DRAFT MEETING MINUTES

57 **Agenda Item 2 - Review/Approve Agenda and Meeting Minutes**

58
59 Agenda Item 5: Martha Hewlett will not be present, Sara Chambers will provide the Budget
60 Report, combining Agenda Item's 4 and 5.

61
62 **ON MOTION BY DEBORAH SCHNEIDER, SECONDED BY JENNIFER SWANDER TO APPROVE**
63 **THE FEBRUARY 12-13, 2015 MEETING MINUTES AND THE JULY 20, 2015 TELECONFERENCE**
64 **MINUTES AS FINAL. ALL IN FAVOR, NO NAYS.**

65 66 **Agenda Item 3 - Board Member Training**

67
68 Dawn Hannasch, Records and Licensing Supervisor, provided training to the Board and Public
69 concerning the proper meeting policies and procedures that the Board and Public will be
70 expected to follow moving forward.

- 71 1. The Board will not engage with the public during the meeting.
- 72 2. The Board will not engage with the public during public comment/testimony.
- 73 3. The Board will not engage with the public or each other outside of the meeting.
- 74 4. If the public has specific questions for the Board, they will need to submit them in writing
75 to the licensing examiner and she will forward them to the Board.
- 76 5. It is our goal (The Division) to help all of the Boards remain beyond reproach.
- 77 6. While reviewing applications it is not permitted to question the applicant unless a Board
78 interview has been placed on the agenda and noticed. If the Board has questions and
79 wishes not to schedule a full board interview, they can instruct the Licensing Examiner to
80 contact the applicant for more information. This information can then be forwarded to
81 the Board through the licensing examiner; the Board can do an email ballot to approve
82 the applicant at that time.

83
84 The policies and procedures are meant to protect the Board, licensees and the public. It is the
85 Boards responsibility to abide by the policies and procedures laid out before them; these are not
86 "rules" made or preferred by the Division. The Division must follow and enforce the policies and
87 procedures that have been set before us by our employer, the Governor of the State of Alaska.

88
89 At this time the Board moved ahead to **Agenda Item 10 - Correspondence** due to time
90 allowance. An email was sent to the Board through the Renee Hoffard from Susan Lemagie, MD
91 requesting that the State of Alaska adopt the Global Standards of the International Federation
92 of Midwives. The Board read and discussed the information provided by Dr. Lemagie. The Board
93 stated that the licensing program is moving towards NARM standards and felt that the letter was
94 better intended as a national initiative as opposed to focusing on Alaska. The Board tasked
95 Renee Hoffard with sending a letter from the Board thanking Dr. Lemagie for the information and
96 letting her know that the program currently meets or exceeds NARM requirements and is moving
97 to meet more of those requirements. Alaska already requires the statistical information that D.
98 Lamagie mentioned in her letter. Renee will send the letter to the Board for their review before
99 mailing. The email from Dr. Lemagie was the only correspondence received for the Board.

100 101 **Agenda Item 4 - Investigative Report**

102
103 Investigative staff attending the meeting were; Chief Birt, Ed Riefle, and Brian Howes.
104 Brian Howes presented the investigative report for the period January 3, 2015 through October 8,
105 2015; includes 3 files opened, 8closed and 6 ongoing. A meeting is scheduled for November 10,
106 2015 for an update from the Attorney General's office concerning the cases that were
107 forwarded to them for review.

108
109 Sr. Investigator Ed Riefle stated that the Division is in communication with OSPA to resolve the
110 cases that were referred to them; he will provide a report to the Board on Friday, October 30 at
111 9:30 am to inform them concerning those cases. Sarah Taygan asked the investigators to

126
127 Division Operations Manager Sara Chambers spoke to the Board via telephone regarding the
128 state contract with MAA for peer review and explained the budget report. As of the end of FY15
129 the Board had a negative deficit of \$158,072.

130 131 **Agenda Item 6 – Public Testimony on current Regulation Project**

132 Chair Corrick reminded the public that the comment period was only for the proposed
133 regulations changes; 7 individuals registered for public testimony on the proposed regulations
134 changes; due to time constraints each individual was allowed 10 minutes to speak.

- 135 1. Susan Terwilliger – CDM and President of MAA (Midwives Association of Alaska) She had
136 concerns about the proposed scope of practice; she thought some things were very
137 broad in scope. She also had concerns about the proposed list of co-management
138 issues.
- 139 2. Judi Davidson – CDM, CPM. Her concerns were the same Ms. Terwilliger; scope of
140 practice list is too broad in scope. She also had concerns about restricting the clients
141 CDM's can assist another care provider with.
- 142 3. Darcy Lucey – Nurse Midwife; felt the proposed scope is to clarify the scope of practice
143 not widen the scope of practice for CDM's.
- 144 4. Barbara Doty – Family Physician for Matsu Borough. Concerns that the regulations should
145 specify physicians that specialize in OB/GYN, neonatal. She had concerns that the
146 proposed regulations are not specific enough for pediatrics and newborns. She felt that
147 numerous items in the scope of practice are not defined well enough.
- 148 5. Cassandra Cook – MD in Matsu Valley. Concerns with clarification within the scope of
149 practice, consultants should be Board Certified in Obstetrics with hospital privileges.
- 150 6. Hollie Steiner – RN, CDM in Matsu Valley, Former Board Member, Current member of Peer
151 Review. Concerns with Scope of practice, felt it was very vague. Otherwise agrees with
152 the other proposed changes.
- 153 7. Jennifer Germain – CDM, CPM. Concerns with the scope of practice, feels it is vague
154 and needs to be cleaned up. Feels recommendations that CDM's only consult with
155 certain providers indicates a lack of training and knowledge on the CDM's part.

156
157 **ON MOTION BY JENNIFER SWANDER, SECONDED BY DEBORAH SCHNIEDER THE BOARD DEVIATED**

175
176 The Board deviated from the agenda and moved to **Agenda Item 8 – Application Review** until
177 1:35 when scheduled Public Comment was to begin.

178 179 **Agenda Item 7 - Public Comment**

180 Chair Corrick reminded the public that the comment period was only for the proposed
181 regulations changes; 9 individuals registered for public comment; due to time constraints each
182 individual was allowed 2.5 minutes to speak.

- 183 1. Jennifer Germain – CDM. Reference the legislative audit – division staff not doing their
184 job efficiently. Feels this has been an ongoing issue since she became licensed.
- 185 2. Cindy Earley – CDM Applicant. Application was turned in too late to be considered at
186 this meeting; in phone conversation with Renee learned that the Board could consider
187 reviewing applications online between scheduled board meetings. She wanted to
188 encourage the board to consider that as it would be beneficial to all.
- 189 3. Mary Yanagawa – Student Midwife. Appreciates her education and learning she has
190 received to become a Midwife. Feels that Alaskan midwives are considered highly
191 ranked among the nation.
- 192 4. Susan Terwilliger – CDM, President of MAA. The Board was difficult to hear earlier in the
193 meeting. Suggests a regulations change concerning Approved Continuing Education
194 programs; consider changing to “Sponsored or Approved” in place of “Sponsored”.
- 195 5. Dana Brown – CPM, CDM. Wanted to report that there is a lot of positive work going
196 nationally for midwives.
- 197 6. Lena Kilic – CDM. Chair of Accountability Action Committee, formerly Peer Review.
198 Gave report of peer review; all charts reviewed were in compliance, there were 2 non-
199 practicing midwives during the review. Year –to-date have received 22 emergency
200 transports that have been reviewed. Nothing has been sent to Investigations. True peer
201 review is being completed now; the records are being completed accurately.
- 202 7. Holly Steiner - RN, CDM. Declined to speak.
- 203 8. Tasha Gentile – CDM Applicant. Had concerns about the application process being too
204 difficult for military; she feels the Board should consider a future regulations project to
205 accept different licensure requirements.
- 206 9. Elke Saunders – CDM Applicant Declined to speak

207
208 The Board determined that Peer Review will be added to the fall agenda as a standing agenda
209 item. Renee will invite the Chair of the Accountability Action Committee to the fall meeting and
210 coordinate a time for ACC to speak. The written summary from ACC will be included in the fall

ON A MOTION BY CHERYL CORRICK, SECONDED BY JENNIFER SWANDER, AND APPROVED UNANIMOUSLY IT WAS RESOLVED TO GO INTO EXECUTIVE SESSION IN ACCORDANCE WITH AS 44.62.310(C) FOR THE PURPOSE OF DISCUSSING MATTERS WHICH BY LAW, MUNICIPAL CHARTER, OR ORDINANCE ARE REQUIRED TO BE CONFIDENTIAL. BOARD STAFF DAWN HANNASCH AND RENEE HOFFARD AND INVESTIGATIVE STAFF ANGELA BIRT, AL KENNEDY AND BRIAN HOWES TO REMAIN IN ROOM DURING EXECUTIVE SESSION.

Off the record at 9:30 am
Back on record at 10:15 am

ON A MOTION BY DEBORAH SCHNIEDER, SECONDED BY JENNIFER SWANDER, AND APPROVED UNANIMOUSLY IT WAS RESOLVED TO TABLE THE CDM APPLICATION OF ELKE SAUNDERS PENDING RECEIPT OF VERIFICATION AND INFORMATION FROM TEXAS AND THE SUBMISSION OF 10 ALASKAN BIRTHS WITHIN THE PREVIOUS 2 YEARS TO PEER REVIEW THROUGH THE DIVISION. FAILURE TO PROVIDE THE 10 ALASKAN BIRTHS WILL REQUIRE MS. SAUNDERS TO APPLY FOR AN APPRENTICE PERMIT TO COMPLETE THE 10 ALASKAN BIRTHS WITH AN APPROVED PRECEPTOR.

The board asked questions to the Investigative staff concerning fining unlicensed individuals; Chief Angela Birt stated she would need to do further research on that. Investigator Al Kennedy stated that previous advice from the Attorney General's office was that boards are not allowed to fine unlicensed individuals.

Chief Birt assured the Board that complaints are only investigated if a specific licensee is listed in the written complaint. If an individual is not named, there are no grounds to begin the complaint process. Chief Birt also encouraged the Board to write a letter to Director Janey Hovenden voicing support of a general investigations fund. The fund would be established by each licensee across all programs paying a nominal fee that would pooled into a large fund that would offset the investigative costs incurred while investigating unlicensed individuals. Renee was tasked with drafting a letter to submit for board approval; once approved the letter will be sent to Director Hovenden.

Break at 10:40 a. m.
Back on record at 10:48 a.m.

B. Future Regulations Project – Proposed future regulations changes

- I. Address the 2 preceptor issues; temporary suspension of privilege when under notice of investigation related to standard or delivery of care.
- II. 12 AAC 14.130(g) amended to add... "who has a license in good standing, is not under notice of investigation for delivery of care issues, and is approved by the board."
- III. 12 AAC 14.430 (b)(c) amended to read "sponsored or approved" in place of "sponsored".

C. Committee Reports (Disciplinary Matrix) – The board decided to table work on the disciplinary matrix indefinitely.

Agenda Item 14 – New Business

- A. On-line renewals** – Dawn Hannasch informed the Board that the Division's plan is for the program to have on-line renewals for the next renewal cycle. She explained the process of the Board reviewing applications via the secure website between board meetings for the benefit of applicants and the Board. By reviewing applications via the secure website, applicants would not have to wait so long for licensure and it could potentially reduce the time of board meetings which would reduce costs. The Division launched a new database July 1, 2015 and all applications are scanned into a digital system, therefore Renee would not be required to carry multiple applications to meetings.

DRAFT MEETING MINUTES

- 335 B. **Advisory Committee** – Dawn inquired with Sara Chambers concerning an advisory
336 committee made of CDM's that are not on the Board. Jennifer Swander had questions
337 about the Board promoting midwifery in Alaska – How is that happening. Promoting
338 midwifery in the state is a goal the Board lists on the annual report. The Board phoned
339 Sara Chambers at 12:15 for clarification on promoting midwifery and the advisory
340 committee. Sara informed the board that no other board has or is allowed to have an
341 advisory committee of licensees that are not on the Board. She stated that the Board
342 can and should promote midwifery through MAA.
343

Agenda Item 15 – Board Business

- 344 A. Task List: Renee – Letter to Dr. Lemagie, letter to licensee base regarding CEU
345 completion certificates, letter to Director Hovenden in support of the general

348 B. Sign wall certificate – none to sign this meeting
349 C. Schedule future meetings – the next meeting is scheduled for February 25-26, 2016 in
350 Anchorage. Future meetings will be scheduled at the February meeting in order to
351 include future board members.

353 E. Conferences/Training – should be struck from the agenda.
354 F. Nominations/vote for a new Chair; Cheryl Corrick's term ends March 2016 and she would
355 like to step down from Chair before the last meeting.
