Verification of Work Experience — Land Surveyor by Comity

Work experience forms and letters of reference must bear the signed and dated PLS stamp (seal) of the verifier. The work experience forms and letters must be mailed or emailed directly from the signer to the Juneau office.

If you have at least five years of post-registration experience, in lieu of work experience verifications, you may provide two current letters of reference from registered land surveyors in the same discipline for which you are applying to verify that experience. The letters should address:

- your professional experience on projects;
- your ability and character;
- their professional association to you;
- how long they have been an associate of yours (minimum of 5 years);

Applicant Name:		Job Title:	
Business Name:			
Job Duties:			
Describe the work the applicant performed, and his/her responsibilities:			
What professional association did you have with the applicant?			
If the professional association is anything other than supervisor, provide an explanation as to how this professional association allowed you to review/supervise the responsible charge experience:			

1. Would you employ this applicant in a position of trust?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
2. Do you recommend the applicant for professional registration?	<input type="checkbox"/> Yes	<input type="checkbox"/> No

3. Using the period of employment from page 1, how many months were considered “sub-professional” work?		
Sub-professional work means time spent working in design support or construction related employment.		
4. Using the period of employment from page 1, how many months were considered “professional” work?		
Professional work means the time the applicant has been occupied in architecture, engineering, land surveying, or landscape architecture work of higher grade and responsibility than that of sub-professional work.		
5. Of the time considered “professional” work, how many months was the applicant in a position of “responsible charge”?		
<p>Only PLSs may verify “responsible charge” experience. Responsible charge may be gained either in the field or in the office.</p> <p>Responsible charge means:</p> <ul style="list-style-type: none"> In the field, the applicant must have had the direction of work, the successful accomplishment of which rested upon the applicant, where the applicant had to decide questions of methods of execution and suitability of materials without relying upon advice or instructions from his/her superiors and where the applicant had to supply solutions to deficiencies in plans or had to correct errors in design without first referring them to higher authority for approval, except where the approval is a matter of form. In the office, the applicant must have had to undertake investigations or carry out assignments which demand resourcefulness and originality, or make plans, write specifications, and direct drafting and computations for the design of architectural, engineering, or land surveying work with only rough sketches, general information and field measurements for reference. <p>Note: The total months for sub-professional and professional experience should equal the total months during the period of employment indicated. Responsible charge experience is a subset of professional experience and should be less than or equal to the number of months entered for question number 4.</p>		
6. In your opinion, has the applicant had professional experience on any projects?		<input type="checkbox"/> Yes <input type="checkbox"/> No
If yes, name one:		
7. Are you a professional land surveyor?		<input type="checkbox"/> Yes <input type="checkbox"/> No
<p>AS 08.48.341(13): “Practice of land surveying” means the teaching of land surveying courses at an institution of higher learning, or any service or work the adequate performance of which involves the application of special knowledge of the principles of mathematics, the related physical and applied sciences, and the relevant requirements of law for adequate evidence of the act of measuring and locating land, geodetic and cadastral surveys for the location and monumentation of property boundaries, for the platting and planning of land and subdivisions of land, including the topography, alignment, and grades for streets, and for the preparation and perpetuation of maps, record plats, field note records and property descriptions that represent these surveys.</p>		
8. Were you registered at the time you supervised the applicant?		<input type="checkbox"/> Yes <input type="checkbox"/> No
9. Was the applicant continuously employed during the calendar months stated on the first page?		<input type="checkbox"/> Yes <input type="checkbox"/> No
