4:00 p.m. **CALL TO ORDER**

- Roll call
- Declarations of conflicts of interest
- Clarify the purpose of the Work Group:
 - Identify “lifestyle enhancement” services that have a medical nexus and are currently performed or likely to be performed outside of a medical clinic or without appropriate supervision.
 - Identify existing statutes and regulations that govern current requirements for training, licensure, and supervision of these procedures.
 - Clarify how licensing boards could—jointly or in part—explain existing statutes and regulations that would help the public and licensees understand how these procedures should be safely administered according to the current laws of the state.
 - Suggest changes in statute that would allow defensible and transparent pathways forward for appropriately trained and supervised individuals to provide these services without imposing undue economic or regulatory barriers.
 - Carry forward work group updates and work products to the member boards for their subsequent review and action.

4:10 p.m. **PUBLIC COMMENT**

Each speaker will be limited to three minutes. To offer written comments, please email sara.chambers@alaska.gov for distribution to the group two business days prior to the meeting.

REVIEW CORRESPONDENCE

4:30 p.m. **MEDICAL DIRECTOR DEFINITION**

- Medical Board and Board of Nursing representatives on the work group will provide information regarding how medical oversight of esthetics procedures works per current statute and regulation.
 - What types of procedures or services require supervision or delegation by a medical professional, and how is that defined in statute and regulation?
 - What procedures or services may only be performed by a medical professional, and how is that defined in statute and regulation?

- What special training, if any, is required of any person performing these services under supervision or delegation?
- What are the requirements or standards of a medical director who is supervising or delegating these activities?
