTIVE. Except in the case of mental illness, my agent's authority
31 becomes effective when my primary physician determines that I am

1 unable to make my own health care decisions unless I mark the
2 following box. In the case of mental illness, unless I mark the
3 following box, my agent's authority becomes effective when a court
4 determines I am unable to make my own decisions, or, in an
5 emergency, if my primary physician or another health care provider
6 determines I am unable to make my own decisions. If I mark this box [
7 ], my agent's authority to make health care decisions for me takes effect
8 immediately.
9 (4) AGENT'S OBLIGATION. My agent shall make
10 health care decisions for me in accordance with this durable power of
11 attorney for health care, any instructions I give in Part 2 of this form,
12 and my other wishes to the extent known to my agent. To the extent
13 my wishes are unknown, my agent shall make health care decisions for
14 me in accordance with what my agent determines to be in my best
15 interest. In determining my best interest, my agent shall consider my
16 personal values to the extent known to my agent.
17 (5) NOMINATION OF GUARDIAN. If a guardian of
18 my person needs to be appointed for me by a court, I nominate the
19 agent designated in this form. If that agent is not willing, able, or
20 reasonably available to act as guardian, I nominate the alternate agents
21 whom I have named under (1) above, in the order designated.
22 PART 2
23 INSTRUCTIONS FOR HEALTH CARE
24 If you are satisfied to allow your agent to determine what is best
25 for you in making health care decisions, you do not need to fill out this
26 part of the form. If you do fill out this part of the form, you may strike
27 any wording you do not want. There is a state protocol that governs the
28 use of do not resuscitate orders by physicians**, advanced practice**
29 **registered nurses, physician assistants,** and other health care
30 providers. You may obtain a copy of the protocol from the Alaska
31 Department of Health and Social Services. A "do not resuscitate order"

means a directive from a licensed physician**, advanced practice registered nurse, or physician assistant** that emergency cardiopulmonary resuscitation should not be administered to you.

(6) END-OF-LIFE DECISIONS. Except to the extent prohibited by law, I direct that my health care providers and others involved in my care provide, withhold, or withdraw treatment in accordance with the choice I have marked below: (Check only one box.)

[ ] (A) Choice To Prolong Life

I want my life to be prolonged as long as possible within the limits of generally accepted health care standards; OR

[ ] (B) Choice Not To Prolong Life

I want comfort care only and I do not want my life to be prolonged with medical treatment if, in the judgment of my physician, I have (check all choices that represent your wishes)

[ ] (i) a condition of permanent unconsciousness: a condition that, to a high degree of medical certainty, will last permanently without improvement; in which, to a high degree of medical certainty, thought, sensation, purposeful action, social interaction, and awareness of myself and the environment are absent; and for which, to a high degree of medical certainty, initiating or continuing life-sustaining procedures for me, in light of my medical outcome, will provide only minimal medical benefit for me; or

[ ] (ii) a terminal condition: an incurable or irreversible illness or injury that without the administration of life-sustaining procedures will result in

1 my death in a short period of time, for which there is no
2 reasonable prospect of cure or recovery, that imposes
3 severe pain or otherwise imposes an inhumane burden
4 on me, and for which, in light of my medical condition,
5 initiating or continuing life-sustaining procedures will
6 provide only minimal medical benefit;
7 [ ] Additional instructions: ________________
8 ____________________________________________________

9 (C) Artificial Nutrition and Hydration. If I am
10 unable to safely take nutrition, fluids, or nutrition and fluids
11 (check your choices or write your instructions),
12 [ ] I wish to receive artificial nutrition and
13 hydration indefinitely;
14 [ ] I wish to receive artificial nutrition and
15 hydration indefinitely, unless it clearly increases my suffering
16 and is no longer in my best interest;
17 [ ] I wish to receive artificial nutrition and
18 hydration on a limited trial basis to see if I can improve;
19 [ ] In accordance with my choices in (6)(B)
20 above, I do not wish to receive artificial nutrition and hydration.
21 [ ] Other instructions:_____________________
22 ____________________________________________________

23 (D) Relief from Pain.
24 [ ] I direct that adequate treatment be
25 provided at all times for the sole purpose of the
26 alleviation of pain or discomfort; or

28 _____________________________________________
29 _____________________________________________

30 (E) Should I become unconscious and I
31 am pregnant, I direct that ________________________

1 ________________________________________
2 ________________________________________
3 (7) OTHER WISHES. (If you do not agree with any of
4 the optional choices above and wish to write your own, or if you wish
5 to add to the instructions you have given above, you may do so here.) I
6 direct that
7 ____________________________________________________
8 ____________________________________________________
9 Conditions or limitations: ___________________________
10 ____________________________________________________.
11 (Add additional sheets if needed.)
12 PART 3
13 ANATOMICAL GIFT AT DEATH
14 (OPTIONAL)
15 If you are satisfied to allow your agent to determine whether to
16 make an anatomical gift at your death, you do not need to fill out this
17 part of the form.
18 (8) Upon my death: (mark applicable box)
19 [ ] (A) I give any needed organs, tissues, or
20 other body parts, OR
21 [ ] (B) I give the following organs, tissues, or
22 other body parts only ______________________________
23 ______________________________________________
24 [ ] (C) My gift is for the following purposes
25 (mark any of the following you want):

27 [ ] (ii) therapy;
28 [ ] (iii) research;
29 [ ] (iv) education.
30 [ ] (D) I refuse to make an anatomical gift.
31 PART 4

MENTAL HEALTH TREATMENT

This part of the declaration allows you to make decisions in advance about mental health treatment. The instructions that you include in this declaration will be followed only if a court, two physicians that include a psychiatrist, or a physician and a professional mental health clinician believe that you are not competent and cannot make treatment decisions. Otherwise, you will be considered to be competent and to have the capacity to give or withhold consent for the treatments.

If you are satisfied to allow your agent to determine what is best for you in making these mental health decisions, you do not need to fill out this part of the form. If you do fill out this part of the form, you may strike any wording you do not want.

(9) PSYCHOTROPIC MEDICATIONS. If I do not have the capacity to give or withhold informed consent for mental health treatment, my wishes regarding psychotropic medications are as follows:

________ I do not consent to the administration of the following medications: ________________________________________

Conditions or limitations:________________________________

1 (12) "do not resuscitate order" means a directive from a licensed
2 physician**, advanced practice registered nurse, or physician assistant** that
3 emergency cardiopulmonary resuscitation should not be administered to a qualified
4 patient;
5 * **Sec. 13.** AS 13.52.390(23) is amended to read:
6 (23) "life-sustaining procedures" means any medical treatment,
7 procedure, or intervention that, in the judgment of the primary physician**, advanced**
8 **practice registered nurse, or physician assistant**, when applied to a patient with a
9 qualifying condition, would not be effective to remove the qualifying condition, would
10 serve only to prolong the dying process, or, when administered to a patient with a
11 condition of permanent unconsciousness, may keep the patient alive but is not
12 expected to restore consciousness; in this paragraph, "medical treatment, procedure, or
13 intervention" includes assisted ventilation, renal dialysis, surgical procedures, blood
