Our file: 2024200498

Dear Lieutenant Governor Dahlstrom:

The Department of Law has reviewed the attached regulations of the Department of Commerce, Community and Economic Development against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Department of Commerce, Community and Economic Development after the close of the public comment period.

The regulations concern the telemedicine business registry and include provisions to implement secs. 5 and 6, ch. 13, SLA 2024 (CSSB 91(FIN) am H), regarding registration renewals and fees.

The November 16, 2025 public notice and the January 8, 2026 adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.060 is not required.
