MY LICENSE Instructions – Renewal Applications

Dear Alaska Professional licensee:

The Department of Commerce, Community, and Economic Development is introducing a new online feature to help you conveniently manage your professional license.

Using MY LICENSE will enable you to easily:

- **Renew** your professional license online.
- **Update** your email and mailing addresses.
- **Go Paperless.** Opt-in to receive electronic communication about licensure, regulations changes, and other important news.

To register for your MY LICENSE account, follow these steps:

- 1) Visit the MY LICENSE customer homepage at ProfessionalLicense.Alaska.Gov/MYLICENSE
- 2) If you have an existing myAlaska account, enter your information to log in. If you do not, or if you are unable to log in to your existing account, please create an account. Once created and logged in, you'll be redirected to the MY LICENSE customer home page.
- 3) Select "Add an Existing License". *You will be prompted to select the type of license you wish to apply for.*
You may have received a web authorization code via email in May. If so, you can try that same authorization code here. If you did not receive an email, cannot locate that email, or if you tried an authorization code that did not work, please contact license@alaska.gov to request your web authorization code.

We are confident this exciting online functionality will improve licensing efficiency and convenience. If you still have questions after following the instructions, call the Division of Corporations, Business and Professional Licensing at (907) 465-2550.

Please note: Only licenses issued through the Division of Corporations, Business and Professional Licensing will be accessible through MY LICENSE. For a list of professions licensed by the division, visit ProfessionalLicense.Alaska.Gov
